# **Livy: Book 6: Bk 6 (Cambridge Greek And Latin Classics)**

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and

orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—*Choice*

Livy's History of Rome is our main source for the study of the history of the early centuries of the Roman Republic. In Book IX Livy narrates the course of the Second Samnite War, one of the most important that Rome fought during its conquest of Italy: the book begins with Livy's celebrated account of the Roman defeat in the Caudine Forks and ends with Roman victory over the Samnites. This commentary discusses all

likely to appeal to students at every level. Livy drew on the Greek historian Polybius, but transformed his drier treatment into a rhetorical masterpiece, which by a series of insistent thematic contrasts brings out the tensions between the delaying tactics of Fabius and the costly rashness of Flaminius, Minucius and Varro. A substantial and accessibly written introduction by two experienced commentators covers historical, religious, literary and linguistic matters, including the place of Book XXII in the structure of Livy's long work. A new text by Briscoe is followed by a full commentary, covering literary and historical aspects and
