QuickBooks for Churches and Other Religious Organizations

The Zondervan 2019 Church and Nonprofit Tax and Financial Guide annual reference guide continues to be one of the few resources offering tax and financial advice to churches and nonprofit organizations. Issues of financial accountability, receiving and maintaining tax-exempt status, accounting for charitable gifts, and other crucial topics receive careful and full discussion. The 2019 edition also contains a thorough description of tax laws affecting churches and other nonprofit organizations, ensuring compliance with all regulations. The book includes expert advice on handling charitable gifts, sample policies and procedures, easy techniques for simplifying financial policies and procedures, insights on medical expense reimbursements, key steps in sound compensation planning, and examples of required IRS filings.

From the front desk to the back office, a clear and thorough guide that helps pastors and church staff become effective and efficient leaders, managers, and administrators. Second edition.

Learning how to handle a congregation's finances "on the job" can be a harrowing experience. Yet efficiently managing your church's business affairs is a key element in keeping current members satisfied with their pastoral leadership -- and in attracting the new members you need for your church to grow in size and influence. In Basic Business Principles For Growing Churches, Arnold Cirtn shares expertise gained from more than four decades of corporate and academic experience. He provides a clear and helpful primer for pastors with limited training in business administration on such practical topics as accounting, fiscal management, and marketing. This is an indispensable book for pastors of small- and medium-sized churches (who typically are also their congregations' principal financial officers), as well as for church treasurers, trustees, and other financial board members. When you follow the guidelines in Basic Business Principles For Growing Churches, your church will be fiscally responsible, managed efficiently, and able to maximize its growing stewardship of God's resources. Arnold Cirtn is professor emeritus of accounting at Ball State University, and is a certified public accountant (CPA) in the states of Indiana and California. Cirtn is the author of Principles of Accounting Study Guide, as well as numerous articles in professional journals.

• Written by CPA working exclusively with parishes of various denominations • Updated to reflect changes in tax law • What to do and how to do it for parishes of all sizes • Real-life examples Experience shows that open and transparent churches engender a greater feeling of trust and willingness on the part of the donor. The policies and processes in Financial Management for Episcopal Parishes, which can be implemented by any size church, allow clergy, vestry, and parishioners to establish and document procedures that enable a financially transparent organization. The book defines the roles of the clergy, staff, vestry, and congregation and outlines what needs to be done by them to design and implement a system of checks and balances for financial oversight and stewardship, in order to protect donations and assets. Throughout the book, real-life examples of processes and procedures that did not work (and why) make for enjoyable reading of an otherwise business-like subject. Every reader will recognize some of them in their own church life.

Inspired by a true story and told from a fresh perspective, this uplifting tale tracks an extraordinary young woman persevering through the challenges of love and war..."a stunningly realistic, absorbing quality that will make it a powerful juxtaposition to Diary of Anne Frank, recounting the youth experience from quite a different vantage point and making it a special recommendation....Midwest Book Review--D. Donovan, Senior ReviewerHedy spends her childhood playing with her Hitler Youth group in the hills of Western Germany. When the Führer's troops march across Europe, Hedy is determined to help the soldiers by becoming a physical therapist. The Nazis, however, have other plans. Suddenly she finds herself assembling airplanes, dodging bombs, battling hunger, and standing up to invading tanks.As the pride in her country is shattered with the news of the Nazi atrocities, her father reminds her, "The darker the night, the brighter the stars." Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

Learn how to use the popular QuickBooks Online in a nonprofit or religious environment. Lisa London, CPA, takes the non-accountant step by step through the process. Join over 10,000 readers of The Accountant Beside You series for assistance with your organization's accounting needs.

Providing information on using QuickBooks to track financial data in nonprofit organizations, this book covers all versions of QuickBooks. Ministers and other church employees are subject to special U.S. tax regulations. Virtually every year, tax law rulings affect the way that they should file their taxes. A working knowledge of these rules can help the minister save money--and that helps the church save money. Worth's Income Tax Guide for Ministers helps church workers comply with the latest tax laws. Includes step-by-step instructions for setting up the minister's compensation package to save tax dollars. Includes samples of completed payroll reports, W-2s, and tax returns, showing the church treasurer and minister what documents to file, how to file and when to file them.

