

## More Than My Words (Guarding The Gods Book 3)

Guards at the Gate will take the reader on a fast-paced trip from the thought of our Founding Fathers to the thoughts of today's leaders. The ideas being projected today toward our youth, our families, and our country would literally have the Pilgrims, Washington, Franklin, Jefferson, Madison, Abraham Lincoln, General Patton, Eisenhower, John F. Kennedy, Martin Luther King, Ronald Reagan and many more, spinning in a tornado in their graves. If you truly value freedom, if America means to you what it does to me, then Guards at the Gate is the book for you!

Musium Books presents to you this unique SF collection, designed and formatted to the highest digital standards and adjusted for readability on all devices. H. G. Weinbaum: Stories from the Solar System Abraham Merritt: The Moon Pool The Metal Monster| Hyne: The Lost Continent How did ordinary women, like their male counterparts, become capable of brutal violence during the Holocaust? Cultural historian Elissa Malinöder examines the daily work of twenty-eight women employed by the SS to oversee prisoners in the concentration and death camp Majdanek Lublin in Poland. Many female SS overseers in Majdanek perpetrated violence and terrorized prisoners not only when ordered to do so but also on their own initiative. The social order of the concentration camp, combined with individual propensities, shaped a microcosm in which violence became endemic to workaday life. The author's analysis of Nazi records, court testimony, memoirs, and film interviews illuminates the guards' social backgrounds, careers, and motives as well as their day-to-day behavior during free time and on the job,) as they supervised prisoners on work detail and in the cell blocks, conducted roll calls, and (selected) girls and women for death in the gas chambers. Scrutinizing interactions and conflicts among female guards, relations with male colleagues and superiors, and internal hierarchies, Female SS Guards and Workaday Violence shows how work routines, pressure to (resolve problems,) material gratification, and Nazi propaganda stressing guards' roles in (creating a new order) heightened female overseers' identification with Nazi policies and radicalized their behavior.

*Historian G. Ward Hubbs first encountered the Confederate soldiers known as the Greensboro Guards through their Civil War diaries and letters. Later he discovered that the Guards had formed some forty years before the war, soon after the founding of the Alabama town that was their namesake. Guarding Greensboro examines how the yearning for community played itself out across decades of peace and war, prosperity and want. Greensboro sprang up as a wide-open frontier town in Alabama's Black Belt, an exceptionally fertile part of the Deep South where people who dreamed of making it rich as cotton planters flocked. Although prewar Greensboro had its share of overlapping communities—ranging from Masons to school-improvement societies—it was the Guards who brought together the town's highly individualistic citizenry. A typical prewar militia unit, the Guards mustered irregularly and marched in their finest regalia on patriotic holidays. Most significantly, they patrolled for hostile Indians and rebellious slaves. In protecting the entire white population against common foes, Hubbs argues, the Guards did what Greensboro's other voluntary associations could not: move citizens beyond self-interest. As Hubbs follows the Guards through their Civil War campaigns, he keeps an eye on the home front: on how Greensborians shared a sense of purpose and sacrifice while they dealt with fears of a restive slave populace. Finally, Hubbs discusses the postwar readjustments of Greensboro's veterans as he examines the political and social upheaval in their town and throughout the South. Ultimately, Hubbs argues, the Civil War created the South of legend and its distinctive communities.*

*This book will examine a person's walk with Jesus when facing an insurmountable problem. What would make you act in a non-Christian way. What would push you to do that? The premise for writing this book was that I asked myself that very question. I had to reach deep into my soul to come up with a scenario that would make me react in a non-Christian, uncivilized manner. Did I find out what would be? Yes, there were several to choose from, but I keyed in on one. This is a fictional story, but it could be a fit for more people than you may think. This story includes crime, prison, and people that may or may not judge what was done. This story revolves around a man and his family, a devout Christian, who loves Jesus with all his heart, mind, and spirit. Just what did it take for him, for a short time, to give that up? The question that I hope you will pose to yourself after reading this book is . . . what would you do?*

