Did you know you can publish your book on Amazon KDP in as fast as a week for no money down? Whether you are just starting to write a book or you've finished one and have no idea where to turn, this book can help get your book launched into the market. It is an overview for writers who want to self-publish a children's paperback picture book, especially aspiring young writers, and includes quick tips and essential information on publishing topics that are simple and easy-to-read. It touches on the different parts of a book, story elements, laying out a book, fonts and text, illustrating, proofing a book, print-on-demand,

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

royalties, uploading to Amazon KDP, and more. Useful templates and story maps that can be scanned and reused are provided to help writers organize their thoughts. You could write an entire book on every aspect of publishing, but this overview will help keep you from getting lost. The sooner you finish your book, the faster you can order one and turn the pages. Why are you waiting? Let's do this!

----- This book DOES NOT COVER publishing eBooks or using Kindle Create. -----

"How to Self-Publish a Children's Paperback Picture Book" focuses on publishing a physical paperback picture book that can be shipped directly from Amazon.com (internationally distributed), held in one's hands, given to friends, or sold by the author at events. Published books will sell on Amazon.com to the general public and can be ordered in quantities of one or more for author resale. This process also works for writers who want to affordably publish and distribute physical books with more pages such as a memoir, instruction manual, puzzle & game book, graphic comic book, coloring book, cookbook, end-of-year school highlights, yearbook, or a multi-page novel with no pictures at all, even

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

if the book gets distributed to a limited number of people. For set up, the author is a novice at using Publisher and Word to format PDFs for uploading and wanted to share her publishing experience. If she can do it, you can do it. She distributes hundreds of books during author visits to schools. Other writers have found publishing success using similar writing and multimedia programs they are familiar with, such as Scrivener (for screenplays and large amounts of text), or those in the Adobe family. -----

Related terms and phrases: Publishing a book, How to publish a book, Self-publishing, How to self-publish, How to publish on Amazon, How to publish using Amazon KDP, How to write a picture book, How to write a children's book, How to publish a paperback book, Elementary school author visit, Middle school author visit, High school author visit, Author visits in Long Beach, CA, Author visits in the Los Angeles area

Make the most of your Mac with this witty, authoritative guide to macOS Big Sur. Apple updates its Mac operating system every year, adding new features with every revision. But after twenty years of this updating cycle without a printed user guide to help customers, feature bloat and

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

complexity have begun to weigh down the works. For thirty years, the Mac faithful have turned to David Pogue's Mac books to guide them. With *Mac Unlocked*, New York Times bestselling author Pogue introduces readers to the most radical Mac software redesign in Apple history, macOS Big Sur. Beginning Mac users and Windows refugees will gain an understanding of the Mac philosophy; Mac veterans will find a concise guide to what's new in Big Sur, including its stunning visual and sonic redesign, the new Control Center for quick settings changes, and the built-in security auditing features. With a 300 annotated illustrations, sparkling humor, and crystal-clear prose, *Mac Unlocked* is the new gold-standard guide to the Mac. Almost everything you've read about formatting pictures for Kindle is wrong. The advice offered by Kindle experts and even Amazon itself can give images that are tiny, blocky, noisy, or wildly inconsistent on different Kindles. Aaron Shepard, author of acclaimed books on Kindle and POD publishing, brings his years of experience in book design, webmastering, and photography to bear on a single question: How do you make pictures look great on the Kindle? He answers that question, while also providing beginners a

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

basic course in picture editing. Along the way, he discusses how to keep Microsoft Word from sneakily degrading your pictures; how to adjust HTML code to show images at their best; how to make part of a picture transparent for Night and Sepia modes; how to boost the power of your cover image as a marketing tool; and how to create anything from children's books to photography books to poetry books within minutes with the Kindle Comic Creator. Best of all, you don't have to take his word for any of it. The proof is right in the book, with samples of many kinds of pictures you might use -- photos, paintings, drawings, diagrams, tables, screenshots, cover images, and more. Nowhere else will you find such in-depth info on working with Kindle graphics. Whatever you use to create Kindle books -- Word, InDesign, a dedicated ebook app, or straight HTML -- you'll find Pictures on Kindle a perfect companion to other formatting guides. //
// Aaron Shepard is a foremost proponent of the new business of profitable self publishing, which he has practiced and helped develop since 1998. He is the author of Aiming at Amazon, POD for Profit, Perfect Pages, and From Word to Kindle, Amazon's #1

the best resource I know for self publishers who plan to include photos or other graphics in their Kindle books. From tips on taking photos, through sizing, optimizing, and placing, this book wastes no space in giving you exactly the information you need. Highly recommended.