Nonprofit accounting can be difficult for small not-for-profit organizations. Lisa London, CPA, takes readers step by step through how to set up a bookkeeping system, how to navigate the IRS rules and regulations around donor acknowledgments, accountable reimbursement plans, and how to file payroll and other annual reports. Unrelated Business Income Tax (UBIT) is explained in detail and

Lisa also steps the reader through filing out the 990 EZ and the 990 T Forms.

I'm excited about Faith Driven Entrepreneur. Anyone who is following the example of their creator God can find echoes of their work in this book. Lecrae Entrepreneurship can be a lonely journey. But it doesn't need to be. God has a purpose and a plan for all those entrepreneurial dreams and creative gifts he gave you. The work you do today, the company you've built, the employees you work with, the customers you serve, the shareholders you report to, all of it serves as an active part of what God wants to accomplish on earth. You are not alone in this journey. Join other faith-driven entrepreneurs as, together, we identify the values, habits, and traits that empower us to successfully build businesses, serve our communities, and faithfully pursue a loving relationship with God; read stories that exemplify how those values, habits, and traits unfold in everyday life; and discover the potential God wants to unleash through our work. Each book purchase includes access to the eight-session Faith Driven Entrepreneur video series, a discussion guide to encourage conversation among peers, and an invitation to join a Faith Driven Entrepreneur Group to meet other like-minded entrepreneurs.

QuickBooks is a bookkeeping software for finance professionals to manage business accounting demands and reports. This book will help you build the perfect budget, simplify tax return preparation, manage inventory, track job costs, generate income statements and financial reports, and every other accounting-related task crossing your desk at work.

Becoming Self less Becoming one was the prayer that Jesus prayed in John 17. Then why are we all so fractured in our lives, our families, and our churches? The underlying reason is self. It was catapulted into the world at the Fall of Man and is alive and flourishing in this generation. Self, selfishness, and self-centeredness will stifle our lives and the fulfillment we all are seeking. Become free, become aware, and become Self less today. In the process of becoming Self less you have come face to face with the reality that we all are carriers of this character trait. We are allowing this sin to stifle our purpose and the joy of fulfilling His plan in our life and our culture. These topics lead us to the tools to eradicate this driving force from our lives, our families, and the life of the Body of Christ:• Training Your Brain to operate more like Him and less like self-centered self• The Plan, living within the boundaries of 8 in 4:8• How to renovate your life, your family, and this culture Realization of self-centeredness in our individual lives as well as in the local church will help us intentionally become one as Jesus prayed. As we acknowledge the sin of pride that consumes us we can become the true and powerful Body of Christ. • Self less is a call to action; it begins with you and me • The Self less individual is a powerful individual! Self less men and women will develop into Self less churches Self less churches will have the explosive growth that they are seeking Cultures change and nations change when we as individuals change. You will not be satisfied with your life as you knew it. You will recognize the lies and the defeat of your previous perspective of your life. You will never return to your self-centered self. YOU won't be there!

Accounting for churches is not the same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister.Lisa London, The Accountant Beside You who brought you QuickBooks for Churches & QuickBooks for Nonprofits, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. A CPA with decades of experience working with businesses as well as churches and other nonprofits, Lisa explains complex concepts in a reader-friendly, engaging manner. She is joined by Vickey Boatright, an accountant who runs The Online site for all things church accounting, www.freechurchaccounting.com. Together, Lisa and Vickey guide you through every essential aspect of church accounting. Church Accounting: The How-To Guide for Small & Growing Churches is a must-have reference for all the nuts and bolts of church accounting no matter what your accounting system. Lisa and Vickey help you set up accounting spreadsheets and explain the different types of accounting packages. If you are already using QuickBooks, it is also a perfect compliment to QuickBooks for Churches and Other Religious Organizations. Additionally, The Accountant Beside You will show you how to:calculate and file employee payroll without paying for an outside servicedesign and implement a compensation package for your minister, including a housing allowancecancel up and administer a benevolence fundacknowledge donations per IRS guidelines, including vehicle donationsprepare for an annual auditbudget and forecast to provide for future church growthreimburse employees' expenses per IRS guidelinesset up proper internal controls to guard against fraud or errorimplement the basics to start a new churchdesign church by lawset up filing systems and the organize the officeThe Accountant Beside You series of accounting books for churches and nonprofits have been sold in all 50 states and every inhabitable continent.

