For Jane Austen fans who always wished her fun and witty books had more heat. The Mistress in the Making historical Regency series features sizzling hot Regency romance: character-driven, feel-good interactions that bring smiles and laugh out loud moments; and a heart warming HEA. "I recommend all three of the Mistress in the Making books to anyone who enjoys electric passion, witty humor, and a beautiful love story!" Reading Rebel Reviews "I did so enjoy reading all three books about the growing love between Theta and Daniel. They were funny and well written and I can't wait to read more of this author's books. Highly recommended reads and definitely keepers!" Five-Star UK Reviewer Seductive Silence (Book 1) - Pestered by a persistent stammer, a regency lord with a keen interest in orreries and boxing—but not in talking—must find a way to woo his new mistress without words. Recently widowed and increasingly poor, Theta's been reduced to sharing her rented room with rodents and arguing over every morsel (the mice usually win). So when a friend suggests Theta consider a scandalous alliance, she cannot help but be intrigued... Lusty Letters (Book 2) - Theta's fascinating new protector has secrets—several. Hesitant to destroy her newfound circumstances, she stifles her longing to know everything about the powerfully built—and frustratingly quiet—Marquis. But then his naughty notes start to appear, full of humor and wit, and Theta realizes she's about to break the cardinal rule of mistressing—that of falling for her new protector. Egad. Lord Tremayne takes to writing letters to woo his new mistress, little realizing how their fun, flirty exchanges will quickly become the light of his day. Or how wretched he'll feel when the charming Theta suggests they banter in person, possibly pen poetry—together. Blazing ballocks! Is she insane? Daring Declarations (Book 3) - An evening at the opera could prove Lord Tremayne's undoing when he and his lovely new paramour cross paths with his sister and brother-in-law. Introducing one's socially unacceptable strumpet to his stunned family is never done. But Daniel does it anyway. And it might just be the best decision he's ever made, for Theta's quickly become much more than a mistress—and it's time he told her so. The sweet and spicy, 117,000 word Mistress in the Making historical romance bundle is a fun, "sexy Jane Austen styled", emotionally satisfying tale told in three parts: Seductive Silence, Lusty Letters, and Daring Declarations. Parker and Cassie Wild's newest sexy and twisted collaboration, Pure Lust.

"In Search of Pure Lust documents an important chapter in lesbian history that is already being distorted and erased, a time when lesbians were reinventing everything from the ground up. Along with violence against women around the globe, lesbians of the 1970s and '80s were motivated by growing militarism, rampant development, species loss, and living systems in decline. For many, this was the logical conclusion to a state of law/mind/rule that had prevailed for thousands of years - patriarchy. This is a long overdue and unvarnished insider's account of those times. The memoir, centered in the Northeast U.S. and then later in Quebec, combines a personal story with the story of a political movement. The book is full of celebration, but also depicts the shadow side of the lesbian movement, taking the reader into the bitter squabbles that divided women, both personally and politically. On a deeper level, the memoir charts a long and difficult quest for love. Over and over, the narrator dives headlong into rapturous passions that either fizzle out or come to brutal and ugly endings. In the mid-'80s, when a friend invites her to a Zen retreat, she as desperate enough to say yes. A period of difficult self-examination ensues and, over a period of years, she begins to learn an altogether different approach to desire. The last section of the memoir traces the fallout from that collision between hot-blooded lesbian desire and spacious, temperate Zen mind. What the search for pure lust uncovers, in the end, is something that looks a lot like love."--

As a corporate lawyer, there isn't a whole that gets by Hannah, much less the warning signs of a failing relationship. She knows that her four-month-old relationship with Josh Homes is already over, but he breaks down in tears when she tries to break up with him. She's too sympathetic and can't stand to see him cry, so she gives him what he wants: a weeklong trip to Friday Harbor to attend his sister's wedding, during which he hopes to show Hannah that they were meant for each other. Matthew Homes hasn't seen his brother Josh in nearly a decade. Their relationship has been stormy since long before Matthew used his share of the family fortune to set up the biggest real-estate conglomerate in the United States, while Josh blew his share on small businesses that failed, leaving him an everyday accountant. But Matthew isn't just a successful real-estate mogul—he's also the ultimate dominant, with sinfully tempting looks and the sly prowess and charm of a panther. When Matthew sees Josh at the wedding, he's immediately taken back by the sexy and confident woman he calls his girlfriend. But will Matthew fall for Josh and Hannah's act?