*The corporate greed of Wall Street meets the Hitchcockian suspense of North by Northwest in this thrilling debut by screenwriter Mark Hosack (The Good Spy Dies Twice). One day Paul Majors is a respectable businessman looking into some accounting irregularities in his office's parent company. The next he's wading through a murky world of dark finance, uncovering a vast web of illegal activities in the CEO's executive circle, being hunted by a ruthless corporate assassin and the FBI, and getting sucked into a second company's illicit dealings. As he travels across the United States to unravel the twin mysteries he's caught in, it's not clear who Paul can trust—or even who is who. The woman who seduced him at the hotel bar might be there to help, or take him out. The government agents change with a chameleon's ease. Heck, even Paul's running around under an assumed name! In this corporate shell game of names and motivations, Paul's got 1,500 loyal employees—and his own life—on the line. But it's becoming dangerously clear that Paul himself is not Too Big to Fail...or to be killed.*

*If the meek can become deadly, the strongest can be weak. For Ethan Holloway, his mission to find a missing werewolf should be simple. Crack a few heads, bust a few chops and the solution always reveals itself. Always. Not this time. Ethan's reputation precedes him, and because it does, someone is ready. Waiting. Unbeknownst to Ethan, he's about to go down. Hard. Against a foe he never suspected and in a world he never imagined could be real. What awaits Ethan is a fight not only for his reputation, but also his pack, his female, and his life. If he survives, damage control will become priority number one. If he survives. Because even Ethan's not sure he's strong enough to take on an entire race all by himself. Especially one hell bent on exposing who and what he is in the name of sport.*

Can an orphan, with only her Mustang and a Cossack sword, survive alone on the frontier? From the deserts of Utah, through the gold mines of California, to the turbulent wilderness of Colonial New Zealand, Aleksandra rides, loves, and fights—with only her Cossack skills to keep her alive. \*\* From multiple award winning author Lizzi Tremayne \*\* This book contains three of the following books! A LONG TRAIL, ROLLING A dangerous job. Is it a convenient escape route... or a death trap? Winner of: True West 2016 Best Western Romance Writers of New Zealand; 2014 Pacific Hearts Award and 2015 Koru Award UTAH TERRITORY, 1860. Alone, Aleksandra has spent her whole life training for the inevitable. So when a brutal Cossack tracks down and kills her father, she knows what she must do. Now orphaned, she flees, disguised as a Pony Express rider, in an attempt to keep her pa's killer from discovering their family's secret. Xavier has kept the world, especially women, at arms-length since he ran from his troubles as heir to his California rancho family. As a Pony Express Station Keeper, having a girl riding the Pony out of his station wasn't ever part of his plans... but somehow it happened, blackmail being what it is. Curiously, he didn't want to let this one out of his sight. They begin to let each other into their hearts, but the cards are stacking against them as the minutes tick by and Aleks rides full speed into the Indian Paiute War. Can't learn to trust in time to escape the Indians, evade the killer, and save both their love and Aleksandra's family legacy? A Long Trail Rolling is the first book in the sensational Long Trails historical fiction series. THE HILLS OF GOLD UNCHANGING As the Civil War rages, secessionists menace California. The Confederates want the state and they'll stop at nothing to take it. UTAH TERRITORY, 1860 On a wagon train headed for Xavier's family rancho in the Golden State, Aleksandra makes a dangerous enemy of a gun-running Confederate when she fights her way out of his unwelcome embrace. After a late-night poker game, Xavier's new friends realize he's heard too much to be allowed to live. Embroiled in the Confederates' fight to drag the new state from the Union and make it their own, can Aleks and Xavier survive? The secessionists mean business. The Hills of Gold Unchanging is the second book in the outstanding Long Trails historical fiction series. A SEA OF GREEN UNFOLDING They sail for the peace and calm of New Zealand, but they hadn't counted on murderers, mutineers, and a land war in paradise. SAN FRANCISCO BAY AND NEW ZEALAND, 1863. Aleksandra and Xavier have finally found happiness on their Rancho de las Pulgas, but tragedy and death strike far too soon. Sickened further by the U.S. government's treatment of their Native American friends, they only want out. Of everything. They are thrown a lifeline by an old friend of Xavier's from the California goldfields. This Gustavus von Tempky, with his shadowed past, is now a newspaperman in Coromandel, New Zealand. His invitation draws them to a new start, with a trap to play in the development of the peaceful young country—but by the time they arrive in Aotearoa, everything has changed. Aleks thought mutineers and scoundrels abound shd were the worst of their worries, but she hadn't planned on disembarking into a turbulent wilderness and befriending the helpful local Māori, only to find von Tempky leading the colonial troops into the bush against the natives whom she saved her life. A Sea of Green Unfolding is the third book in the fantastic Long Trails historical fiction series. If you like bold women, authentic multicultural settings, and a dash of Old West romance, then you'll love Lizzi Tremayne's fast-paced adventures! Still mourning the loss of their dear friend, Mikael's team returns to Rimstak. Their goals: find the Controller, discover the Truth about the Raengal, and foil the plans of Liegan and the Revs. Meanwhile, Narrator Number Two is hot (well, lukewarm) on the trail of discovering the true identity of Liegan. With the aid of a maddening Dreamer and a member of the Rims Security Force's finest, he won't stop until he finds out which of the Elsewhere Dreamers, past or present, is responsible for messing with his best friend. A shaken One continues to try his best to help his friends, but will it be enough to make a difference with everything going out of control?

