

Magic Undying (Dragon's Gift: The Seeker Book 1)

In a world of suppressed magic, I'm an Unknown. Deadly power, little control. I'm only alive because I pay a Blood Sorcerer to keep me hidden. But when he comes to collect on the debt I can't pay, one of his goons slams me with a deadly curse. Suddenly, I'm out of options and out of time. When I'm given a rare chance to join the secretive Undercover Protectorate and train at their academy to become an investigator, I have a way to hunt the cure for the curse. They have resources I don't. Easy, since I'm broke. Seems like a good plan, right? At least, until they tell me Cade will be joining me on my hunt for the Blood Sorcerer. He's an actual Celtic war god--and the hottest guy I've ever seen. The catch? I can't let him know that I'm an Unknown, or I'm out on my ass and deader than Hades.

Tenoch knew peace long ago when the dragons three ruled over the evil, susceptible peoples. Now, however, the dragons are long since dead, and humans rule. For better or worse. The king is a broken sloth. The crowned princess doesn't want the throne. The prince is intellectually delayed. The younger princess is vain and spoiled. The queen committing adultery sets off a chain of reactions that will leave the world in a time of turmoil. Will peace ever return to the land?

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately.

A tranquil village. A poisoned cupcake. A murdered vicar. All clues point to the Toot Hansell Women's Institute, and DI Adams figures this will be an easy case. But she figured without the ladies of the W.I., never mind Beaufort Scales, High Lord of the Clovelly dragons... A cozy mystery for lovers of tea, humour, and dragons (obviously).

Being a FireSoul has its perks. Cass Clereaux can find any type of magical treasure or steal any magical power. She'll pick hunting treasure any day because she doesn't have to kill for it, but that doesn't mean she hasn't stolen powers before. She needs them to stay alive. A fight to the death is the least of what she can expect if other supernaturals find out what she is, so Cass has become an expert at lying low. When her friend is sucked into a magical portal, she's the only one with the power to help him. But what Cass uncovers is a danger greater than she'd ever imagined-and linked to her past in a way she'd never expect. Even worse, the portal puts her whole town at risk. As the threat grows, she must confront her fear of losing control over her new powers or lose any hope of saving hundreds of lives.

Bursting with humour and rich in detail, this re-imagining of a Senegalese folk tale is the perfect antidote to the woes of the world. 'A clever, exuberant mix of Caribbean and Senegalese influences' New York Times Paama's husband is a fool and a glutton. Bad enough that he followed her to her parents' home in the village of Makendha, but now he's disgraced himself by murdering livestock and stealing corn. When Paama leaves him for good, she attracts the attention of the undying ones - the djombi - who present her with a gift: the Chaos Stick, which allows her to manipulate the subtle forces of the world. Unfortunately, not all the djombi are happy about this gift. The Indigo Lord believes this power should be his and his alone, and he will do anything to get it back. Chaos is about to reign supreme. . . . The perfect antidote to the formula fantasies currently flooding the market.

Magic Wild: Guardian A clever, contemporary fairy-tale, a masterful, magical retelling of an African folk tale in a fresh, surprising and utterly original world. A fairy tale for the new generation, filled with spims, magic and touches of African and Caribbean folklore. Voice newspaper

Del Bellator has screwed up. Big time. She's failed to defeat her enemies the Shadows and has been forced to open a portal between Hell and Earth. Now, demons are flowing onto Earth as fast as lava down a volcano. And the effects are going to be just as deadly. With the help of her friends and her boyfriend, the powerful Warden of the Underworld, Del must find the portal and close it. And that's not even her biggest problem.

Thousands of demons are now on earth and Del has to figure out how to get rid of them and her enemies the Shadows--without ending up dead and bringing everyone else along with her.

