

Magisterium: The Copper Gauntlet (Magisterium Series Book 2)

Wade is desperate for revenge. But how far is she ready to go? Craig will do anything to prove he's not a wimp. Anything at all. And Andrew thinks he's really going to love Fright Camp.

In the domed city of Evanesence, appearance is everything. A Natural Born among genetically altered Aristocrats, all Ella ever wanted was to be like everyone else. Augmented, sparkling, and perfect. Then...the crash. Devastated by her father's death and struggling with her new physical limitations, Ella is terrified to learn she is not just alone, but little more than a prisoner. Her only escape is to lose herself in Nexis, the hugely popular virtual reality game her father created. In Nexis she meets Guster, a senior player who guides Ella through the strange and compelling new world she now inhabits. He offers Ella guidance, friendship...and something more. Something that allows her to forget about the "real" world and makes her feel whole again. But when their separate worlds collide, Ella will have to choose between love and survival. Because Nexis isn't quite the game everyone thinks it is. And it's been waiting for Ella.

A fairy-tale with a dark twist from Holly Black, bestselling author of The Spiderwick Chronicles and The Cruel Prince. Sixteen-year-old Kaye is a modern nomad. Fierce and independent, she travels from city to city with her mother's rock band, until an ominous attack forces them back to her childhood home. To the place where she used to see Faeries. They're still there. But Kaye's not a child anymore and this time she's dragged into the thick of their dangerous, frightening world. A realm where black horses dwell beneath the sea, desperate to drown you . . . where the sinister Thistlewitch divines dark futures . . . and where beautiful faerie knights are driven to perform acts of brutal depravity for the love of their uncaring queens. Once there, Kaye finds herself an unwilling pawn in an ancient power struggle between two rival faerie kingdoms - a struggle that could end in her death . . . Perfect for fans of Sarah J. Maas, Cassandra Clare and Stephanie Garber. Also by Holly Black: The Spiderwick Chronicles: The Field

A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won't be taking with me. The notebooks are a lifetime's worth of knowledge, which I'm passing on to you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy's knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You'll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous snakes on the planet)—all told in lyrical prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with

"This beautifully illustrated slice-of-life tale that shows two young women of color getting to know each other and creating a relationship is so warm and charming that readers will hardly notice how much they are learning about how to better interact with folx who are different from themselves and the importance of not making assumptions." -- Kirkus Reviews "...soft, expressive art adds a visceral charge to the couple's very human experiences, which range from excitement and affection to pain and doubt." -- Publisher's Weekly "This wholesome plot focuses on building understanding, offering mutual support, and budding self-acceptance, as well as the importance of asking rather than making assumptions; avoiding othering; and regarding all those in one's orbit with compassion...A charming, sensitive story of love and acceptance." --School Library Journal " In a technologically advanced near future, two young women bumble through their first dates and fights together as they enjoy the exhilaration of new love....Always Human by Ari North is an endearingly feel-good sapphic romance set against a diverting futuristic backdrop." --Samantha Zaboski, Shelf Awareness First serialized on the popular app and website WebToon, Always Human ran from 2015-2017 and amassed over 76,000 unique subscribers during its run. Now reformatted for a print edition in sponsorship with GLAAD, Always Human is a beautifully drawn graphic novel about a developing relationship between two young women in a near-future, soft sci-fi setting. Always Human is drawn in a manga-influenced style and with an incredible color palette that leaps off the page! In the near-future, people use technology to give the illusion of all kinds of body modifications-but some people have "Egan's Syndrome," a highly sensitive immune system that rejects these "mods" and are unable to use them. Those who are affected maintain a "natural" appearance, reliant on cosmetics and hair dye at most to help them play with their looks. Sunati is attracted to Austen the first time she sees her and is drawn to what she assumes is Austen's bravery and confidence to live life unmodded. When Sunati learns the truth, she's still attracted to Austen and asks her on a date. Gradually, their relationship unfolds as they deal with friends, family, and the emotional conflicts that come with every romance. Together, they will learn and grow in a story that reminds us no matter how technology evolves, we will remain . . . always human. Rendered in beautiful detail and an extraordinary color palette, Always Human is a sweet love story told in a gentle sci-fi setting by a queer woman cartoonist, Ari North.