-- Joel Friedlander, TheBookDesigner.com A detailed, comprehensive guide to getting the best out of your images on Kindle.

From taking photos, to scanning, to optimizing, Aaron covers every possible step in making sure your images display well in Kindle format. In addition, he provides very useful explanations of the Kindle's image handling, for those of us who like to understand the reasons behind the steps. I for one will be adding this to my list of reference materials. -- Jim

In How I Became a Self-Published Author, Aammton Alias reveals how and why he decided to write his first book, based on his recent spiritual awakening. The excitement of being an author got him to take on challenges, such as publishing a book every month. In this single volume, Aammton shares the inner workings on how to become a self-published author. The amazing part is that he was able to have his books self-published for free. He taught himself book marketing, social media promotion and even book reviewing, to a point that he briefly became a professional book marketer and reviewer. His story will inspire you to write and publish your first book. In

fact, he is championing for you to be a published writer too. He wrote this book for you.

If you read and enjoyed Kindle Publishing In 16 Pages and Kindle Publishing in more than 16 Pages then your in luck. Want to make money online? Then ignore social media at your own risk. Social media is vital if you want to your business to thrive, and though you can't control the conversations, you can influence them. This book will teach you how. If mismanaged, social media can create more noise than signal. It can be a time and energy suck—for you and your audience. Or worse still, it can become an echo chamber for negative PR. If done well, guerrilla social media marketing can help you persuade, command attention, establish dialogue, differentiate yourself, capture new markets, and outmaneuver the competition—all on a shoestring budget. Whether you're selling digital goods and services, physical goods, or local services, this book has the answers.

Mastering the 4-pillars to amazing book sales

From the 1980s onwards, the incidence of eating disorders and self-harm has increased among Japanese women, who report receiving mixed messages about how to be women. Mirroring this, women's self-directed violence has increasingly been thematised in diverse Japanese narrative and visual culture. This book examines the relationship between normative femininity

and women's self-directed violence in contemporary Japanese culture. To theoretically define the complexities that constitute normativity, the book develops the concept of 'contradictive femininity' and shows how in Japanese culture, women's paradoxical roles are thematised through three character construction techniques, broadly derived from the doppelgänger motif. It then demonstrates how eating disorders and self-harm are included in normative femininity and suggests that such self-directed violence can be interpreted as coping strategies to overcome feelings of fragmentation related to contradictive femininity. Looking at novels, artwork, manga, anime, TV dramas and news stories, the book analyses both globally well known Japanese culture such as Murakami Haruki's literary works and Miyazaki Hayao's animation, as well as culture unavailable to non-Japanese readers. The aim of juxtaposing such diverse narrative and visual culture is to map common storylines and thematisation techniques about normative femininity, self-harm and eating disorders. Furthermore, it shows how women's private struggles with their own bodies have become public discourse available for consumption as entertainment and lifestyle

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

products. Highly interdisciplinary, it will be of huge interest to students and scholars of Japanese studies, Japanese culture and society and gender and women's studies, as well as to academics and consumers of Japanese literature, manga and animation.

If you want to learn how to self publish, then get "How To Self Publish" guide written by a real life author and self publisher Jennifer-Crystal Johnson. How to Self Publish by Jennifer-Crystal Johnson is an in-depth look at some of the most important skills for aspiring self-published authors and individuals considering founding an independent publishing company. With over ten years of writing and editing experience, Johnson points out some of the most common mistakes self-published authors make, how to avoid them, and some free tools to get your work looking professional and polished. With sections on the writing, editing, and revision processes as well as eBook formatting tips, book cover design basics, and marketing ideas, Johnson engages the reader in conversational suggestions for bettering the self-publishing experience and industry as a whole by providing new authors with useful tools and practical information to present

