

Nina E Il Mistero Dell'Ottava Nota (La Bambina Della Sesta Luna Vol 2)

A CURSED PLACE. A COLD CASE. A KILLER WHO LEFT NO TRACE. The huge international bestseller. Gripping, unputdownable and packed with twists, The Mountain is a thriller that you will never forget. “Can be compared (with no fear of hyperbole) to Stephen King and Jo Nesbo” - Massimo Vincenz, La Repubblica. Jeremiah Salinger blames himself. The crash was his fault. He was the only survivor. Now the depression and the nightmares are closing in. Only his daughter Clara can put a smile on his face. But when he takes Clara to the Bletterbach - a canyon in the Dolomites rich in fossil remains - he overhears by chance a conversation that gives his life renewed focus. In 1985 three students were murdered there, their bodies savaged, limbs severed and strwn by a killer who was never found. Salinger, a New Yorker, is far from home, and these Italian mountains, where his wife was born, harbour a close-knit, tight-lipped community whose mistrust of outsiders can turn ugly. All the same, solving this mystery might be the only thing that can keep him sane. Translated from the Italian by Howard Curtis

While on summer vacation on the seaside, twelve-year-old Irene Adler meets the young Sherlock Holmes, and his friend Arsène Lupin—and when a dead body floats ashore the three young friends set out to solve the mystery.

Set in England in the early 1760s, this is a chilling and deliciously dark tale of manipulation, sex, and seduction.

The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of “islands” both distinct and connected. Though drawing on philosophers of Europe’s past, Cacciari calls not to resist Europe’s sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today’s politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.

The Skull and the Nightingale

Volcanoes and the Environment

While the Thea sisters explore Kyoto during a cultural exchange program, a valuable item is stolen from their friend Kumi's family, and the five mice must catch the thief.

A sophisticated psychological novel from one of Europe's most exciting writers. "Are you an unhappy man?" That's what the journalist said to me. It was her last question.' Gianni Orzan has no reason to feel unhappy. He has just been awarded a prize for his children's writing and a cheque for fifteen million lire. He is blissfully married to Anna and is a doting father to an eight-year-old son, Franceschino. He loves film and is an avid chess player. He is a man in complete control of his life. But when Gianni leaves the award ceremony, a chain of events are set in motion that will shatter this perfect life. In an uncharacteristically rash moment he accepts a ride from an unlicensed cab driver. As soon as the car pulls off he feels unnerved. At the first set of lights the driver turns, smiles at Gianni, a pistol butt poking from his belt, and says - 'So, Franceschino has finally learned to ride his bicycle...'. Gianni bolts from the cab. But it's too late; in this briefest of moments the serenity of Gianni Orzan's life has been destroyed. Later, after he has sent his wife and son to stay with family, the same cab driver appears at his door and introduces himself as Gianni's father's oldest friend. He certainly talks accurately about Gianni's father, who died less than a fortnight ago. In fact, he seems to know much more about Gianni's respectable, pious father than Gianni ever did, or perhaps ever wants to. Reminiscent of Ian McEwan's 'Enduring Love', 'The Force of the Past' is a breathtakingly clever and entirely gripping story of how a calm, ordinary life can rapidly unravel.

While on summer vacation on the seaside, twelve-year-old Irene Adler meets the young Sherlock Holmes, and his friend Arsène Lupin—and when a dead body floats ashore the three young friends set out to solve the mystery.

Magical Mission (Geronimo Stilton #64)

Briefly traces the history of the Armenian people, looks at their art and architecture, and discusses their social structure, religion, language, and culture

Observatory Mansions was once the Orme family's ancestral home. Now it is a crumbling apartment block, stranded on a traffic island and peopled with eccentrics. Alice Orme never stirs from her bed, her husband lives in his old armchair, and Francis, their son, practises his own art of stillness as a human statue in the centre of the decaying city. He lives by his Law of White Gloves, never touching anything without their protection, and collects items for his secret exhibition - items stolen, not because of any monetary worth, but because they are treasured by the owners. This careful routine is shaken by the arrival of a new resident, Anna Tap, half blind and vulnerable, but with a strange gift for inspiring trust. As the other residents gradually open their hearts to her, Francis realises he must act before she forces him to confront his own past, and before she finds out about the mysterious final object in his exhibition. But as the currents of memory and desire swirl within Observatory Mansions' crumbling walls, it seems the sinister Porter has plans of his own... Edward Carey's debut is a novel of immense originality - a strangely haunting landscape occupied by compelling and unforgettable characters.

