Mommy Far, Mommy Near

Presents a guide to nearly 27,000 children's picture book titles grouped in over 1,200 subjects and indexed by author, title, and illustrator.

A sweet and loving story for children about the Mommy & Baby/Child family structure, where a

woman chooses to have a child on her own. It lovingly explains to children how a woman can have a child even if there is not a special man in her life. Told by the main character - a young boy around 6 years old - the messages are age-appropriate and positive, delivered in a simple, straightforward fashion, as told from one child to

appreciation. Honoring how "every story is unique and special about how a baby came to be," children will learn: how a woman can have a child even if there is not a special man in her life; how much the main character's mommy wanted and loves him and how there are so many others who love him, too; that there are
