Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

Conlon's story of 15 years in prison for a crime he did not commit.

"John Grisham's first work of non-fiction, an exploration of small town justice gone terribly awry, is his most extraordinary legal thriller yet. In the major league draft of 1971, the first player chosen from the State of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits - drinking, drugs and women. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept 20 hours a day on her

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

sofa. In 1982, a 21 year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimo"

On January 20, 1984, Earl WashingtonÑdefended for all of forty minutes by a lawyer who had never tried a death penalty caseÑwas found guilty of rape and murder in the state of Virginia and sentenced to death. After nine years on death row, DNA testing cast doubt on his conviction and saved his life.

However, he spent another eight years in prison before more sophisticated DNA technology proved his innocence and

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

convicted the guilty man. DNA exonerations have shattered confidence in the criminal justice system by exposing how often we have convicted the innocent and let the guilty walk free. In this unsettling in-depth analysis, Brandon Garrett examines what went wrong in the cases of the first 250 wrongfully convicted people to be exonerated by DNA testing. Based on trial transcripts, Garrett's investigation into the causes of wrongful convictions reveals larger patterns of incompetence, abuse, and error. Evidence corrupted by suggestive eyewitness procedures, coercive interrogations, unsound and unreliable forensics, shoddy investigative practices, cognitive bias, and poor lawyering illustrates the weaknesses built into our current criminal justice system. Garrett proposes practical reforms that rely more on documented, recorded, and audited evidence, and less on fallible

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

human memory. Very few crimes committed in the United States involve biological evidence that can be tested using DNA. How many unjust convictions are there that we will never discover? Convicting the Innocent makes a powerful case for systemic reforms to improve the accuracy of all criminal cases.

It was meant to be a two-week holiday to celebrate her sister's birthday, but for Schapelle Corby it ended up a waking nightmare. Arrested at Denpasar airport after marijuana was found in her luggage, she became the victim of every traveller's darkest fear. Over four kilograms of drugs had been planted in her bag after she'd checked it in and she was forced to face the consequences of someone else's crime in a country where the penalties for drug smuggling are among the harshest in the world. Her trial and conviction became one of the biggest news stories of the

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

decade and her family watched in horror as she was sentenced to 20 years in jail. Yet despite the huge media coverage, the one voice the public never properly heard was Schapelle's. Now, in this compelling book, she tells her own story: of being wrenched from a carefree holiday and incarcerated in a stinking police cell and of learning to survive - in the squalor, discomfort and violence of an Indonesian jail. It is an account like no other and will be one of the most unforgettable books you'll ever read.

of an African-American stripper and the unraveling of the case against them. In this ever-deepening American tragedy, Stuart Taylor Jr. and KC Johnson argue, law enforcement, a campaigning prosecutor, biased journalists, and left-leaning academics repeatedly refused to pursue the truth while scapegoats were made of these young men, recklessly tarnishing their lives. The story harbors multiple dramas, including the actions of a DA running for office; the inappropriate charges that should have been apparent to academics at Duke many months ago; the local and national media, who were so slow to take account of the publicly available evidence; and the appalling reactions of law enforcement, academia, and many black leaders. Until Proven Innocent is the only book that covers all five aspects of the case (personal, legal, academic, political, and media) in a comprehensive fashion. Based on interviews

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

with key members of the defense team, many of the unindicted lacrosse players, and Duke officials, it is also the only book to include interviews with all three of the defendants, their families, and their legal teams. Taylor and Johnson 's coverage of the Duke case was the earliest, most honest, and most comprehensive in the country, and here they take the idiocies and dishonesty of right- and left-wingers alike head on, shedding new light on the dangers of rogue prosecutors and police and a cultural tendency toward media-fueled travesties of justice. The context of the Duke case has vast import and contains likable heroes, unfortunate victims, and memorable villains—and in its full telling, it is captivating nonfiction with broad political, racial, and cultural relevance to our times. Rusty Sabich, a prosecuting attorney investigating the murder of Carolyn Polhemus, his former lover and a prominent

member of his boss's staff, finds himself accused of the crime

London, 19 October 1989. An electrified young man, with eyes wild and a clenched fist, bursts out of the Old Bailey and declares his innocence to the world. Gerry Conlon has just won his appeal for the 1974 Guildford pub bombing. After fifteen years in prison, freedom beckons. Or does it? Following his release, Conlon received close to one million pounds from government compensation, movie and book deals; he ran in the same circles as Johnny Depp, Daniel Day-Lewis, and Shane MacGowan. Conlon seemed to have it all. Yet within five years he was hooked on crack cocaine and eating out of bins in the backstreets of London. Beyond the elation of his release was the awful descent into addiction, isolation and self-loathing. But this is a book about the resilience of the human spirit. What emerges from the darkness and the

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

addiction is Gerry Conlon the pacifist; the man who came to be recognised around the world as a campaigner against miscarriages of justice. In the Name of the Son also reveals damning new evidence of statement tampering by the authorities which would 've cleared Conlon at the initial trial. Life-long friend, Richard O ' Rawe, has written a powerful and candid story of Gerry Conlon ' s extraordinary life following his years of brutal incarceration at the hands of the British justice system.