The classic account of the final offensive against Hitler's Third Reich -- newly in print for the 50th anniversary of VE Day. The Battle for Berlin was the culminating struggle of World War II in the European theater, the last offensive against Hitler's Third Reich, which devastated one of Europe's historic capitals and brought the Nazi leviathan to its downfall. It was also the war's bloodiest and most pivotal moments, whose outcome would lay a part in determining the complexion of international politics for decades to come. The Last Battle is the compelling account of this final battle, a story of brutal extremes, of stunning military triumph alongside the stark conditions that the civilians of Berlin experienced in the face of the assault. As always, Ryan delves beneath the military and political forces that were dictating events to explore the more immediate questions of survival, where, as the author describes it, "to eat had become more important than to love, to burrow more dignified than to fight, to exist more militarily correct than to win." The Last Battle is the story of ordinary people and soldiers and civilians, caught up in the despair, frustration, and terror of defeat. It is history at its best, a masterful illumination of the effects of war on the lives of individuals, and one of the enduring works on World War II.

Anti-Int! Anti-Int! Day One, a Modern Parable

A new naval history or, Complaint view of the British Marine, etc.

All 's fair in war. But what about love? If you liked the Kushiel series or The Priory of the Orange Tree, check out this sweeping epic starring a bisexual warrior princess with a taste for dominance! Valya is a warrior. It is her strong will that holds the steppe, the freest, wildest, most war-like of the provinces of Zem' , and it is her strong sword that defends it from raiders. But now, as a growing demand for Zemnian slaves threatens her people, a call from the Empress in Krasnograd requires Valya to leave her native land behind and take up her other duty, as unpopular heir to the Wooden Throne. In order to save her beloved Zem' from the enemies both outside and inside its borders, Valya must find out what secrets her sister princesses are keeping, face up to her scandal-ridden past, and woo the son of the woman she hates most in the world. Valya believes that all is fair in war, but in love she 's not so sure. With the fate of her family and her country riding on her shoulders, though, there may not be time for scruples. A continuation of the story begun in the award-winning novels The Midnight Land and The Breathing Sea, The Dreaming Land I: The Challenge is the first installment of the concluding trilogy of this epic saga about the matriareal world of Zem' , where trees walk, animals talk, and women rule. This subversive blend of high fantasy and literary fiction will appeal to fans of classical Russian literature and contemporary fantasy alike. With discussion questions at end. Reading order of the Zemnian Series: The Zemnian Series: Slaava 's Story The Midnight Land I: The Fight The Midnight Land II: The Gift The Zemnian Series: Dasha 's Story The Breathing Sea I: Burning The Breathing Sea II: Drowning The Zemnian Series: Valya 's Story The Dreaming Land I: The Challenge The Dreaming Land II: The Journey The Dreaming Land III: The Sacrifice Twenty Years After (1845), the sequel to The Three Musketeers, is a supreme creation of suspense and heroic adventure. Two decades have passed since the musketeers triumphed over Cardinal Richelieu and Milady. Time has weakened their resolve, and dispersed their loyalties. But treasons and stratagems still cry out for justice: civil war endangers the throne of France, while in England Cromwell threatens to send Charles I to the scaffold. Dumas brings his immortal quartet out of retirement to cross swords with time, the malevolence of men, and the forces of history. But their greatest test is a titanic struggle with the son of Milady, who wears the face of Evil. In his Introduction to this edition David Coward sets both the author and his exciting tale in their historical and cultural contexts. