

Multiplication (Flash Kids Flash Cards)

Help students get a firm grasp of time and money concepts while having fun! Each booklet of math practice, and includes enrichment activities for parents and children.

These bold, bright flash cards are a great way to help children learn their times tables. Children write their answers with the special pen provided, then wipe clean and repeat. Cards are color-coded to help children find a particular table, and the cards can be shuffled and selected randomly as children's confidence grows. 132 cards include all the times tables up to 12x12. Opportunities to say, hear and write times tables appeal to a range of learning styles. Comes with a special wipe pen that is easy to wipe off the shiny cards.

Multiplication Flashcards Write and Wipe!

Write on, wipe off ... and let the learning begin again! Multiply your math skills! Kids can master multiplication by completing the equations on each colorful write-on wipe-off card. Just one quick sweep of the pen's eraser and the marks are gone, so you're ready to practice again. Because the cards are color coded to indicate difficulty, kids can work their way up as they master harder and harder problems. The pack includes 40 cards,

plus a pen.

Spectrum Multiplication Flash Cards help build arithmetic skills. With fluency drills and visual models within 100, children ages 8 and up build math fact knowledge and a deeper understanding of multiplication concepts. Spectrum Flash Cards support the skills your child needs to know. Each 100-card set addresses essential skills for early childhood education. Letters & Numbers and Colors & Shapes help young learners grasp early math and reading concepts. First Words build reading readiness through word-image association, while Sight Words help students identify high-frequency words in their reading. Addition, Subtraction, Multiplication, and Division build knowledge of math facts and place value strategies, laying the groundwork for more advanced math concepts. Aligned to current state standards, Spectrum Flash Cards are a valuable and engaging supplement to the Spectrum workbook series.