The author was accused of molesting a child and spends 3 years in the court system to clear himself of those false charges.

Gerry Conlon of the Guildford
Four

"A devastating and infuriating book, more astonishing than any legal thriller by John Grisham" (The New York Times) about a young father who spent twenty-five years in prison for a crime he did not commit...and his eventual exoneration and return to life as a free man. On August 13, 1986, just one day after his thirty-second birthday, Michael Morton went to work at his usual time. By the end of the day, his wife Christine had been savagely bludgeoned to

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

death in the couple's bed—and the Williamson County Sherriff's office in Texas wasted no time in pinning her murder on Michael, despite an absolute lack of physical evidence. Michael was swiftly sentenced to life in prison for a crime he had not committed. He mourned his wife from a prison cell. He lost all contact with their son. Life, as he knew it, was over. Drawing on his recollections, court transcripts, and more than 1,000 pages of personal journals he wrote in prison, Michael recounts the hidden police reports about an

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

unidentified van parked near his house that were never pursued; the bandana with the killer's DNA on it, that was never introduced in court; the call from a neighboring county reporting the attempted use of his wife's credit card, which was never followed up on; and ultimately, how he battled his way through the darkness to become a free man once again. "Even for readers who may feel practically jaded about stories of injustice in Texas—even those who followed this case closely in the press—could do themselves a favor by picking

exposes the failings of the justice system and its devastating consequences for both the accused and the victims.

Nicole Brown Simpson and Ron Goldman were brutally murdered at her home on Bundy Drive in Brentwood, California, on the night of June 12, 1994. The days and weeks that followed were full of spectacle, including a much-watched car chase and the eventual arrest of O. J. Simpson for the murders. The televised trial that followed was unlike any that the nation had ever seen. Long since

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

convinced of O. J.'s guilt, the world was shocked when the jury of the "trial of the century" read the verdict of not guilty. To this day, the LAPD, Los Angeles District Attorney's office, mainstream media, and much of the world at large remain firmly convinced that O. J. Simpson got away with murder.

According to private investigator William Dear, it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect. Dear now compiles more than seventeen years of investigation by his

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

team of forensic experts and presents evidence that O. J. was not the killer. In O. J. Is Innocent and I Can Prove It, Dear makes the controversial, but compelling, case that it may have been the "overlooked suspect," O. J.'s eldest son, Jason, who committed the grisly murders. Sure to stir the pot and raise some eyebrows, this book is a must-read.

to them, but the ugly phenomenon of educators falsely accused of abuse against students is growing each year. To help teachers, education association attorney Greg Lawler and mass media researcher and author Matthew D. Olson have teamed up to write this much needed title. Using real cases that Lawler has litigated, the authors explain the role of legislators, the media and the public in such emotional crises. Being careful to apply the lessons uncovered in their research to general guidelines for educators, such as the nature of how the mass media tends to report abuse accusation cases, the authors come to grips with the difficulties teachers face in clearing their names of false charges. "Crimes against children are unspeakable," notes Lawler, who has been fighting for teachers' rights for 15

including a crime of arson and an FBI investigation.

This book is about a victim of people with power that want more power and will not stop at nothing, and then cannot be held accountable for their wrong doings.

"The only firsthand account of a wrongful conviction overturned by DNA evidence"--Cover.

In 1989, Texas executed Carlos DeLuna, a poor Hispanic man with childlike intelligence, for the murder of Wanda Lopez, a convenience store clerk. His execution passed unnoticed for years until a team of Columbia Law School faculty and students almost accidentally chose to investigate his

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

case and found that DeLuna almost certainly was innocent. They discovered that no one had cared enough about either the defendant or the victim to make sure the real perpetrator was found. Everything that could go wrong in a criminal case did. This book documents DeLuna's conviction, which was based on a single, nighttime, cross-ethnic eyewitness identification with no corroborating forensic evidence. At his trial, DeLuna's defense, that another man named Carlos had committed the crime, was not taken seriously. The lead prosecutor told the jury that the other Carlos, Carlos Hernandez, was a "phantom" of DeLuna's

