

## Love: Not Until You, Part 8 (Loving On The Edge Series)

What if God is hiding in plain sight? This is the question that author Keith Scott asks in his book about finding God's presence in our lives. Here I Am flips the response that Abraham and Moses gave to God's call, imagining it as God's response to our question, "Where are you?" The book shows that God reveals himself in human nature, history, science, classical and popular culture, and in our common customs and habits. Along the way the reader also discovers answers to some of the most vexing issues facing believers, like the problem of evil, Darwin's theory of evolution, and the meaning of salvation. Here I Am looks for the answers and finds them--and him--all around us.

As a complete ebook for the first time, this is the intensely erotic serial in the Loving on the Edge series. Perfect for fans of Fifty Shades of Grey. Perhaps if they were less sensitive, less romantic, less tuned in to each other, less mature, or even more experienced it would have been easier. He couldn't afford to lose anything. He had nothing. Less than nothing. But it made up his world. He was an innocent, even in the murky world around him, a good and decent man without guile who played cops and robbers for a living. Was it that or his sex appeal that stopped her in her tracks? Was it that combination? She didn't know, and she didn't know what he'd do if she just turned away but she didn't want to hurt him or see him hurt himself for her sake. Nor did she want to be hurt. "...But women's ways are witless ways..."

Hailed as a creative genius (TLS) and a singular American visionary (New York Times), James Purdy may be best known for his remarkable novels, but he is also an astonishing playwright who has written nine full-length and twenty short plays. Purdy is one of the few contemporary American writers capable of writing tragedy--Tennessee Williams called him a uniquely gifted man of the theater. This collection presents four riveting and beautifully crafted works: Brice, The Paradise Circus, Where Quentin Goes, and Ruthanna Elder. Each explores a range of emotional and familial tangles, as fathers betray their sons and squander their inheritances, siblings compete for parental affection, and husbands and wives try to salvage meaning from their broken marriages. The plays are written in Purdy's authentic idiom, which Paul Bowles called the closest [we have] to a classical American colloquial.

This is a story written from two different perspectives: one of a husband and one of a wife. Our individual lives started from two diverse worlds and combined to become one life in 1987. We considered ourselves the typical, normal suburban family. As we grew in our marriage and focused on raising our children, we were determined to do so with God in first place and the kids in church. Unfortunately, the circumstances of life came into play a few years into our marriage and developed into a near cataclysmic end to two wonderful relationships: Our marriage to each other and our marriage to Christ. Jeff and Suzanne Coulter have been married since 1987. Jeff Coulter was born in 1966 and is from Williamsburg, Ohio. A devout Christian throughout his early adulthood, Jeff reached a crossroad with the death of his mother in 1988 and found himself turning away from God. On April 22nd, 2014 Jeff was nearly killed in a head on collision. Beating the odds and surviving the crash, one week later Jeff suffered multiple pulmonary emboli. Only 1 out of 20 survive such a traumatic incident. Jeff slipped into a void of nothingness; the absolute absence of the presence of God. A void filled with demonic beings and symbolic icons of hell and death. Miraculously surviving the crash and emboli, God also delivered Jeff from alcoholism and chronic depression. Through it all there was his wife Suzanne at his side as if she belonged there by God's own invitation. Driving him along the way. Jeff has since rededicated his life to Christ and now dedicates himself to church ministries, online ministries and authoring diverse books. A company of settlers led by Ipheghenia, a High Priestess of Delphi, and her husband Phylatus approach an ancient Greek colony. The spirited company come into their own with opportunity to make independent fresh lives. They must now prepare to face and survive the challenges ahead to meet their own desires and expectations of a better life.

This book offers an original insight into a metaphysical interpretation of clues that biblical figures have left for modern man. Rev. Glenn Moore finds a unique and often humorous viewpoint as he looks at biblical figures such as Gideon, Daniel, and Legion and makes them so human and so like us.

The final part of an intensely erotic serial in the Loving on the Edge series. Perfect for fans of Fifty Shades of Grey.

When Love Dies is a refreshing, honest look at one woman's journey to the edge of divorce, her commitment to stay even though she didn't feel like it, and eventual rediscovery of the love that she thought died.

From New York Times bestselling author Talia Hibbert comes an electric, domestic, roommates-to-lovers romance between a whirlwind party girl and her uptight best friend...

