**With millions of followers on Instagram, Juniper the fox is the internet's cutest pet! Juniper's adorable snaggleteeth smile and fun-loving personality are vibrantly captured in this heartwarming book. With gorgeous photos, a charming narrative about Juniper's life, and a behind-the-scenes look at what it's like to live with a fox, this book will capture the heart of any animal lover. Juniper's story chronicles her adoption and real-life Fox and the Hound relationship with a dog named Moose as well as the hilarious shenanigans she regularly gets herself into—including adapting to her new companion Fig, a younger fox who was rescued from a fur farm. Readers will also get a look at the thing Juniper is best known for: she paints with her paws! Juniper's paw paintings sell out instantly on her website, and readers will delight in learning more about her artistic adventures. With her signature grin, Juniper reminds us that there is always something to be happy about; you just have to know where to look.**

**This book's 50-plus lessons-each based on a different picture book or story-will help classroom teachers build a foundation for teaching math, science, and social studies concepts to their students. Each lesson uses children's literature to make challenging, abstract concepts relevant to children's lives, inviting them to learn these concepts while responding to a story's illustrations, theme, characters, and plot. The lessons also demonstrate how teachers can use children's literature to meet national standards in math, science, and social studies. Chapters 1 through 5 set the stage for using picture books, discussing the effective, imaginative integration of literature into the classroom. Teachers will learn to create an environment that ensures that when children and books come together, the experience is enjoyable and thought provoking. Chapters 6 through 9 provide individual lessons, by grade level, with detailed activities based on specific books.**

An irresistible photographic story featuring wild squirrels in homemade miniature domestic settings -- taking a bath, doing laundry and barbecuing -- will surprise and amuse readers and animal lovers of all ages! Adorable squirrels as you've never seen them before. You may think you know what squirrels do all day...but Mr. Peanuts is no ordinary squirrel. Instead of climbing trees, he plays the piano ("Moonlight Sonata" is his favorite.) Instead of scurrying through the woods, he reads books (such as A Tail of Two Cities). Everything is more fun with company, so Mr. Peanuts writes a letter to Cousin Squirrel and invites him for a visit! Featuring beautiful photographs of wild squirrels in handcrafted, homemade miniature settings, this irresistible book is sure to delight readers young and old!

Founded in 1957, Chase's observes its 60th anniversary with the 2018 edition! Users will find everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and more. "One of the most impressive reference volumes in the world."--Publishers Weekly.