A spectacular space opera debut perfect for readers of Ann Leckie's Ancillary Justice and Arkady Martine's A Memory Called Empire, inspired by the lives and loves of Cleopatra and Julius Caesar. Princess Altgracia has lost everything. After a bloody civil war, her twin sister has claimed not just the crown of their planet Szayet but the Pearl of its prophecy, a computer that contains the immortal soul of Szayet's god. Stripped of her birthright, Gracia flees the planet--just as Matheus Ceirran, Commander of the interstellar Empire of Ceiao, arrives in deadly pursuit with his volatile lieutenant, Anita. When Gracia and Ceirran's paths collide, Gracia sees an opportunity to win back her planet, her god, and her throne. If she can win the Commander and his right-hand officer over first. But talking her way into Ceirran's good graces, and his bed, is only the beginning. Dealing with the most powerful man in the galaxy is almost as dangerous as war, and Gracia is quickly torn between an alliance that fast becomes more than political and the wishes of the god--or machine--that whispers in her ear. For Szayet's sake, and her own, Gracia will need to become more than a princess with a silver tongue. She will have to become a queen as history has never seen before--even if it breaks an empire.

Magic will make you invincible. If it doesn't kill you first. In a world where magic is punishable by death, brothers Aric and Fadan stumble upon a mysterious, ancient book - A Manual of Magic. They are faced with a choice: take the book straight to the Emperor or see if one of them has the forbidden magical Talent. A decision that will change their lives, and the Empire itself, forever. The brothers are swept away, sent to opposite ends of the world, one to train as a Dragon Hunter while the other taps into magical powers that could spell his execution. Dark forces are moving in the shadows, and while the nobility whispers of rebellion, an ancient evil, long thought gone, is about to awaken. Can Aric and Fadan save the Empire? Will they survive to ever see each other again?

Most people only know one London: but what if there were several? Kell is one of the last Travelers--magicians with a rare ability to travel between parallel Londons. There's Grey London, dirty and crowded and without magic, home to the mad king George III. There's Red London, where life and magic are revered. Then, White London, ruled by whoever has murdered their way to the throne. But once upon a time, there was Black London...

Things aren't looking great for Cass Clereaux. For one, her greatest fear has come true. She's stuck in the Prison for Magical Miscreants while her nemesis, Victor Orriodor, is out in the world, putting the last pieces of his plan into place. He's wreaking havoc, all while she's stuck in a stone box, awaiting likely execution. Fortunately, Cass has just discovered that she's the most powerful Magica in the world. She may have no control over her massive new power, but that won't stop her from using it to break out of the world's strongest supernatural prison. As for how she's going to stop Victor when she gets out? She has no idea. To have any hope at success, Cass will have to learn to control her magic and figure out exactly what he's trying to accomplish. She's going to need all the help she can get if she wants to survive, much less save the world. Luckily for her, she's got Aidan Merrick and her sisters at her back, along with her allies in the League of FireSouls.

Saffya Morgan deals in all things supernatural--or so she thought. When a new client complains of unrelenting nightmares, she finds herself face-to-face with a demon unlike anything she has met before. It's immense, and its power only seems to be growing. Then, her best friend is kidnapped. In attempt to find her, Saffya begrudgingly teams up with her estranged sister's ex-boyfriend and her new client to dig deeper into the supernatural world she thought she knew. As if that wasn't bad enough, doing so puts her on the wrong side of a wicked order and a man whose motives aren't quite clear. As the town descends into chaos, Saffya is forced to confront the demon head-on. Unfortunately, her own magic has never been all that dependable.

I'm at the mercy of a fallen angel.I work for the Order of Magica, the supernatural version of the FBI. Sounds fun, right? Except I spend my days chained to my desk, writing reports, and wishing that I was out solving crimes. Well, be careful what you wish for. When my best friend is abducted, my life in Chicago turns upside down.I'll do anything to get her back-even work with Damian Malek, a wanted criminal, notorious crime lord, and dangerous fallen angel. He's hot, lethal, and he's the only one who can help me master my dangerous powers. I don't want anyone to know about my magic, but I have no choice if I want to save my friend.Here's the catch: if the Order finds out that I'm working with Damian, I'll get canned. Maybe even hunted for what I am. But if I don't give him what he wants, he'll reveal my secret to the world.

From leader of evil, to outcast, to wanting revenge, Kasdeya joins forces with the faeries in hopes of witnessing first hand the destruction of Abaddon. She'd forgotten what it felt like to be human, with a heart that could be broken. Now, she would fight alongside the very people she'd once tried to extinguish and find that being human came with its own treasures. Namely in the form of Detective Luke Marshal who saw through the darkness in Kasdeya and pulled her into the Light.The final battle has come. While the outcome will be in favor of the Light, many will perish and it is up to Kasdeya, Shayna, and Deema to make sure as few lives are lost as possible. In this final book in the trilogy of The Fate of the Faes, a group of brave warriors must stare evil in the face. No one will walk away unscathed. Can Kasdeya's heart remain true or will she return to the power of the dark? The fate of two worlds rests in her hands.

