*was the last time most of us would see her but we didn't know that then. Aida is the defining rock star of her age; her every move observed, examined and owned by a devoted, cultish fanbase. When she disappears without a trace into a complicated love affair they are determined to find her, uncover her truths and own her once more. Aida and Ehsan reconnect after a decade apart, hoping to recapture the innocent, lost love of their youth. Before long, their connection is strained by secrets and jealousies and the past begins to blur with their present as they follow in the footsteps of mythic lovers before them. The*

### **Apple iPad (8th Generation) User Guide**

The iPad does everything...but what if you don't want to do everything?! Sure, it's great that you can log into a private network or set up an iMAP / POP email account--but what if you are retired and just want to know the basics--like how to do a group Facetime with all the grandkids! This book walks you through what you need to know step-by-step--including how navigation works now that the Home button is gone on some of the iPad Pros. It covers only what you need to know--so you don't have to comb through hundreds of pages of tech-speak just to find out how to do a common feature. This book is based on the bestselling book "The Ridiculously Simple Guide to the Next Generation iPad Pro" but includes