their work professionally in print and eBook formats. About the Expert Jennifer-Crystal Johnson is originally from Germany, but was raised all over. She has published one novella under her former last name, *The Outside Girl: Perception is Reality* (Publish America, 2005 - this will be out of print by 2013), a poetry book, *Napkin Poetry* (Broken Publications, 2010), and a collection of poetry, art, and prose called *Strangers with Familiar Faces* (Broken Publications, 2011). Her poem, *Yin & Yang*, was featured on *Every Writer's Resource's Poem a Day* site. One of her short stories, *The Clinic*, has been featured in *Jack Meets Jill*, and her short horror story, *The Huntress*, has been featured in *Zombie Coffee Press*. She also received a finalist mention in the Summer 2011 *Elephant Prize Contest* for her short story, *Shrapnel*. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

NOTE: PLEASE VISIT AARON'S PUBLISHING PAGE FOR ANY UPDATES TO THIS BOOK. Have you ever opened a Kindle book to find that the font started out way too small or way too large? Have you tried to change to a different font while reading and discovered you couldn't? Have you jumped to a new chapter in a Kindle book and seen

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great. (Kindle Publishing)

that the chapter heading lost its formatting? Has a Kindle completely ignored formatting you knew was in the book? According to Amazon, the simplest way to publish your Kindle book is to upload an HTML file you've saved from Microsoft Word or another app. By itself, that method can bring you maybe 80% of the way to a well-formatted, trouble-free ebook. But what about the other 20%? In this follow-up to his bestselling "From Word to Kindle," Aaron Shepard takes your saved HTML as a starting point and tells how to quickly tweak and tune it to avoid common problems. Assuming no knowledge of HTML, he introduces the basics of the language, then reveals how to use find-and-replace and macros to touch up an entire book in seconds! If you're serious about Kindle publishing and you're technically inclined -- but not a full-fledged geek -- Aaron provides the tips you need to bring your Kindle book to the next level, making it something truly to be proud of. //

Aaron Shepard is a foremost proponent of the new business of profitable self publishing, which he has practiced and helped develop since 1998. He is the author of "Aiming at Amazon," "POD for Profit," "Perfect Pages," and Amazon's #1

Getting Started 1 WORKING WITH HTML HTML and Kindle HTML Export HTML Editing HTML Processing HTML Basics HTML Checking HTML Cleanup HTML Testing 2 HTML FIXES Fixes for Fonts Fixes for Paragraphs Fixes for Headings Fixes for Line Breaking Fixes for Pictures Fixes for Navigation //
//

SAMPLE Here are some of the things you can accomplish through changes in HTML. * Adjust bookmarks so headings retain proper formatting when jumped to. * Remove settings that stop the user from choosing their own. * Keep fonts from appearing much too small or much too large when the book is opened. * Make sure indents and other spacing stays relative to larger and smaller font sizes. * Avoid line breaks that leave short words dangling at the ends of lines or paragraphs. * Make up for features lost in translation from your word processor, like nonbreaking hyphens. * Stop "ghost hyphens" from appearing in the middle of words. * Keep pages of text from disappearing for some users. * Prevent the Kindle from applying its own defaults in place of your settings.

NOTE: PLEASE VISIT AARON'S PUBLISHING PAGE FOR ANY UPDATES TO THIS BOOK. It's not hard to find instructions for converting from Word to Kindle -- but these instructions are usually less helpful than they could be. Many, for example, proclaim that Word's HTML output requires extensive alteration and cleanup before submission. This advice is misguided. Some who offer it have drawn their conclusions after simply choosing the wrong export option. Others fuss about a moderate amount of excess code, not realizing that it doesn't increase file size enough to matter or that the Kindle ignores it anyway. Other instructions will imply the opposite: that conversion is straightforward and just what you would expect. Supposedly, as long as you start with a properly formatted Word document, you'll wind up with a well-formatted ebook. Well, it doesn't really work that way -- not without a few techniques for tricking or bullying the Kindle into doing what you want. In this book, Aaron Shepard offers his own tips for moving your document from Word to Kindle, with a focus on desktop Word versions from 2003/2004 to 2010/2011. ////
////////////////////////////////////
/// Aaron Shepard is a foremost proponent of the new business of profitable self

publishing, which he has practiced and helped develop since 1998. He is the author of "Aiming at Amazon," "POD for Profit," and "Perfect Pages," as well as two other books on Kindle formatting. ////

////////////////////////////////////

//////// SAMPLE By default, Word will apply

the Normal style to your paragraphs.