A chance to prove yourself and earn my place.Against all odds, I've snagged myself a spot at the elite Undercover Protectorate. It's basically a supernatural Scotland Yard, but in a castle. A dream come true.All I have to do is make it through their academy. No big deal. Except that I'm a magical nightmare, a supernatural with a strange brand of unknown dragon magic. When the Undercover Protectorate is attacked by a dark curse, it falls on me to solve the case and save the castle. I have the help of my friends and the sexy Celtic war god Cade. But if I don't figure out what's going on, I'll lose more than my place at the academy. I'll lose my life.Academy of Magic is a fast-paced urban fantasy adventure with a kick-butt heroine, a tough hero, and magic that will blow your socks off.

I'm supposed to be the Alpha's mate. Screw that. Since I was born, I was destined to be one thing-the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf. Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let him drive me from the town I love. Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street-deadly, sexy, powerful--I just walk by. Keep my head down. Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law. Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

At a glance, life is perfect for Del Bellator. She's getting the hang of her magic, the shop she runs with her friends is thriving, and she has a hot almost-boyfriend in the form of were-demon Roarke Fallon. But nothing is ever as it seems. Del's mysterious friend Draka is missing, and she's in more danger than Del could ever realize. When Del receives a clue about Draka's location, she sets off to save her. But a simple rescue mission turns into a game of cat and mouse that Del doesn't know how to win. Her enemies are in the shadows, pulling the strings, and it's all she can do not to fall into their grasp. It will take all of Del's magic-and all the help she can get from her friends and Roarke-to save not just her Draka's life, but her own. And the secrets she reveals along the way just might break her. Magic Undying features a kick butt heroine, a powerful hero, and otherworldly adventure.

Cvareh returns home to his sky world of Nova with the genius crafter Arianna as his temperamental guest. The mercurial inventor possesses all the Xin family needs to turn the tides of a centuries-old power struggle, but the secrets she harbors must be earned with trust -- hard to come by for Ari, especially when it comes to Dragons. On Nova, Ari finds herself closer to exacting vengeance against the traitor who killed everything -- and everyone she once loved. But before Ari can complete her campaign of revenge, the Crimson Court exposes her shadowed past and reveals something even more dangerous sparking between her and Cvareh. While Nova is embroiled in blood sport and political games, the rebels on Loom prepare for an all-out assault on their Dragon oppressors. Florence unexpectedly finds herself at the forefront of change, as her unique blend of skills -- and quick-shooting accuracy -- makes her a force to be reckoned with. For the future of her world, she vows vengeance against the Dragons. Before the rebellion can rise, though, the Guilds must fall.

Magic Undying

Luka's carefree existence as the spoiled son of a minor noble ended the day his family was arrested and imprisoned in the Eyeless Tower. His father, a political rival to the praetor of Camdno, would never live to see freedom again. Luka should have joined his father on the scaffold but fate - or the schemes of men - intervened. Escape came. Now Luka has a chance to thwart his persecutors until he can avenge his family. Beginning life again in a distant province, he takes a new name - Rideon. But the past he left behind won't stay buried. His father's old foe is determined to destroy him. Rideon finds help, only to discover a sinister purpose drives his mysterious allies. His recently acquired bow seems to be cursed by an evil spell. Worst of all, he has offended a powerful faction within the city of Selbius. The treacherous thieves' guild is out for his blood and their cunning thief king won't be satisfied until Rideon feels the wrath of his infamous blade. The only whisper of hope seems to come from the shadows of far away Dimmingwood. But can Rideon reach that haven, protect his young brother, and dodge all foes until his day of vengeance comes? Or will the traitors, thieves, and magickers surrounding him finish the deadly work his enemies began?