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. She is a healer, a storyteller, and a warrior. When Britain is faced with threats both old and new, the strength of her love may be the kingdom 's downfall. . . or salvation. Their love has overcome endless obstacles. Never ones to shy away from danger, former High Queen Isolde and Trystan, a mercenary with a lonely and troubled past, have already endured a perilous journey to keep the underhanded Lord Marche from the throne of Britain. But now a new traitor lurks amongst the Kings on Britain 's High Council—and just when they've realized the depth of their love for each other, a new danger calls Trystan from Isolde 's side to test the strength of their secret marriage vow. Only Isolde knows that she is carrying Trystan 's unborn child. As Britain 's armies prepare for a final battle in which they will either turn back the tide of the invaders or see their kingdom utterly destroyed, Isolde undertakes yet another daunting mission—one that will bring her even nearer to the secret that Trystan has kept for so long years. As the clouds of war gather, Trystan and Isolde must once again fight to protect Britain 's throne. Together, they hold the key that can defeat the Saxon king, Octa of Kent, and Lord Marche. But the cost of Britain 's sovereignty may be their own forbidden love. Based on the earliest written version of the Arthurian tales, Anna Elliott 's Sunrise of Avalon breathes new life into an age-old legend and brings the story of Trystan and Isolde to an unforgettable end.

The Dreaming Land I

A Weekly Journal

*The Guards Brigade consisted of three battalions, the 3rd Grenadier Guards, 1st Coldstream Guards and 1st Scottish Fusilier Guards (as the Scots Guards were then known). The book opens with a resumé of the causes of the War and an analysis of the woeful disorganization of the Army, in contrast to the efficiency of the Royal Navy. The Brigade's performance in the major battles (Alma, Inkerman etc.) is examined. The author describes the Russians' plans, the ground and conditions experienced by the long suffering troops. The roles and abilities of the various commanders, often found wanting, is fascinatingly treated. After the war was over, the return home and parades are described.*

*The true story of the Gunpowder Treason and Plot, told for the first time. Events leading up to the 5th November show categorically that Robert Cecil was behind the scheme and that it was a government plan to discredit and destroy the Catholic elite in England.*

*Tales of Hawk Carse one of the greatest of space adventurers.Includes the following stories: Hawk CarseAffair of the BrainThe Buff of the HawkThe Passing of Ku SuiExcerptHawk Carse came to the frontiers of space when Saturn was the frontier planet, which was years before the swift Patrol ships brought Earth's law and order to those vast regions. A casual glance at his slender figure made it seem impossible that he was to rise to be the greatest adventurer in space, that his name was to carry such deadly connotation in later years. But on closer inspection, a number of little things became evident: the steadiness of his light gray eyes; the marvelously strong-fingered hands; the wiry build of his splendidly proportioned body. Summing these things up and adding the brilliant resourcefulness of the man, the complete ignorance of fear, one could perhaps understand why even his blood enemy, the impassive Ku Sui, a man otherwise devoid of every human trait, could not face Carse unmoved in his moments of cold fury.His name, we know, enters most histories of the period 2117-2148 A. D., for he has at last been recognized as the one who probably did most--unofficially, and not with the authority of the Earth Government--to shape the raw frontiers of space, to push them outward and to lay the foundations of the present tremendous commerce between Earth, Vulcan, Pluto, Neptune, Uranus, Saturn and Jupiter. But, little of his fascinating character may be gleaned from the dry words of history; and it is Hawk Carse the adventurer, he of the spitting ray-gun and the phenomenal draw, of the reckless space ship maneuverings, of the queer bangs of flaxen hair that from a certain year hid his forehead, of the score of blood feuds and the one great feud that jarred nations in its final terrible settling--it is with that man we are concerned here.A number of his exploits never recorded are still among the favorite yarns spun by lonely outlanders in the scattered trading posts of the planets, and among them is that of his final encounter with Judd the Kite. It shows typically the cold deadliness, the prompt repaying of a blood debt, the nerveless daring that were the outstanding qualities of this almost legendary figure.It began one crisp, early morning on Iapetus, and it ended on Iapetus, with the streaks of ray-guns searing the air; and it explains why there are two square mounds of soil on Iapetus, eighth satellite of Saturn.*

