Originally published in 1898, "*The Ballad of Reading Gaol*" is a poem written by Oscar Wilde. Composed after his release from the titular prison whilst he was in exile in Berneval-le-Grand, the poem deals with the hanging at Reading Goal of Charles Thomas Wooldridge, a 30-year-old man who was imprisoned for cutting his wife's throat. Within the poem, Wilde narrates the execution in full and explores the brutal nature of the punishment that all inmates must endure. Oscar Fingal O'Flahertie Wills Wilde (1854–1900) was an Irish poet and playwright who became one of the most popular in London during the 1880s and 1890s. Well-known for his sharp wit and extravagant attire, Wilde was a proponent of aestheticism and wrote in a variety of forms including poetry, fiction, and drama. He was famously imprisoned for homosexual acts from 1895 to 1897 and died at the age of 46, just three years after his release. Other notable works by this author include: "*Picture of Dorian Gray*" (1890), "*Salome*" (1891), and "*The Importance of Being Earnest*" (1895). *Ragged Hand* is proudly republishing this classic poem now complete with a specially-commissioned new biography of the author.

Pulitzer Prize-winning journalist and author Richard A. Serrano's new book *American Endurance: The Great Cowboy Race and the Vanishing Wild West* is history, mystery, and Western all rolled into one. In June 1893, nine cowboys raced across a thousand miles of American prairie to the Chicago World's Fair. For two weeks they thundered past angry sheriffs, governors, and Humane Society inspectors intent on halting their race. Waiting for them at the finish line was Buffalo Bill Cody, who had set up his Wild West Show right next to the World's Fair that had refused to allow his exhibition at the fair. The Great Cowboy Race occurred at a pivotal moment in our nation's history: many believed the frontier was settled and the West was no more. The Chicago World's Fair represented the triumph of modernity and the end of the cowboy age. Except no one told the cowboys. Racing toward Buffalo Bill Cody and the gold-plated Colt revolver he promised to the first to reach his arena, nine men went on a Wild West stampede from tiny Chadron, Nebraska, to bustling Chicago. But at the first thud of hooves pounding on Chicago's brick pavement, the race devolved into chaos. Some of the cowboys shipped their horses part of the way by rail, or hired private buggies. One had the unfair advantage of having helped plan the route map in the first place. It took three days, numerous allegations, and a good old Western showdown to sort out who was first to Chicago, and who won the Great Cowboy Race.

An ex-Marine and an Army nurse discover the strength to love again on a Wyoming ranch—from the New York Times bestselling author of *Wind River Undercover*. After a harrowing tour of duty in Afghanistan, Army nurse Lily Thompson escapes to Wind River Ranch to find herself once more. Working as a caregiver to foreman Jake Murdoch's elderly mother, Lily almost feels at peace—except for the unsettling presence of Jake, a tight-lipped, intimidating man everyone calls Bear. But one look in the powerful ex-Marine's eyes and Lily glimpses a vulnerability that shakes her soul: a hurt she understands all too well—and longs to heal . . . Jake is ready to rail at the fates when Lily moves into his home. Everything about this captivating woman calls to him, demanding that he abandon his solitary stance and start to live again. But Jake is a man who knows that no one can save him from the past that stalks his heart and mind. Not even sweet, achingly beautiful Lily. Still, that doesn't stop his longing to pull her into his arms—and keep her there forever. Will time, and patience, bring them the courage to make their connection real? . . . Seventh in the series! Praise for *Home to Wind River* “McKenna is spot-on with her portrayal of military veterans facing PTSD in this heart-wrenching story of warmth, friendship, and love's healing powers.”—Publishers Weekly

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

The new novel from the bestselling author of *Wind River Protector*. Hide in plain sight. For native Guatemalan Anna Navaro, nothing is more satisfying than capturing drug traffickers for the U.S. DEA. Her career has always been her focus, but just as she's beginning to yearn for something more, she's given a brand-new assignment with DEA agent Gabe Whitcomb. In his well-worn Stetson and boots, he's part cowboy and part law enforcement, a combination Anna finds irresistibly sexy. But desire has no place on a job as dangerous as this one, because the drug lord they're after is the violent fugitive who killed her father . . . Gabe's worked some treacherous assignments in the past, but this one raises every alarm—and not just because his partner is a gorgeous woman with the grace of a cat and a sniper's deadly aim. He and Anna are being sent to the Wind River Valley where he grew up—and where his adoptive parents still own a ranch just eighty miles from the Elson family, who have been recruited into the ruthless Gonzalez cartel. Posing as new ranch-owners and ingratiating themselves with the Elsons to uncover evidence, Anna and Gabe can only fight the heat flaring between them until they realize that building a life together, here in Wind River, is worth risking everything for . . .
