

Othello: York Notes For A Level (York Notes Advanced)

In the CliffsComplete guides, the novel's complete text and a glossary appear side-by-side with coordinating numbered lines to help you understand unusual words and phrasing. You'll also find all the commentary and resources of a standard CliffsNotes for Literature. CliffsComplete Othello makes you familiar with one of the most staged of all of Shakespeare's plays. Othello is a tale of love and betrayal, secrets, passion, and intrigue. Psychology and wit pit strength and virtue against jealousy and evil agendas. The results leave no winners, only tragedy in the lives of the jealous Moor, Othello, and his wife, Desdemona. Enhance your reading of Othello and save valuable studying time — all at once — with CliffsComplete Othello. Additional features include: A summary and insightful commentary for each scene Bibliography and historical background on the playwright, William Shakespeare A look at the historical context and structure of the play Discussions on the play's symbols and themes A character map that graphically illustrates the relationships among the characters Review questions, a quiz, discussion topics (essay questions), activity ideas A Resource Center full of books, articles, films, and Internet sites Streamline your literature study with all-in-one help from CliffsComplete guides! This is our best-selling York Notes Advanced title. This book will be packed with features to help the students improve their grade. Talking extensively to teachers, examiners and students there seems to be a need for more information outside what the students already know. Features like check the book, check the film and check the net will now offer students more opportunity to develop their researching skills and provide that extra information. More importantly there will be features that address the specific needs of students studying for the new AS and A2 exams. There will now be text boxes in the margin labelled 'Context' which will describe the literary, historical, cultural, religious, or philisophical context of specific references in the text (contextualisation is the new buzz word in the exam syllabuses). There will be at least 20 of these boxes in every book. The glossaries are now integrated in the text so that students don't need to turn the page to find out the meaning of a word. There will also be regular exam questions integrated in the text which will help students revise. Summaries will be cut down and bulleted where appropriate to make way for extra features (meaning extent remains the same) so that the books are now not only appropriate for students who buy the book to cram, they are also important for higher-level students who need more information to get themselves the top grade. "Othello is Shakespeare's noble general who 'loved not wisely but too well'. THIS is the story of his triumphs and his tragic downfall--his love for Desdemona, his fatal trust in the villainous Iago, and his obsessive jealousy, that

leads to murder and to suicide..."--Page 4 of cover.

Julius Caesar Study Guide

This second edition of Othello has a new, illustrated introduction by leading American scholar Ayanna Thompson, which addresses such key issues as race, religion and gender, as well as looking at ways in which the play has been adapted in more recent times. Othello is one of Shakespeare's great tragedies—written in the same five-year period as Hamlet, King Lear, and Macbeth. The new introduction attends to the play's different meanings throughout history, while articulating the historical context in which Othello was created, paying particular attention to Shakespeare's source materials and the evidence about early modern constructions of racial and religious difference. It also explores the life of the play in different historical moments, demonstrating how meanings and performances develop, accrue, and metamorphose over time. The volume provides a rich and current resource, making this best-selling play edition ideal for today's students at advanced school and undergraduate level.

An enhanced exam section: expert guidance on approaching exam questions, writing high-quality responses and using critical interpretations, plus practice tasks and annotated sample answer extracts. Key skills covered: focused tasks to develop analysis and understanding, plus regular study tips, revision questions and progress checks to help students track their learning. The most in-depth analysis: detailed text summaries and extract analysis to in-depth discussion of characters, themes, language, contexts and criticism, all helping students to reach their potential.

The Heinemann Advanced Shakespeare series is designed especially for students reading Shakespeare at Advanced level. As well as the full text, each edition provides a complete guide to studying and enjoying the play. The Heinemann Advanced Shakespeare se

William Shakespeare's Othello

The Taming of the Shrew

Othello Guided GCSE Revision Notebook

Set in Harlem in the 1860s, 1928 and the 1990s, this prelude to Shakespeare's Othello tells the story of Othello's relationship with his first wife. Shakespeare's position as England's national poet is established and unquestionable. But as James Shapiro illuminates in this revelatory new history, Shakespeare has long held an essential place in American culture. Why, though, would a proudly independent republic embrace England's greatest writer? Especially when his works enact so many of America's darkest nightmares: interracial marriage, cross-dressing, same-sex love, tyranny, and assassination? Investigating a selection of defining moments in American history - drilling into issues of race, miscegenation, gender, patriotism and immigration; encountering Presidents, activists, writers and actors - Shapiro leads us to fascinating answers and uncovers rich and startling stories. But perhaps most pressingly, we learn how, in Trump's America, the staging of his work has provoked threats of violence and has become a battleground for freedom of speech. 'With the lightest touch and the most formidable scholarship, James Shapiro, once again, proves himself to be an irresistible storyteller. And what an exhilarating and disturbing tale he has to tell. Here is proof that Shakespeare's power remains undiminished in our divided world.' Simon Russell Beale

Rewritten and redesigned in full-colour, A4 format, this new York Notes for GCSE edition of Pride and Prejudice will help your students achieve the best possible grade. Written by GCSE examiners to give all students an expert understanding of the text and the exam, it includes: *
*An invaluable exam skills section with essay plans, sample answers and expert guidance on understanding the question so students will know exactly what they need to do to succeed. *A wealth of useful content including key quotes, checklists, study tips and short activities that will help students revise efficiently and remember everything they need to write the best answers. *The widest coverage with in-depth analysis of character, themes, language, context and style, all helping students to succeed in the exam by demonstrating how well they understand the text.