A Time of Turmoil

Where Magic is Born

I'm good at two things: finding treasure and killing demons. Lying low is a close third-but not because I have to be good at hiding. I have to be. I'm a FireSoul, one of the unlucky few to inherit a piece of the dragon's soul. Being born with the dragon's covetousness should be a sweet gig - I have the power to find and steal any type of treasure, including the powers of other supernaturals. But it doesn't come without a price - stealing powers requires that I kill, and others would destroy me if they discover what I am. In a world full of magic, hiding my species is the only way to survive. Finding magical artifacts is the only way to pay the bills. It's a dangerous job when you can barely use your magic, but that's one of the things I like about it. When Aidan Merrick, the most powerful shifter in the city, hired me to find an ancient scroll, I didn't want to take the job. His immense amount of power reminds me of too much of my mother's memories from a past I can't remember. But I don't have a choice. The scroll reveals what I am. And if anyone finds out, I'm dead.

It is said that when war threatens the world, one individual will be selected by prophecy to lead the Shadow Warriors out of the Land of Mist and reclaim the freedom which has been stolen. --Shanti has grown up under the constant threat of war. Since she helped her people defeat a raiding party by using a special power, she's been a hunted woman. Carrying rare abilities and an uncanny fighting aptitude, Shanti is the only hope of salvation for her people. The problem is, she doesn't believe in her own divinity, and when she founders, they nearly fall in the duty hanging so heavy on her shoulders.It seems like any other day when Sanders and his band of misfit boys find a foreign woman clinging to life in the wastelands. Obvious to the weapon they now have in their possession, they are content to harbor the mysterious woman until she is well enough to continue her journey. But when the war spreads its arms and lands on her borrowed doorstep, Shanti has no choice but to reveal her secrets, plunging her saviors into danger. If they band with her, they will face certain death. But to trade her to Xandre, the warlord desperate to add her to his war machine, would be to give up their entire way of life.

Dark Elf Chronicles Book One

In the city of Magica's Bend, I protect what's mine. To the world, I'm a feeble Conjurer. To my closest friends, I'm a dangerous Magica with unexplainable powers given to me by a dragon. The downside? If anyone discovers what I am, I'm dead. So I lay low- kicking ass with my weapons, not my magic. Things go to hell when I witness the murder of a powerful vampire ally and become the key suspect. Soon, I'm hunted by the sexiest, strongest supernatural I've ever met. Ares is an unheard of vampire hybrid, and it's hard to say if he wants to screw me or screw me over. I've got three days to catch the real killer. The bad news? It will take my forbidden magic to succeed. But can I control it, much less keep my secret with Ares watching my every move? I'm used to protecting others...now I have to protect myself. *This is an unofficial advance copy. It does not yet have the official cover.

Those with power never understand the terror they inspire... After a fierce battle, Sophia finds herself stranded with her mortal enemy in the wild world of Altheim. In a world where the position of its two suns and moons drastically warps the environment, Sophia must find a way to adapt to her surroundings while dragging along the dangerous outlaw magician that has eluded her for years. With violent anarchists, dangerous wildlife, and a lightning spewing dragon on their heels, Sophia must make an impossible decision if she is to survive the wondrous world where magic is born.

Waking up in hell was not Del Bellator's idea of a good time. She'd rather be back on earth, killing demons and hunting down magical treasure for her shop, Ancient Magic. Turns out that escaping hell is easy-it's staying out that's hard. Del's death magic defies the laws of the supernatural world. Worse-she doesn't know how to control it. If others learn what she is, it's guaranteed persecution by the Order of the Magica. And Del already has a deadly and forbidden secret-she shares a soul with a dragon. Things get sticky when Roarke Fallon, Warden of the Underworld, shows up on her doorstep wanting to drag her back to hell. He's a one of a kind shifter-the most powerful she's ever met-and he's set his sights on her. Helping him catch an escaped demon gives her an opportunity to win her freedom, but only if she teams up with Roarke. She'll have to use her forbidden magic to get the job done. And that is a recipe for discovery... and disaster. Magic Undying features a kick butt heroine, a powerful hero, and otherworldly adventure.

When myths become real, danger stalks White Haven. The Crossroads Circus has a reputation for bringing myths to life, but it also seems that where the circus goes, death follows. When the circus sets up on the castle grounds, Newton asks Avery and the witches to investigate. This proves trickier than they expected when an unexpected encounter finds Avery bound to a power she can't control. Strange magic is making the myths a little too real. As Avery grows weaker, and with time running out, Caspian is only too willing to help, and although Alex hates relying on him, he 'll do anything to save Avery. Shadow has her own agenda. When a mysterious stranger comes to town with a proposition, will she betray them when they need her most? The witches might stand a chance, if they can get the Raven King and Green Man on their side. Without them they 'll lose everything - and Avery will lose her life. If you love witches and magic, and lots of myth and mystery, you 'll love the sixth book in the White Haven Witches series. Grab your copy of Crossroads Magic now!

