

Philippa Fisher's Fairy Godsister: Book 1

'An important contribution to the YA literary canon and a welcome reminder that love is love, no matter what.' - Jodi Picoult, New York Times bestselling author *The first YA novel from bestselling author Liz Kessler, Read Me Like A Book is a brave, honest and vital coming-out story that follows one girl's exploration of love, identity and sexuality. Ashleigh Walker is having a difficult year. She's struggling at school, and coming home to parents who are on the verge of divorce. She knows she should be happy spending time with her boyfriend - but, for some reason, being around him just makes her worry more. It's only in her English teacher, Miss Murray, that she feels she's found a kindred spirit. Miss Murray helps Ashleigh develop her writing skills and her confidence - but what happens when boundaries begin to blur? What will the repercussions be for Ashleigh? And how will she navigate her own sexuality?*

If you could see into the future - would you look? Jenni Green doesn't have a choice. On her way to visit her best friend, Autumn, Jenni suddenly finds she's been transported exactly one year forward in time. Now she discovers that in the year that's gone by, tragedy has struck and her friendship with Autumn will never be the same again. But what caused the tragedy? How did Jenni skip a year? And can she find her way back to the past to try to change what lies ahead? With humour - and her customary light touch - the author of the EMILY WINDSNAP books plays a fascinating game with time, and explores the changes that take place in friendships and families in the aftermath of a disaster.

Don't miss this pulse-pounding collection of three novella-length tales that will keep even the bravest player up at night . . . A dark bridge to the past . . . Dirk sets out on a long-shot quest to recapture a cherished childhood memory from a unique animatronic pizzeria. Mandy finds something lurking in the files of her favorite horror game and opens herself up to a haunting. In light of her son's fascination with Freddy Fazbear's Pizza, Sylvia buys her son a unique birthday present—a Freddy Fazbear mask that's the genuine article . . . in more ways than one. In this twelfth volume, Five Nights at Freddy's creator Scott Cawthon spins three bonus novellalength stories from different corners of his series' canon. These tales may have ended up on the cutting room floor while developing the Fazbear Frights series, but they bring no less terror in the telling. Readers beware: This collection of terrifying tales is enough to unsettle even the most hardened Five Nights at Freddy's fans.

Philippa and her fairy godsister, Daisy, are asked by the High Counsel to go on a fantastic journey together to find a missing fairy and preserve the portals that connect the fairy and human realms.

Daisy has been assigned to help Philippa by granting her three wishes. Unfortunately, Daisy is not too fond of working with humans, and she can't wait to get her mission over with. But as every wish seems to make Philippa's life worse rather than better, can the two girls team up to fix Philippa's world before it's too late? Bestselling novelist (How the Garcia Girls Lost Their Accents) and children's (The Tia Lola Stories) author Julia Alvarez's new picture book is a beautifully crafted poem for children that gently addresses the emotional side of death. The book asks, "When somebody dies, where do they go? / Do they go where the wind goes when it blows? ... Do they wink back at me when I wish on a star? Do they whisper, 'You're perfect, just as you are'? ..." Illustrated by Vermont woodcut artist, Sabra Field, Where Do They Go? is a beautiful and comforting meditation on death, asking questions young readers might have about what happens to those they love after they die. A Spanish-language edition of the book, ¿Dónde va a parar?, is available in paperback.