Updated for 2015 and expanded to include tracking payroll within QuickBooks. Are you the person who holds the office together at your church while being torn between your responsibilities to the programs, the clergy, and the finances? Don't let your bookkeeping duties be another source of worry. If you use QuickBooks at your house of worship, The Accountant Beside You can make this one job hassle-free. Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. This is the only guide targeted specifically to QuickBooks for Churches. Lisa London, The Accountant Beside You, walks you through QuickBooks from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and hundreds of screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded-to-do list.

Orlando U. Javien, Jr., had been searching for purpose in his life. When he witnessed a prayer group ridding a house of its demons, he realized he longed for the power of the Holy Spirit. This set him on the pathway to finding his purpose.In God Moments, inspirational speaker and author Orlando Javien Jr. shares his spiritual journey toward a more purposeful life and a deeper level of faith through entertaining and wholly reliable tales from his life. He tells of the struggles in his marriage and how a game of golf taught him how to be a better husband. He shows that picking up underwear can be a test of faithfulness. He relates the story of how his death on CSI led him to live a fuller life. In God Moments, you'll see that faith can be found if you truly look and listen, even in unusual places. His authentic and vulnerable perspective will change the way you think about life, faith, and knowing God."Orlando's stories will change the way you look at life."-Jose Campo, teacher, coach and Author of Wisdom from the Corner

Creating an Account Journal Report NEW YORK TIMES BESTSELLER The “ paradigm-influencing ” book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “ a spiritual badass. ” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today ’ s evangelicals might not be theologically astute, but they know their VeggieTales, they ’ ve read John Eldredge ’ s Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “ Christian America. ” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “ moral majority ” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals ’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

Accounting for nonprofit organizations can be quite different than for-profit businesses. Most books and guides available today are focused on either QuickBooks(r) or nonprofit accounting alone, but not both. Geared toward people without QuickBooks experience, Using QuickBooks(r) for Nonprofit Organizations, Associations & Clubs shows the reader how to set up and use QuickBooks(r) in a nonprofit environment. Lisa London, The Accountant Beside You, walks you through QuickBooks for Nonprofit Organizations from start to finish. With her friendly easy-to-understand style, and step-by-step instructions and screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for nonprofits provides new procedures for even the experienced bookkeeper. Not only does she take you through how to set up QuickBooks and utilize it more efficiently for your organization, but she also covers everything you need to know to implement controls and procedures to ensure that your money is always protected. The step-by-step instructions and hundreds of screen shots explain how to: Manage member dues, fundraisers, and trips Track grants and contracts Allocate overhead to programs & grants Set up internal accounting controls to protect the money Customize forms Track volunteer hours and much more. Using QuickBook for Nonprofit Organizations, Associations, & Clubs includes sample charts of accounts for associations, PTAs, private schools, scouting troops, and civic groups. Covers the PC editions of QuickBooks including 2014. Check out Lisa's QuickTips Blog at www.accountantbesideyou.com for tips and videos. Here's what verified Amazon purchaser's have to say about Lisa London's flagship book, QuickBooks(r) for Churches and Other Religious Organizations: "I have been a church treasurer for more than 8 years and purchased this book to help "grow" our church QB system to automate reports and information required by our diocese and to track some nuanced restricted/unrestricted gifts. I found it helpful as a reference for best practices that go beyond Quickbooks accounting AND as a "how-to" manual with straightforward, step-by-step instructions to set up the chart of accounts, the item list and other specific QB tools. I'd recommend this as an office reference for churches of all sizes and accounting systems." Lois Wallenhos "We are transitioning from Quicken to Quickbooks and Lisa's book has been outstanding. Her book has been extremely helpful in assisting me in making the transition from Quicken to Quickbooks. As well as understanding the differences for a church trying to utilize a commerce-focused product (Quickbooks) as a religious organization. I would highly recommend this book to anyone!" James Underwood "This is a great resource to have by your side if you are setting up QB or already using QB's. It is very easy to understand and explained in detail. I also was able to communicate with Lisa via email, and she was a huge blessing! Very prompt and thorough in answering any questions I had. I would highly recommend this book to all users that need to get a better feel for the essentials of using QB's. There is also a handbook you can purchase that will be helpful as a companion guide to the book as well." Michelle Vandehey"