Amazon knows this, so for some Kindles, it

hijacks that style, changing its

formatting to what Amazon prefers. This

can lead, for example, to unwanted space

above or below a paragraph. If you want

control of your own formatting, then,

you'll have to avoid the Normal style and

apply something different. There's no

problem, though, with applying styles

based on Normal, or even with applying a

duplicate of Normal under a completely different name. In regard to this, watch out for manual page breaks in recent versions of Word. Unless you're in Compatibility Mode, each break is now placed in a paragraph of its own, and the Normal style is assigned automatically. That in itself isn't a problem -- but if you then hit Return and start typing, your new paragraph will be in Normal as well. (This is another reason to stick to the paragraph format setting "Page break before" to start a new page.) You can change all paragraphs already in Normal style to a different one by using the Format menu in the Find and Replace dialog. Don't enter any text, but place your cursor in first the Find box and then the Replace while choosing a style for each.

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

This book is an archive of most of our old pictures taken during our young adult years before and after our marriage in 1959. It covers our young photos during our highschool and college years until we got engaged and married eventually and raised 3 children. This book includes pictures of these babies until they were of school age during their formative years. As head of family and self-publisher I am grateful that I am able to publish albums based on Print On Demand, while this book is continually listed and available at various online stores, most especially here at amazon. This can also be viewed in kindle edition. If you want your own collection of pictures published, the author is always ready to help. Happy viewing.

Join the thousands of writers who have found freedom in digital book publishing! Want to join the Kindle self-publishing movement but not sure how? With detailed instructions and numerous illustrations, *To Kindle in Ten Steps* walks you through the process clearly and concisely, offering a straightforward method for getting your book onto Amazon in the fastest and easiest way possible. From cover image requirements to how to format your manuscript for a smooth conversion to Kindle, *To Kindle in Ten Steps* demonstrates how easy it is to turn your masterpiece into a professional quality ebook. Best of all, authors need not invest in expensive new software: your familiar word processor and free online tools are all you will need. *To Kindle in Ten Steps* your first step toward publishing success!

This is a very straight-forward yet encouraging guide on how

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

to become a self-published author. It provides tips on how to get started writing, what to write about, and how to get your paperback book published using Kindle Direct Publishing. There are many pictures that guide you through the entire process which makes things very easy to understand and that leaves very little room for interpretation.

Is the idea of self-publishing daunting to you? According to a New York Times report, 81% of Americans aspire to write a book but few ever write one and even fewer ever publish a book. The obstacles seem great, but as Martin Luther King said, "You don't have to see the whole staircase - just take the next step." Whether you're an aspiring writer, have already written a book or are a trade published author looking for a different publishing direction, there is no better time than now to get your words out there through self-publishing. This is not a motivational book. Instead, this book walks you through the steps of self-publishing; from ideas on how to flex your writing muscles to word processing choices to finally seeing your book sold on Amazon. Save your money. There is no reason to spend hundreds or even thousands on expensive, unnecessary publishing services. From editing, formatting and cover design to finally self-publishing your e-book on Amazon's Kindle Direct Publishing, this book suggests steps and self-publishing tools carefully picked with those on a budget in mind. Self-publishing is not complicated. In fact, it is a simple process. Simple, however, does not mean easy. Gleaning information from many bestselling self-published authors, and written by a

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

bootstrapped self-published author of over a dozen books (8 which hit Amazon's category bestseller lists), this book will show you how you can write your first word to publishing your final product on Amazon's Kindle Direct Publishing without even spending a dime.