Anti-Int! Anti-Int! Day One, revives an ancient art form, the parable, to weave a modern mystery in four parts. At the heart of the mystery that unites artificial intelligence, genetic warfare and genocide into an entirely plausible context is 15-year-old Nicole Dee Showalter, a biracial girl from a small southern town, a nobody until she becomes the active carrier of a contagious disease that modifies the human genome. She is now on trial for a capital crime she allegedly committed when she was a teen. Four years beyond 15, she is in her 40s, aging quickly from her infection and fighting not just for her life but for the lives of countless humans who carry the latent germ she circulated. The parable is full of dark moments and sayings told in a well-lit courtroom. Day One is the first installment of four.

Waking up with no memory is scary enough. Even worse, Lesley knows she is in danger, but her memory won't let her remember from what or whom.

New Monthly Magazine

New Manual Exercise as performed by His Majesty's Dragoons, Foot-Guards, Foot, Artillery, Marines, and by the Militia ... Second edition, entirely corrected and enlarged. [With plates.]

Sunrise of Avalon

Guards, Hussars and Infantry

Twenty Years After

The Fourth in the Honor Series When you're the president's daughter and the closest thing the country has to a first lady, your life is never really your own. When you're the woman charged to guard the first daughter, and you also happen to be her lover, every moment of every day is filled with challenges—and a mistake could cost you everything. Unbeknownst to either Blair Powell or Secret Service agent Cameron Roberts, they are at the center of a conspiracy that will rock the world when a net of violence and death draws down upon them and the nation. In a journey that begins on the streets of Paris's Left Bank and culminates in a wild flight for their lives, the president's daughter and those who are sworn to protect her wage a desperate struggle for survival.

For readers of WE HUNT THE FLAME and EVERLESS, in ROOTS OF BLOOD, blood is currency and allies come from the unlikelyst of places. Nym is the last living nymph in the province of Galia, and Jay is out for her blood. Her people have been hunted to near-extinction for the healing properties in their bodies. She's supposed to be Jay's solution to everything. Instead, Jay's convictions war with his loyalties and he saves her from certain death, becoming a mercenary on the run in the process. Nym knows she can't trust him — she has the scars to prove it — but she has no other choice. Jay is her only option, and his only option is to return home from banishment, risking imprisonment and even death, if he wants to keep them both safe.

Zac Mulligan is a former Marine now providing personal security for the infamous rock band, Black Ice. Seeing all the guys around him in committed relationships reminds him of his childhood best friend . . . the only person Zac has never managed to get out of his head or his heart. Ben Holland is an artist. Falling deeply in love with his best friend in his teens, Ben is left alone when Zac leaves him for the military. Ben heads off to college and lives his life "out and proud" as a gay man and creates a brand name for himself with his artwork. Throughout all the years that pass, Ben never forgets his childhood friend, Zac, or the feelings they once shared. Zac realizes a decade is too long for Ben not to have a presence in his life and finds Ben living on Cape Cod where they spent their summers as kids. Meeting each other as adults stirs up a lot of memories for both of them. Zac is looking for a mulligan, a "do over," with his childhood best friend. The question is: Can Ben find a way to put aside his old hurts and fully open his heart to Zac for a second time? Or maybe the past is something better left buried on the beach where it all began.