Jasmine Allen believes in bad luck, great wine, and the seductive power of a stiletto heel. What she doesn't believe in is love. Her life is perfect without all that romance rubbish—until a plumbing disaster screws everything up and leaves Jas homeless. Luckily, she has someone to turn to: her best friend Rahul. For seven years, Rahul Khan has followed three simple rules. - Don't touch Jasmine if you can help it. - Don't look at her arse in that skirt. - And don't ever—ever—tell her you love her. He should've added another rule: Do not, under any circumstances, let Jas move into your house. Now Rahul is living with the friend he can't have, and it's decimating his control. He knows their shared dinners aren't dates, their late-night kisses are a mistake, and the tenderness in Jasmine's gaze is only temporary. One wrong word could send his skittish best friend running. So why is he tempted to risk it all? This book was previously published as Wanna Bet?. The Roommate Risk is a steamy, standalone, diverse romance. This book is 75,000 words of fluff, angst, and extreme pleasure, with NO cliffhangers, NO cheating, and a guaranteed HEA. Please be aware: this story contains themes of parental neglect and abandonment, parental death, and alcohol dependence that could trigger certain audiences.

New York Times Bestseller, Corinne Michaels, brings a sexy new standalone romance novel. I have two rules in life: 1. No relationships, falling in love or attachments. 2. No sleeping with clients of my interior design firm. Since the last guy turned out to be married, they've been easy to follow. Until him. Callum Huxley is a ridiculously sexy Brit, and the connection we have the moment our eyes lock scares the ever-loving hell out of me. Thank God I came to my senses before going back to his hotel where I would've ended up naked, panting, and unable to forget him. Thinking I walked away from that night unscathed was stupid. Sure enough, at the biggest meeting of my career waits the CEO of Dovetail Enterprises—him. It might be the most embarrassing moment of my professional life. And breaking my no-client rule might just be the hottest moment of my personal life. Learning to trust has never felt so good, but falling has never hurt so bad. *We do know that God is love and everything He does is out of His love for you. God's love is so glorious, magnificent, and splendid that He sent His son to die on the cross for you to free you from sin. God gave His son's life for yours. Jesus died so you could live. Romans 5:8 says, "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us." God shows His love for you by not only forgiving you of your sins, but by bringing you into His family. He has qualified you to share in His inheritance of the saints. (Col 1:12) This inheritance includes salvation, strength, hope, peace, comfort, wisdom, fellowship and so much more! God's love justifies your life and fills you with hope for the future. "For God so loved the world, that he gave his only Son, that whoever believes in Him should not perish but have eternal life." Death has no power over those who love and are loved by God. And that is you and that is me. Paul the Apostle says he does not believe that anything can separate us from the love of God. God loves you and your insecurities. He is teaching you how to love yourself and how to love others. He is showing you the true meaning of His agape love and what it means to truly be loved. Love is the greatest gift one could ever give, and it is the greatest gift one can ever receive. The bible says that out of faith, hope and love, love is the greatest of the three. You have that love. Romans 8:35-39 NKJV "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written: "For Your sake we are killed all day long; we are accounted as sheep for the slaughter." Yet in all these things we are more than conquerors through Him who loved us. For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord." God loves you in spite of your mistakes. You can mess up and God will still love you. Isn't that great to know that there is someone who loves you unconditionally? Get the book and be blessed!*

"Worthy A Friend" is a book written upon realizing that, most of the people often think that the causes of modern social problems, from divorce to homelessness and conflicts are overlooking something crucial: i.e. friendship; it appears that our societies are ignoring the importance of friendship. The philosophy behind "Worthy a Friend" is to help the world appreciate the reality that, "In poverty and other misfortunes of life, true friends are a sure refuge. It keeps the young out of mischief; it comforts and aids the old in their weakness and it incites the life to noble deeds." Friendship is vital for wellbeing and it is the only glue that can stick the world together, yet it takes time to develop and can't be artificially created. Worth A Friend is about carrying out personal "friendship audit" in order to recognize which friendships provide important things one needs, then to sharpen each friendship in line with its strength. It discusses how friendship can be a mirror of your own self, it adds that friendship is also important in politics and business because it "cultivates the virtues, such as creativity and compassion within a flourishing society." It concludes that if we cultivate friendship, we can "lift some of the burden from our apparently unhappy, isolated selves."