ANY UPDATES TO THIS BOOK. Almost everything you've read about formatting pictures for Kindle is wrong. The advice offered by Kindle experts and even Amazon itself can give images that are tiny, blocky, noisy, or wildly inconsistent on different Kindles. Aaron Shepard, author of acclaimed books on both Kindle and print publishing, brings his years of experience in book design, webmastering, and photography to bear on a single question: How do you make pictures look great on the Kindle? He answers that question, while also providing beginners a basic course in picture editing. Along the way, he discusses how to keep Microsoft Word from sneakily degrading your pictures; how to adjust HTML code to show images at their best; how to make part of a picture transparent against colored backgrounds; how to boost the power of your cover image as a marketing tool; and how to create anything from children's books to photography books to poetry books within minutes with the Kindle Comic Creator. Nowhere else will you find such in-depth info on working with Kindle images. Whatever kind you're using -- photos, paintings, drawings, diagrams, tables, screenshots -- you'll find "Pictures on Kindle" an essential guide.

//////////////////////////////////// Aaron Shepard is a foremost proponent of the new business of profitable self publishing, which he has practiced and helped develop since 1998. He is the author of "Aiming at Amazon," "POD for Profit," "Perfect Pages," and "From Word to Kindle," Amazon's #1 bestselling paid book on Kindle formatting.

REVIEWES "Far and away the best resource I know for self publishers who plan to include photos or other graphics in their Kindle books. From tips on taking photos, through sizing, optimizing, and placing, this book wastes no space in giving you exactly the information you need. Highly recommended." -- Joel Friedlander, TheBookDesigner.com "A detailed, comprehensive guide to getting the best out of your images on Kindle. From taking photos, to scanning, to optimizing, Aaron covers every possible step in making sure your images display well in Kindle format. In addition, he provides very useful explanations of the Kindle's image handling, for those of us who like to understand the reasons behind the steps. I for one will be adding this to my list of reference materials." -- Jim Brown, JimandZetta.com (ebook services)

This first book-length analysis of Amazon ' s Kindle explores the platform ' s technological, bibliographical, and social impact on publishing. Four Shades of Gray offers the first book-length analysis of Amazon ' s

Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts, and uses, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon 's influence extends beyond " disruptive technology " to embed itself in all aspects of the publishing trade; yet despite industry pushback, he says, the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published after 1922, and a discussion of how Amazon 's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid- and long term, limiting opportunities for developing an inclusive and forward-thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long-term impact of ebooks compared with that of the older technologies of clay tablets, the printing press, and offset printing, the shockwaves of the Kindle continue to shape publishing.

The Self-Publishing Manual, Create and Publish Your

Get Free Pictures On Kindle: Self Publishing Your Kindle Book With Photos, Art, Or Graphics, Or Tips On Formatting Your Ebook's Images To Make Them Look Great (Kindle Publishing)

Own Print and e-Book. Written by J. Bruce Jones, the author of over 40 published books. Holding your own book in your hands is a powerful feeling. Sometimes even transformative. Something we can all do now. The tools are here. But where do you start and what do you do? How do you publish your book? The Self-Publishing Manual takes you through the process from beginning to end. It answers your questions and shows you how to publish your book. Part 1. Key Publishing Questions. Part 1 answers the essential questions that people ask about self-publishing their books. Where do I publish my book? How do royalties work? What is an ISBN number? How to create a KDP/Kindle Print Book or a Kindle E-Book and how does copyright work? Part 2. Writing, Creating and Publishing Your Book. Part 2 is an overview of the creating and publishing process. The Self-Publishing Manual breaks it down into 12 clear and easy to understand steps. We start by creating the content. Learn how to create your print or e-book and set-up your cover. Next is publishing your book. How and where to go. And one of my favorite topics, re-purposing your content for more revenue. The manual includes the Self-Publishing Checklist for both print and e-book. Part 3. The Bonus Section. In the bonus section, I cover four topics. How to launch your book as an Amazon best-seller. The Best-seller Check List. How to create a book using my Top Ten Technique and we wrap up with a publishing resource list. The Self-Publishing Manual contains the latest information on KDP/Kindle publishing. Author. J. Bruce Jones is an international best-selling author. He has created or authored over 40

A Guide To Help You Cash In On The Gold Rush That Is Kindle Direct Publishing. The growth of the Kindle

marketplace is only increasing. Some people specialize in just marketing books to be read on Kindle or other E-devices.

Kindle in particular is good because although Amazon is tight lipped about how many Kindle devices are out there... the

number has to be a very large one. Many individuals can take advantage of the number of Kindle subscribers out there to

publish for the kindle specifically... The problem with this however has been the thought of "self publishing a book."