Aram Raythe has the power to challenge the gods. He just doesn't know it, and there are others who's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much, much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and yet, there are things he would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.

From the bestselling author of Sanctuary comes a thrilling Orwellian vision of Britain, with a rebellious Hunger Games heart. Gilded Cage is the astonishing debut novel by Vic James, and the first title in her electrifying The Dark Gifts Trilogy. A modern Britain. An age-old cruelty. Britain's magically skilled aristocracy compels all commoners to serve them for ten years -- and now it's the Hadleys' turn. Abi Hadley is assigned to England's most ruthless noble family. The secrets she uncovers could win her freedom -- or break her heart. Her brother Luke is enslaved in a brutal factory town, where new friends' ideals might cost him everything. Then while the elite vie for power, a young aristocrat calls for the Keepers of legend to save Queensland. It's kill or be killed when fighting the gods. Life is full of good and bad. Good - I've rescued my sister. Bad? - We're being hunted by the Rebel Gods, powerful beings who are determined to kill us-and cause the end of days. So yeah, that's real bad. It's up to me to find them and kill them before they destroy life as we know it. To do that, I have to finish my transition to DragonGod and master my magic. It'll require a deadly adventure through the realms of myth, but with help from my sisters and the sexy war god Cade, I might have a chance. To succeed, we'll have to unite old and new friends in the battle of a lifetime.

From the bestselling author of Sanctuary comes a thrilling Orwellian vision of Britain, with a rebellious Hunger Games heart. Gilded Cage is the astonishing debut novel by Vic James, and the first title in her electrifying The Dark Gifts Trilogy. A modern Britain. An age-old cruelty. Britain's magically skilled aristocracy compels all commoners to serve them for ten years -- and now it's the Hadleys' turn. Abi Hadley is assigned to England's most ruthless noble family. The secrets she uncovers could win her freedom -- or break her heart. Her brother Luke is enslaved in a brutal factory town, where new friends' ideals might cost him everything. Then while the elite vie for power, a young aristocrat calls for the Keepers of legend to save Queensland. Too bad all they've got is one man haunted by his past, another who's a failure at magic, and an untrained girl. Mallon the Undying's reign of terror ended eight years ago when he entered the elven wood and never returned. The country of Queensland has shakily returned to normal, and the Keepers who helped defend her have returned to their own pursuits as historians, storytellers, and students of magic. But Mallon's moniker was truer than anyone knew. His followers still work to keep his ruthless ideas alive by abducting powerful children, sowing discord among the people, and nibbling away at Queensland's borders.Unfortunately, the only Keepers left between Queensland and destruction are: -Alaric, who betrayed everything he believed to save his wife - and still failed.-Will, a storyteller who's convinced his weak magic makes him useless.-And Sini, a former slave girl with unimagined power but no way to wield it.With the help of unsettling elves, gruff dwarves, sentient stones, and magical swords, Alaric, Will, and Sini will have to find a way to overcome their own weaknesses and face the growing shadows.Can the Keepers survive being hunted by dragons, attacked by frost goblins, and deceived by wizards?Or will Mallon's forces of destruction overwhelm them and the land they love?The complete trilogy of The Keepers Chronicles includes: A Threat of ShadowsPursuit of ShadowsSiege of Shadows

With the Shadows from her past hot on her tail, Del Bellator is committed to growing her magic. That means hunting demons and stealing their powers, a job that's as risky as dancing with the devil. But she'll need all the power she can get if she wants to defeat the Shadows, so she's willing to take the risk. While out on a demon hunt, she spots her boyfriend Roarke's long-lost brother. He's the only person who could tell her what the Shadows are up to. But only if only she can catch him.As she and Roarke set off to track his brother, things get darker and deeper than they'd ever expected. The Shadows have hatched a world-ending plot with Del at the center. Worse, they're smarter and stronger than she and her whole team combined. It'll take everything they have--and more--to find a way out of the Shadow's web, particularly when Del learns that she's been prophesied to fall.