Read Free Proved Innocent: The Story Of Gerry Conlon Of The Guildford Four

imagination. In upholding the death penalty on appeal, both the state and federal courts concluded the same thing: Carlos Hernandez did not exist. The evidence the Columbia team uncovered reveals that Hernandez not only existed but was well known to the police and prosecutors. He had a long history of violent crimes similar to the one for which DeLuna was executed. Families of both Carloses mistook photos of each for the other, and Hernandez's violence continued after DeLuna was put to death. This book and its website (thewrongcarlos.net) reproduce law-enforcement, crime lab, lawyer, court, social service, media, and

witness records, as well as court transcripts, photographs, radio traffic, and audio and videotaped interviews, documenting one of the most comprehensive investigations into a criminal case in U.S. history. The result is eye-opening yet may not be unusual. Faulty eyewitness testimony, shoddy legal representation, and prosecutorial misfeasance continue to put innocent people at risk of execution. The principal investigators conclude with novel suggestions for improving accuracy among the police, prosecutors, forensic scientists, and judges. Lucky

wrongful conviction and of the opportunity for meaningful reform. When the final gavel clapped in a rural southern courtroom in the summer of 1988, Willie J. Grimes, a gentle spirit with no record of violence, was shocked and devastated to be convicted of first-degree rape and sentenced to life imprisonment. Here is the story of this everyman and his extraordinary quarter-century-long journey to freedom, told in breathtaking and sympathetic detail, from the botched evidence and

suspect testimony that led to his incarceration to the tireless efforts to prove his innocence and the identity of the true perpetrator. These were spearheaded by his relentless champion, Christine Mumma, a cofounder of North Carolina's Innocence Inquiry Commission. That commission--unprecedented at its inception in 2006--remains a model organization unlike any other in the country, and one now responsible for a growing number of exonerations. With

meticulous, prismatic research and pulse-quickening prose, Benjamin Rachlin presents one man's tragedy and triumph. The jarring and unsettling truth is that the story of Willie J. Grimes, for all its outrage, dignity, and grace, is not a unique travesty. But through the harrowing and suspenseful account of one life, told from the inside, we experience the full horror of wrongful conviction on a national scale. Ghost of the Innocent Man is both rare and essential, a masterwork of empathy. The book offers

a profound reckoning not only with the shortcomings of our criminal justice system but also with its possibilities for redemption. With an introduction by the author of Circe and The Song of Achilles, Madeline Miller In Lucky Alice Sebold reveals how her life was irrevocably changed when, as an eighteen-year-old college freshman, she was raped and beaten inside a tunnel near her campus. In this same tunnel, a girl had been raped and dismembered. By comparison, Alice was told

by police, she was lucky. Though Alice's friends and family try their best to offer understanding and support, in the end it is Alice's formidable spirit which resonates most in these pages. In a narrative both painful and inspiring, Alice Sebold shines a light on the true experience of violent trauma. Sebold's redemption turns out to be as hard-won as it is real. One afternoon, a twelve-year-old girl goes missing near her village. The local police tell her mother and the villagers she has been

taken by a wild animal. Five years later, young government employee Amantle Bokaa finds a box bearing the label 'Neo Kakang; CRB 45/94'. It contains evidence of human involvement in the affair. So begins an illegal and undercover struggle for justice and retribution. Botswanan High Court Judge Unity Dow's second novel is a gripping story of how groups of 'little people' come together to identify the prime suspects' the 'big men' who are beneath contempt, but above the

law.

On September 11, 2001, nineteen terrorists hijacked four airplanes and carried out attacks on the United States, killing more than three thousand Americans and sending the country reeling. Three days after the attacks, President George W. Bush declared, "This is a day when all Americans from every walk of life unite in our resolve for justice and peace." Yet in the days following, Bush declared a "War on Terror," which would result in years of Muslims being targeted on

the basis of collective punishment and scapegoating. In 2009, President Barack Obama said, "America must play its role in ushering in a new era of peace." Instead, Obama perpetuated the War on Terror's infrastructure that Bush had put in place, rendering his words entirely empty. President Donald Trump's overtly Islamophobic rhetoric added fuel to the fire, stoking public fears to justify the continuation of the War his predecessors had committed to. In Innocent Until Proven

Muslim, scholar and organizer Dr.Maha Hilal tells the powerful story of two decades of the War on Terror, exploring how the official narrative has justified the creation of a sprawling apparatus of state violence rooted in Islamophobia and excused its worst abuses. Hilal offers not only an overview of the many iterations of the War on Terror in law and policy, but also examines how Muslim Americans have internalized oppression, how some influential Muslim Americans have perpetuated

collective responsibility, and how the lived experiences of Muslim Americans reflect what it means to live as part of a "suspect" community. Along the way, this marginalized community gives voice to lessons that we can all learn from their experiences, and to what it would take to create a better future. Twenty years after the tragic events of 9/11, we must look at its full legacy in order to move toward a United States that is truly inclusive and unified.