Let's face it. We are not all born writers, We do not all have creative juices flowing from our brain and landing onto the

page. To be honest the thought of "publishing a book" is very daunting and enough to put even the most strong willed

person out there off doing it. With that in mind it poses the question... There must be an easy way to do it? What you'll

Self-publishing feels overwhelming. So many places to start. Multiple options to upload various file types. They don't all match. Several distributors and combinations of distributors and social media blast options. It's difficult to know where to begin. Each section of this workbook goes into detail about everything you need before you reach the destination's internet page. Step one covers an indepth look at nine distributors. The cover page for each highlights the major points later broken into individual worksheets. Step two goes into more detail about the pre-launch and post-publishing marketing aspects among several platforms. The Book Listing Newsletter sites picks a few sites to cover. More come and go every day. It gives a general idea of what you need prepared to use them. The last major section covers information about direct sales. This is something some authors look forward to, and others dread. It'll give you a list of points to remember for each one. This group of checklists aims to help you organize your plan. Of course, it can't cover every option out there. They are constantly changing. Use these lists as a guide on your publishing and marketing journey. Worksheets can be printed and updated for each project, or kept in a binder to refer to on all stages of the process: before, during, and after publication. This book includes a link (in the back) to download an Excel spreadsheet full of data to help you connect all of this information into a practical process. Step 1: Publishing Distributors Amazon Apple iBooks Barnes and Noble Bookshare Draft2Digital Kobo Smashwords StreetLib Step 2: Publishing Checklist

***** Louise Voss, Bestselling Kindle #1 Ranking (paid UK top 100) Author "The Bible of Ebook Publishing," US Amazon Reviewer ***** "Good Grief, This Book Has Absolutely EVERYTHING!" US

Az ***** "Excellent and comprehensive. This is the best book I've read on ebook publishing to date." joerr2002 US Az ***** "I'm 83 years old, technically naive as far as computers are concerned. I bought a Kindle reader and half a dozen books which I hoped would help me to do it ... some chance; the first five were totally

incomprehensible and it was only when I read Stephanie's words that the clouds began to part. Fantastic. I strongly advise anyone wanting to 'Kindle' their writings to buy Stephanie's book. I did and it saved my sanity." US Az

*****"I have read quite a few books on formatting and this one is the best yet, really it is quite outstanding and I would recommend it as Must Do (reading) for any eBook author (or newbie)." UK Az *****'Great, great book. I can't understand how I could ever have managed my way through the ebook process without it. Given the other costs of publishing, the price is just ridiculously low.'***** Apple iBooks reviewer"Stephanie Zia has specifically targeted the writer wanting to publish on KDP, iBooks, etc., with a well constructed layout of short chapters taking the writer throughout all the essentials, from preparing the manuscript to uploading and promoting the final book. An excellent introduction for the beginner wary of the many pitfalls of self publishing." UK Az *****

Has your book sold less than 3000 copies? If so, then thank God you found this book because those sales are about to take off as a result of learning and applying what you will learn in this book. There are 4 pillars which are integral to your book's success and they are: 1) Marketing 2) Publicity 3) Distribution 4) Sales Those pillars, when mastered, will lead to steady book sales every year until you die or until you stop using the techniques laid within this book. I first published my first book in 2011 and it didn't even sell a single copy, then published my second one and it sold some copies but just not enough especially since I wrote that book for two years and worked very hard researching my topic and so forth. It sucked so much because I knew that the content of my book was brilliant

and that it was about something that was and still is a very serious topic. Ever since then I have learned about how to really sell books directly and also digitally, I have learned about how to reach the right people who will actually buy your book and not make comments about it, I learned about how to handle my finances so that I can reinvest the money from book sales back into making more book sales...I have learned so much after publishing 4 books of mine and selling over 10 000 copies, that number sounds small and insignificant next to bigger ones but trust me it's not easy to sell that many books but I have figured out what worked and what works for me and I hope that it works for you too. Are you ready to give your book the chance to really be successful? Get my book, it's a short read and it's also very practical by asking you to do certain things which will help you to understand the material more. What more is there to say, let's start selling more books!!