In book three of the Curse Workers series, "the perfect end to this gem of a trilogy" (Kirkus Reviews, starred review), trust is a

priceless commodity and the lines between right and wrong become dangerously blurred. Cassel Sharpe knows he's been used as an assassin, but he's trying to put all that behind him. He's trying to be good, even though he grew up in a family of con artists and cheating comes as easily as breathing to him. He's trying to do the right thing. And he's trying to convince himself that working for the government is the right choice, even though he's been raised to believe they are the enemy of all curse workers. But with a mother on the lam, the girl he loves about to take her place in the Mob, and all new secrets coming to light, what's right and what's wrong become increasingly hard to tell apart. When the Feds ask him to do the one thing he said he would never do again, he starts to wonder if they really are the good guys, or if it's all a con. And if it is, Cassel may have to make his biggest gamble yet—on love. Love is dangerous and trust is priceless in Holly Black's "powerful, edgy, dark" fantasy series (Publishers Weekly).

From NEW YORK TIMES bestselling authors Holly Black and Cassandra Clare comes a riveting new series that defies what you think you know about the world of magic. Most kids would do anything to pass the Iron Trial. Not Callum Hunt. He wants to fail. All his life, Call has been warned by his father to stay away from magic. If he succeeds at the Iron Trial and is admitted into the Magisterium, he is sure it can only mean bad things for him. So he tries his best to do his worst - and fails at failing. Now the Magisterium awaits him. It's a place that's both sensational and sinister, with dark ties to his past and a twisty path to his future. The Iron Trial is just the beginning, for the biggest test is still to come . . . From the remarkable imaginations of bestselling authors Holly Black and Cassandra Clare comes a heart-stopping, mind-blowing, pulse-pounding plunge into the magical unknown.

"A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is Friday Night Lights meets The Time Traveler's Wife and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

A spooky stand-alone middle-grade novel from Dan Poblocki, perfect for fans of John Bellairs and Mary Downing Hahn.

On one side of the Rift is a technological paradise without famine or want. On the other side is a mystery. Sixteen-year-old Glenn Morgan has lived next to the Rift her entire life and has no

idea of what might be on the other side of it. Glenn's only friend, Kevin, insists the fence holds back a world of monsters and witchcraft, but magic isn't for Glenn. She has enough problems with reality: Glenn's mother disappeared when she was six, and soon after, she lost her scientist father to his all-consuming work on the mysterious Project. Glenn buries herself in her studies and dreams about the day she can escape. But when her father's work leads to his arrest, he gives Glenn a simple metal bracelet that will send Glenn and Kevin on the run---with only one place to go. With MAGISTERIUM, Jeff Hirsch brings us the story of a complex, captivating world that will leave readers breathless until the very last page.

From #1 New York Times bestselling author Holly Black comes the “dangerously, darkly gorgeous” (Cassandra Clare) Curse Workers trilogy, now together in one beautiful bind-up! Cassel Sharpe comes from a family of curse workers, people who have the power to change emotions, memories, and luck with the slightest touch of their hands. And since curse work is illegal, they’re also all criminals. Many become mobsters and con artists, but not Cassel. He doesn’t have magic, so he’s an outsider, the straight kid in a crooked family—except for the small detail that he killed his best friend, Lila, three years ago. Cassel has carefully built up a facade of normalcy, blending into the crowd. But his facade starts to crumble when he finds himself sleepwalking, propelled into the night by terrifying dreams about a white cat that wants to tell him something. He’s noticing other disturbing things, too, including the strange behavior of his two older brothers, who are keeping secrets from him. As Cassel begins to suspect he’s an unwitting pawn in a huge con game, he must unravel his past, and his memories. To find the truth, Cassel will have to out-con the conmen. This magical bind-up includes: White Cat Red Glove Black Heart