Othello: York Notes for A-Level

Frankenstein; or, The Modern Prometheus is an 1818 novel written by English author Mary Shelley. Frankenstein tells the story of Victor Frankenstein, a young scientist who creates a sapient creature in an unorthodox scientific experiment. Shelley started writing the story when she was 18, and the first edition was published anonymously in London on 1 January 1818, when she was 20. Her name first appeared in the second edition, which was published in Paris in 1821. Shelley travelled through Europe in 1815 along the river Rhine in Germany, stopping in Gernsheim, 17 kilometres (11 mi) away from Frankenstein Castle, where two centuries before, an alchemist engaged in experiments. She then journeyed to the region of Geneva, Switzerland, where much of the story takes place. Galvanism and occult ideas were topics of conversation among her companions, particularly her lover and future husband Percy B. Shelley. In 1816, Mary, Percy and Lord Byron had a competition to see who could write the best horror story. After thinking for days, Shelley was inspired to write Frankenstein after imagining a scientist who created life and was horrified by what he had made. Though Frankenstein is infused with elements of the Gothic novel and the Romantic movement, Brian Aldiss has argued that it should be considered the first true science fiction story. In contrast to previous stories with fantastical elements resembling those of later science fiction, Aldiss states that the central character "makes a deliberate decision" and "turns to modern experiments in the laboratory" to achieve fantastic results. The novel has had a considerable influence on literature and popular culture and spawned a complete genre of horror stories, films, and plays.

Mr Bruff's Guide To 'Othello'

Oxford School Shakespeare

York Notes on Othello

Revised Edition

A guided GCSE English Literature revision notebook. Designed by an experienced English teacher with prompts on every page to lead students through the necessary revision note-writing and learning needed for success at GCSE level.

It includes prompts on themes, characters and practice exam-style questions so that students can write effective essay plans. Perfect for those students who struggle to know where to start when revising or even how to revise.

Amy Freed rewrites *The Taming of the Shrew*, one of the more problematic plays in the Shakespeare canon. While beloved for its sharp dialogue and witty banter, *The Taming of the Shrew* offers a problematic storyline that many have deemed misogynistic. The play contains insensitive gags and uneasy politics, making it difficult for modern audiences to connect with the text. Amy Freed's new translation reactivates the original story, blowing away the dust and cobwebs. As Freed's text reminds us, at its heart *The Taming of the Shrew* is a story about courage and authenticity. This translation of *The Taming of the Shrew* was written as part of the Oregon Shakespeare Festival's Play On! project, which commissioned new translations of thirty-nine Shakespeare plays. These translations present work from "The Bard" in language accessible to modern audiences while never losing the beauty of Shakespeare's verse. Enlisting the talents of a diverse group of contemporary playwrights, screenwriters, and dramaturges from diverse backgrounds, this project reenvisioned Shakespeare for the twenty-first century. These volumes make these works available for the first time in print--a new First Folio for a new era.

Written by Lyndsey Dyer, This guide contains the complete original text, with a line by line translation into modern English. As if that's not enough, there's also detailed analysis of everything you need to know for your A' level exams, including language, structure, form, themes, context and a sample exam answer. At nearly 80,000 words, this is the definitive guide to Shakespeare's classic play.

The Strategies of Evil

Romantic Literature

Everything You Need to Catch Up, Study and Prepare for 2021 Assessments and 2022 Exams

Camus's landmark novel traces the aftermath of a shocking crime and the man whose fate is sealed with one rash and foolhardy act. *The Stranger* presents readers with a new kind of protagonist, a man unable to transcend the tedium and inherent absurdity of everyday existence in a world indifferent to the struggles and strivings of its human denizens. This addition to the Bloom's Guides series features an annotated bibliography and a listing of works by the author for further reading.

Nine-year-old Meena can't wait to grow up and break free from her parents. But, as the daughter of the only Punjabi family in the mining village of Tollington, her struggle for independence is different from most.

Frances delivers in-service workshops for second-level teachers of English throughout the country.

From one of the greatest Shakespeare scholars of our time, Harold Bloom presents Othello's Iago, perhaps the Bard's most compelling villain—the fourth in a series of five short books about the great playwright's most significant personalities. Few antagonists in all of literature have displayed the ruthless cunning and deceit of Iago. Denied the promotion he believes he deserves, Iago takes vengeance on Othello and destroys him. One of William Shakespeare's most provocative and culturally relevant plays, Othello is widely studied for its complex and enduring themes of race and racism, love, trust,

betrayal, and repentance. It remains widely performed across professional and community theatre alike and has been the source for many film and literary adaptations. Now award-winning writer and beloved professor Harold Bloom investigates Iago's motives and unthinkable actions with razor-sharp insight, agility, and compassion. Why and how does Iago use lies and deception—the fake news of the 15th century—to destroy Othello and several other characters in his path? What can Othello tell us about racism? Bloom is mesmerizing in the classroom, treating Shakespeare's characters like people he has known all his life. He delivers exhilarating intimacy and clarity in these pages, writing about his shifting understanding—over the course of his own lifetime—of this endlessly compelling figure, so that Iago also becomes an extraordinarily moving argument for literature as a path to and a measure of our humanity.

“There are few readers more astute than Bloom” (Publishers Weekly), and his Iago is a provocative study for our time.

This updated edition is ideal to support students when studying and revising for the new A level English Literature exams.