This book includes 4 full-length, detailed guides to self-publishing (628 pages in all, with 4 books combined together into one). These take you step-by-step through formatting (largely geared toward Microsoft Word), publishing (with CreateSpace and Kindle), marketing, and much more. Book 1: A Detailed Guide to Self-Publishing with Amazon, Vol. 1 Book 2: A Detailed Guide to Self-Publishing with Amazon, Vol. 2 Book 3: How to Self-Publish a Book on Amazon.com Book 4: Formatting Pages for Publishing on Amazon with CreateSpace Added Content: Articles on Self-Publishing (from the Author's

Blog) AUTHOR: Chris McMullen has written and self-published over a dozen paperback books and eBooks. This 4-volume boxed set also was self-published using the same techniques that are described here. Chris McMullen shares numerous useful formatting tips in clear language with precise, detailed instructions. **BOOK 1: A DETAILED GUIDE TO SELF-PUBLISHING, VOLUME 1:** Find highly detailed try-it-yourself, walk-you-through-it tutorials for how to use Microsoft Word 2010 (which is similar to Word 2007 and 2013) specifically with Windows to publish your book both as a paperback book and as an eBook. This includes: How to use numerous formatting features (like page borders and bookmark hyperlinks). How to convert the content file for your paperback book into an eBook. How to format pictures and equations in an eBook with a variety of eReaders in mind. How to minimize the eBook's file size. How to draw your own pictures from scratch. **BOOK 2: A DETAILED GUIDE TO SELF-PUBLISHING, VOLUME 2:** Find highly detailed instructions for how to edit, perfect, and market your books. Some of the specific topics include: Several common mistakes in cover design and subtle pointers for perfecting the cover. Premarketing strategies that you should be applying before you publish to give your book a headstart. Using Roman numerals and Arabic page numbers, and different headings in each chapter in Word 2010. Understanding how to interpret Amazon's sales rank and author rank. A variety of tips for arranging and preparing for book readings and signings.

Learning the true meaning of marketing and how to apply it to effectively sell your books. Using boldface, italics, linespaces, and bullets in your book description. All about branding your book and your image as an author. Setting up an AuthorCentral account, WordPress or Blogspot blog, and Goodreads author page. **BOOK 3: HOW TO SELF-PUBLISH A BOOK ON AMAZON.COM:** This book begins with the decision to self-publish or traditionally publish, moves onto important information on developing the concept and researching the book's potential, provides a thorough discussion of formatting and designing the book interior and cover in both Word 2003 and 2010, describes how to convert the Word document to PDF, shows how to publish both paperback and e-book editions, and concludes with a detailed introduction to marketing that both novices and experienced authors will find informative and helpful. **BOOK 4: FORMATTING PAGES FOR PUBLISHING ON AMAZON WITH CREATESPACE:** This self-publishing guide is focused on the details with which most self-published authors struggle. As such, the book provides in-depth coverage on formatting the interior file, yet is also concise by focusing on this one important topic. Get your formatting questions answered quickly and then get back to what you love most - writing, of course! **ADDED CONTENT: ARTICLES ON SELF-PUBLISHING (from the Author's Blog):** Formatting Marketing Publishing Comical Relief

A Guide for the Not So Savvy

Self-publishing has truly come into its own. Indie titles have captured up to 25% of the U.S. market, and the phenomenon has expanded globally, with success stories now found in Europe and as far away as India. But as the business has grown so too have the potential landmines, and authors who are best equipped to avoid the traps are those who are best informed. The Global Indie Author 3rd Edition is the definitive guide to this growth industry, exposing its secrets, separating fact from fiction, and providing clear advice for implementing a successful self-publishing project. This edition has been completely updated to reflect developments in ebook technology and includes illustrated step-by-step instructions for building ePubs and Kindle books from your manuscript. Readers will also find tips for designing a print book in a word processor, and how to deal with