L'immagine della societ à nella fiaba

Anna Karenina

A gripping, fast-paced mystery by the prolific Edgar Wallace, 'The Three Oak Mystery' puts forth a tale of two whimsical London detectives, Socrates and Lexington Smith, who become inadvertently intertwined in a chain of inexplicable paranormal events one evening whilst staying overnight at a friend's manor house. "Come three oaks" a ghostly light dashing across the lawn spells in Morse code. Shaken by the happenings of the night before, the brothers elect to take a walk down the same route the following morning and, horrified, discover the body of a petrified elderly gentleman tied to an oak tree, a purple bullet wound gleaming in the sunlight. This gruesome unearthing is only the first of a menagerie of mysterious occurrences which the two men stumble upon that day, leaving them with no choice but to bite the bullet and unravel the curse of the Three Oaks. Readers will be delighted to find that Wallace's work has been adapted for film many times with actors like Jack Black, Adrien Brody and Jamie Bell portraying characters from his books. Edgar Wallace (1875-1932) was an English writer so prolific that one of his publishers claimed that he was behind a quarter of all books sold in England. An author, journalist and poet, he wrote countless novels, short stories, screen plays, stage plays and historical non-fiction. Today, more than 160 films have been made from his work. He died suddenly in Hollywood in 1932, during the initial drafting of his most famous work, 'King Kong'.

'Dog' is a delightful tale, funny and touching in turns, following the fortunes of an abandoned puppy as he grows up, fending for himself. Then he meets Plum. Could she be the mistress of his dreams?

Fiesty Nina, a poor peasant girl, has attracted the attentions of Crispino and Coronato. Her brother Moracchio holds the authority to select the man she shall marry. He favors the innkeeper Coronato due to his stable income and secure lifestyle, rather than the poor shoemaker Crispino, who has won the true affection of the sharp-tongued damsel. Other lovers emerge as the play progresses: Baron del Cedro is in love with the elegant daughter of the wealthy widow Senora Geltrude, whose favor is an advantage to all who obtain it. Count Rocca Marina, a wealthy aristocrat, shares his power and pride with two other noblemen, both of whom are in love with sweet Candida. The Baron's rival for the love of Candida is Signor Evarist. As the story goes, an aristocrat decides to purchase a fan from the shopkeeper Susanna with the intention of making it a gift for Candida. Suzanna, though educated and clever, has the misfortune of giving the fan to a fellow who loses it before it is given to the lady. It falls into the hands of several people. This classic comedy by Carlo Goldoni has been adapted for modern theater audiences by Rolf McEwen. This edition served as the script for high school stage productions. No royalty fees apply. The script has been created with an attractive format to allow for easy reading.

I was traveling to London, England on a secret mission! I had to investigate some strange occurrences -- someone was trying to get their paws on the crown jewels! Trap came along, too, to compete in a big magic show. And before I could solve my mystery, Trap needed my help... to perform an impossible magic trick. Could I do it all? Squeak! Bibliografia nazionale Italiana

The Child of Pleasure

This impressive volume is the first attempt to look at the intertwined histories of natural law and the laws of nature in early modern Europe. These notions became central to jurisprudence and natural philosophy in the seventeenth century; the debates that informed developments in those fields drew heavily on theology and moral philosophy, and vice versa. Historians of science, law, philosophy, and theology from Europe and North America here come together to address these central themes and to consider the question; was the emergence of natural law both in European jurisprudence and natural philosophy merely a coincidence, or did these disciplinary traditions develop within a common conceptual matrix, in which theological, philosophical, and political arguments converged to make the analogy between legal and natural orders compelling. This book will stimulate new debate in the areas of intellectual history and the history of philosophy, as well as the natural and human sciences in general.

Volcanoes and the Environment is a comprehensive and accessible text incorporating contributions from some of the world’s authorities in volcanology. This book is an indispensable guide for those interested in how volcanism affects our planet’s environment. It spans a wide variety of topics from geology to climatology and ecology; it also considers the economic and social impacts of volcanic activity on humans. Topics covered include how volcanoes shape the environment, their effect on the geological cycle, atmosphere and climate, impacts on health of living on active volcanoes, volcanism and early life, effects of eruptions on plant and animal life, large eruptions and mass extinctions, and the impact of volcanic disasters on the economy. This book is intended for students and researchers interested in environmental change from the fields of earth and environmental science, geography, ecology and social science. It will also interest policy makers and professionals working on natural hazards.

I, Geronimo Stilton, was called to the Kingdom of Fantasy for the ninth time! Queen of the Fairies, had disappeared, along with three powerful magical objects: The Book of a Thousand Spells, the Crystal Sphere, and the Whispering Wand. If those objects ended up in the wrong hands, they could destroy the whole realm! Accompanied by new, magical friends, I had to cross horrifying kingdoms full of spiders and snakes before facing a terrible evil wizard. Squeak! Could I make it in time to save Blossom -- and the entire Kingdom of Fantasy?

