The trilogy *Funeral Drums for Lambs and Wolves* includes *Isabel Banished in Isabel*, the monologue of a woman left to go mad alone; *Without Apparent Motive*, the monologue of a murderer lamenting the spread of violence; and *The Guest, or Tranquility Is Priceless*, a confrontational dialogue that speaks directly to the spectators, implicating them for their silent, passive tolerance of Pinochet. The title play, Radrigan's 1981 masterpiece, speaks directly to the specter of the disappeared."--Jacket.

The Christian mystery, celebrated in the Roman Catholic liturgy, is a sensible mystery, and calls out for artistic expression. Living Beauty explores the Christian mystery and points to the need for a liturgical aesthetic as a means to encounter the divine mystery. A liturgical aesthetic gives an account of Christian worship in terms of a new set of categories that includes divine beauty, a theology of sensibility, and the new notion of a unitive revelatory experience. These categories help to reveal the

aesthetic dimensions of the Church's watershed document on the liturgy, Sacrosanctum Concilium. The Church today stands in need of a new conversation on the aesthetic dimension of the liturgy and the role of the arts. Contrary to common opinion, the arts provide more than an environment or mere extrinsic ornamentation for the liturgy; they are intrinsic to the very nature of liturgy. They provide the means of being sanctified in the encounter with divine beauty that is the mystery of

Christian worship. Artistic expression enables the worshiping community to receive the divine mystery in beauty.

Lisa Gungor thought she knew her own story: small-town girl meets boy in college and they blissfully walk down the aisle into happily ever after. Their

Christian faith was their lens and foundation for everything—their marriage, their music, their dreams for the future. But as their dreams began to come true, she began to wonder if her religion was really representative of the “good news” she had been taught. She never expected the questions to lead as far as they did when her husband told her he no longer believed in God. The death of a friend, the unraveling of relationships and career, the loss of a worldview, and the birth of a baby girl with two heart defects all led Lisa to a tumultuous place; one of depression and despair. And it was there that her perspective on everything changed. *The Most Beautiful Thing I’ve Seen* tells the story of what can happen when you dare to let go of what you think to

be true; to shift the kaleidoscope and see new colors and dimension by way of broken pieces. Lisa's eloquent, soul-stirring memoir brings you to a music stage before thousands of fans and a front porch where two people whisper words that scare them to the core. It is the story of how doubt can spark the beginning of deeper faith; how a baby born with a broken heart can bring love and healing to the hearts of many, and ultimately, how the hardest experience in life often ends up saving us.

A furious rainstorm mirrors Lily's anxiety, but as it clears Lily discovers the tenth beautiful thing: Lily and Gran and their love for each other. *Ten Beautiful Things* leaves the exact cause of Lily's move ambiguous, making it perfect for anyone helping a child navigate change, whether it be the loss of a parent, entering or leaving a foster home, or moving.

Young Bezalel is  
different from the other  
Israelite slaves in

Egypt. He loves to  
collect stones, bugs,  
bits of string—these all  
seem beautiful to him.

He keeps everything in  
his Beautiful Things Box  
and takes it with him

everywhere. As the  
Israelites wander in the  
desert, God asks them to  
build a very special  
house—and Bezalel may be  
the only one who can  
create something  
beautiful enough to  
honor God.