quality issues with print on demand. The Global Indie Author covers all aspects of self-publishing including: * Book Structure * Manuscript Editing * Copyright and Registration * Copyright and Trademark Infringement * Libel, Obscenity, Hate Literature, Civil Liability * The ISBN System * Software * Manuscript Formatting for eBooks * HTML Editing * Cover and Interior Images * Building and Testing Kindle Books and ePubs * Print Production * Marketing * Distribution and Royalties * Payments and Withholding Tax * The Vanity Press Machine Praise for The Global Indie Author: "I have read many books about self-publishing and have to say how impressed I am with the incredible detail and research that went into putting this book together. Demers goes through virtually everything an author who wants to understand this world would need to know in order to make informed decisions. This tops my recommended list for anybody considering learning more about self-publishing in either print or ebook or both." - Mark Lefebvre, Director, Self-Publishing and Author Relations, Kobo Writing Life "If you are self-publishing, buy The Global Indie Author and read it cover to cover. It is quite possibly the best resource book available for independent authors. It combines overall strategies with step-by-step instructions and expertly guides authors through the complex maze of self-publishing both print and e-books." - Mark Hanen, Words: I Know What I Want To Say - I Just Don't Know How To Say It "The Global Indie Author is an excellent book for anyone who wants a comprehensive guide through the indie publishing journey, whether you are living in the U.S. or

living in Denmark. What I loved best is that I know each chapter was extensively researched. I put a lot of work into finding answers on the Internet. This book saves you all that trouble. Buy this book and spend your precious time writing!" - Kate Tremills, Messenger and Queen Isabel

VIEWER COMMENTS:"What would be the chance that you ever need a reference book on Kindle Publishing?" The answer could seem so obvious, however has been mistaken by so many---"you would need a reference book on Kindle Publishing when dealing with technical problem of this specific digital format by your own."--Chengnan LiuRead via KU: As an author that has self published multiple books on KDP, I found the following sections of the book especially useful: How to optimize illustrations and photos and insert them into manuscripts correctly, how to use font families to produce a professional-looking book and what types of characters and fonts to avoid in order to prevent issues with certain digital reader devices and how to properly indent paragraphs.--SuzanneKindle Publishers who receive bad reviews must understand some of the mistakes they made. For many authors, the most difficult part of learning how to write a book is not writing the text, it is learning the rest of the self-publishing process. Writing words is easy. But eBook formatting, adding illustrations and charts, proper editing and using the correct page layout can be extremely challenging. Most errors in eBooks are caused by a lack of knowledge of software, but especially by a misunderstanding of the impact of each action in converting a Word document to

ePub or Kindle book. You may be asking yourself: Why images in my ebook seem so small? Why tables are split into two pages? How can I produce a lightweight file? How can I insert a drop cap? This book is a high-level guide to modern digital publishing. In *Kindle Publishing and Formatting like a Pro*, the author discusses common book formatting, typography and font errors committed by writers and provides methods that authors in any genre can use to avoid those errors and how to self-publish Kindle books that readers will want to buy. This book is divided into three parts: PART ONE. The Easy Road to Self-publishing PART TWO. Self-Publishing Mistakes PART THREE. The Optimal Way to Produce a Kindle book Part Two contains 83 chapters, in five categories: 1. How to Prevent Typography Mistakes 2. How to Prevent eBook Illustration and Image Mistakes 3. How to Prevent eBook Formatting and Layout Mistakes 4. How to Prevent Conversion Mistakes 5. How to Prevent eBook Marketing Mistakes "Good design is good business." Thomas J. Watson, CEO of IBM, 1914-1956 Over 120 illustrations and tables were added to the book for ease of understanding. And yes! You can produce an eBook containing many images in less than three megabytes. There's no need to create high-resolution images; you only need to master image optimization. Mr Koonitz is an expert in the areas of: * Creating professional-looking images and adding them into manuscripts * Utilizing the correct typography and font families to produce error-free books * Correct usage of indentation and spacing * Converting documents into various formats such as .epub, .mobi and other file

types* How to have your manuscript edited for content and formatAll of these important topics are visited in this self-publishing guide. This is the new bible of technical tips.

A Picture Beats A Thousand Words. Right? Wrong! When readers see a painfully grainy picture in an ebook, they lose confidence in the book's merit. A properly embedded picture in an ebook enhances user experience, while a poorly-done one destroys it and damages the book's sales. This book shows you how to optimize the images in your ebooks, using Word as a magic dial to gauge and adjust. Remember: what you are self-publishing are multimedia-enabled ebooks and certain messages in them call for pictures. If you feel that you do not have much control on the quality of images embedded, this book may answer many, if not all, of your questions.
