Charles Dickens,
generally regarded as the
greatest novelist of the
Victorian age, was

*known as 'The
Inimitable', not least for
his distinctive style of
writing. This collection
of twelve essays
addresses the essential
but often overlooked
subject of Dickens's style,
with each essay
discussing a particular
feature of his writing.
All the essays consider
Dickens's style
conceptually, and they*

read it closely, demonstrating the ways it works on particular occasions. They show that style is not simply an aesthetic quality isolated from the deepest meanings of Dickens's fiction, but that it is inextricably involved with all kinds of historical, political and ideological concerns.

Written in a lively and

Oxblood. Until he
is sent to the Outer

infatuation will lead
him to discover
that all is not as it
seems in a world
where everything
that looks black

shades of grey ...
If George Orwell