Famous expressionistic parable explores relativity of truth, vanity and necessity of illusion, instability of human personality, other themes. New English translation.

The Mystery of the Scarlet Rose

Beatrix Luengo discovers, us the most intimate part of twelve creative muses, who weren't recognized at their times, and in which, as in a mirror, she reflects herself confessing her own truth as a woman and artist. This sincere self portrait, in which she undresses before the reader, is an admirable literary mosaic that joins history, fiction, poetry and personal thoughts and vindicates the need to understand the feminist plight as it truly is: a movement for human rights. In London, at Christmas time in 1870, a strange message in the classified ads leads the three young detectives to murders that appear to be connected with the Scarlet Rose Gang, whose leader was killed years before.

Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.

"Timaeus" by Plato (translated by Benjamin Jowett). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Whisked out of Paris ahead of the Prussian army in 1870, twelve-year-old Irene Adler is reunited in London with her friends, Sherlock Holmes and Arsène Lupin—but Arsène's father has been arrested for murder and the kidnapping of a famous opera singer,and it is up to the three young detectives to solve the mystery.

Set in Lee's Alliances Universe, co-created by Lee, Lieberman, and Silbert, and along with Edgar Award-nominated co-writer Rosenfield, this novel is packed with the pulse-pounding, breakneck adventure, and the sheer exuberant invention that have defined his career as the creative mastermind behind Marvel's spectacular universe.

All children dream of having a secret house where they can live on their own, far from any rules and regulations. But not all of them are as lucky as Aglaiá, who lives at the top of a magical tree together with her friend Bianca and an incredible host of flying dogs, talking cats, carnivorous flowers and children who speak in verse. Inventively illustrated by Quentin Blake, Aglaiá's adventures - and her battles with the gruff Signor Brullo and the woodmen who want to cut down the tree - are sure to enchant and inspire the imagination of every child.

Right You are ! (If You Think You Are)

Timaeus

Secondo libro della serie "La bambina della Sesta Luna".L'estate è finita, ma a Venezia si racconta ancora di un particolare giorno, due mesi prima, quando molti videro la statua del Leone Alato spiccare il volo. Realtà o fantasia? Solo Nina De Nobili sa... Sa bene che il leone ha volato: lei era presente! Proprio in quell'occasione ha sconfitto il suo nemico, il Conte Karkon Ca' d'Orò, scomparso tra i flutti della laguna. Comincia così un'altra

travolgente avventura di Nina, la piccola alchimista, ancora una volta impegnata a salvare il destino della Sesta Luna. Aiutata dai suoi quattro inseparabili amici Cesco, Dodo, Fiore e Roxy e dall'androide Max, Nina si trova coinvolta in un viaggio a ritroso nel tempo, fino a giungere nell'antico Egitto. Ma, a proposito, Karkon... è davvero morto?

Drawing upon Italy's distinct socio-cultural history as well as feminist and psychoanalytic approaches to film, Colleen Ryan-Scheutz explores the ways in which Pasolini's representations of women reveal his concerns about the corruption of modern society.

You can't know there's a war on--for the Snakes coil and Spiders weave to keep you from knowing it's being fought over your live and dead body!ExceptMy name is Greta Forzane. Twenty-nine and a party girl would describe me. I was born in Chicago, of Scandinavian parents, but now I operate chiefly outside space and time--not in Heaven or Hell, if there are such places, but not in the cosmos or universe you know either.I am not as romantically entrancing as the immortal film star who also bears my first name, but I have a rough-and-ready charm of my own. I need it, for my job is to nurse back to health and kid back to sanity Soldiers badly roughed up in the biggest war going. This war is the Change War: a war of time travelers--in fact, our private name for being in this war is being on the Big Time. Our Soldiers fight by going back to change the past, or even ahead to change the future, in ways to help our side win the final victory a billion or more years from now. A long killing business, believe me.You don't know about the Change War, but it's influencing your lives all the time and maybe you've had hints of it without realizing.Have you ever worried about your memory, because it doesn't seem to be bringing you exactly the same picture of the past from one day to the next? Have you ever been afraid that your personality was changing because of forces beyond your knowledge or control? Have you ever felt sure that sudden death was about to jump you from down from nowhere? Have you ever been scared of Ghosts--not the story-book kind, but the billions of beings who were once so real and strong IT's hard to believe they'll just sleep harmlessly forever? Have you ever wondered about those things you may call devils or Demons--spirits able to range through all time and space, through the hot hearts of stars and the cold skeleton of space between the galaxies? Have you ever thought that the whole universe might be a crazy, mixed-up dream? If you have, you've had hints of the Change War.How I got recruited into the Change War, how IT's conducted, what the two sides are, why you don't consciously know about it, what I really think about it--you'll learn in due course.
