The Hunting Party

After breaking the 100m world record, sixteen-year-old Calli is whisked away to a secret facility where she's placed with other teens who possess superhuman speed. She soon finds herself in a deadly situation involving other superpowers, a magical diamond, and a centuries-old clan vying for world domination. Calli will have to rely on her quick wit and gut instinct to navigate her new world which includes secretly carrying a power-infusing diamond, all the while steering clear of the young man who mistakenly believes she's his soulmate. Book one of The Unaltered series introduces a secret universe existing within our own. In this world, cosmic energy grants superhuman abilities, and people of like ability band together in clans for both safety and community. Flesh-ripping demons prowl at night, drawn to the cosmic energy. Governments spy on clans, clans spy on governments, and trusting the wrong person may carry a terrible price.

An instant New York Times bestseller! A girl who can speak to gods must save her people without destroying herself. A prince in danger must decide who to trust. A boy with a monstrous secret waits in the wings. Together, they must assassinate the king and stop the war. In a centuries-long war where beauty and brutality meet, their three paths entwine in a shadowy world of spilled blood and mysterious saints, where a forbidden romance threatens to tip the scales between dark and light. Wicked Saints is the thrilling start to Emily A. Duncan's devastatingly Gothic Something Dark and Holy trilogy. This edition uses deckle edges; the uneven paper edge is intentional.

The Shinji Ikari detective diary

Your Hands Can Heal You

Three siblings. One year. Everything changes. Aussie billionaire businessman and pilot Cade Pax has struggled to put his life back together after suffering a tragic loss. With his purchase of Island Air and recent move to the small Massachusetts island, he sees his chance for a fresh start. Cade's sole focus is on growing his investment and avoiding romantic entanglements at all costs. Then he hires Rebecca Carter Interiors' new assistant designer to help him update the aging airport. Cade quickly finds himself fascinated by the sassy beauty who often speaks her mind, talking in a way most people wouldn't dare. Single mother Gwenyth Carter has recently been through a divorce. She's starting over after several months of nasty surprises. Newly divorced and nearly broke, rebuilding her life one step at a time. Gwen's certain she has everything she needs: her sweet daughter, a supportive family, and her dream career. She's endlessly grateful when the lucrative airport project falls into her lap. But Gwen soon realizes that her new job comes with unforeseen complications, mainly the amount of time she's forced to spend with her gorgeous client and her daughter's accent. Their mutual attraction is undeniable, yet Gwen tries her best to keep a professional distance, even when she recognizes how wonderful Cade is with her daughter. But it isn't long before she's dealt another unexpected blow that she struggles to handle on her own. Gwen will have no one to turn to the one man she's determined not to want or risk losing what she loves most.

A futuristic thriller set in 21st century Los Angeles where "blade runners" seek out and destroy genetically-made criminal replicants.

"You may wonder what my least-favorite student was doing in my living room. In a twist of fate, he might seem hilarious if it happened to someone else, he was now my stepson." Professor Moore is looking forward to a quiet summer in Mahina, Hawaii working on her research and adjusting to her new married life. But when a visit from her new husband's relatives coincides with a murder, Molly wonders what she's married into--and realizes she might have a killer under her roof.

A bet turned into a disaster. Sebastian Weaver is the star quarterback and the college's heartthrob. Rich. Handsome. Bastard. Everyone's attention flocked toward him and all the girls dreamed to be with him. Not me. At least, not until he made a move on me. See, I thought I was stronger than Sebastian's charms. I thought I could survive being his target. I thought wrong. Little did I know that he will make my most twisted fantasies come true. Fantasies I didn't know existed... Red Thorns is a dark new adult book that contains dubious situations some readers might find offensive and/or triggering. This is part of a duet and is not standalone.

100 Diagrams That Changed The World is a fascinating collection of the most significant plans, sketches, drawings and illustrations that have changed the way we think about the world. From primitive cave paintings to the complicated DNA double helix drawn by Crick and Watson, they chart dramatic breakthroughs in our understanding of the world and its history. This fascinating book encompasses everything from the triple spirals found on prehistoric megalithic tombs dating right up to the drawings sent out on the side of space exploration probes. Discover Leonardo da Vinci's beautiful technical drawings, pre-empting the invention of manned flight, Copernicus's bold diagrams that dared to tell us that Earth was not at the centre of the Universe, as well as the history of the more everyday diagrams that we now take for granted. Every diagram is clearly illustrated and placed into context with very accessible text even for the lay reader. Diagrams include: Egyptian Book of the Dead, Chauvet cave drawings, Aztec Calendar, sheet music, Vitruvian Man, Galileo's telescope, Hooke's Micrographia, the Porphyrian Tree, Dunhuang Star Map, Newcomen's steam engine, the Morse Code, Brooks Slave Ship, William Playfair's bar chart, Thomas Edison's light bulb, Nazi propaganda map, sewing patterns, Feynman Diagrams, the DNA double helix, IKEA flat-pack furniture instructions, the World Wide Web schematic, Carl Sagan's Pioneer Plaque.

Zepp Hunt wasn't the king of Dayton high school. He was the top of the food chain. And I was next in line to be dragged into the lion's den. At least that's what he thought... Good girls wanted to tame him. Bad girls wanted to be tainted by him. Everyone bowed down to him. And me? I hated Zeppelin Hunt with every fiber of my being. Which was why I stayed away from the arrogant bad boy with tattoos and a rap sheet. Until I couldn't. Until we traded favors, and I owed him three months of my life. I never thought I would end up in

his bed, and when I did, I had to remind myself that he hated me as much as I hated him. Until I didn't. Zepp Hunt was no prince, and I absolutely refused to be his damsel in distress...

People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine. An edgy, potent adventure series that's part science-fiction, part detective series, part western, *Edgeworld* is a unique blend of energy, comedy and darkness like nothing you've ever read. On the edge of known space, on the backwater, frontier planet of Pala, magistrate Killian Jess, and native Palan Cheela fight to protect a planet, and

people, the rest of the galaxy has forgotten. Battling military occupation, alien invasions, otherworldly infestations, drug running, gang violence, black market traders, and the disastrous, ecological aftermath of a brutal, planet-wide war, they must learn to work together and collect any allies they can from the castoffs, misfits, and aliens occupying Pala, in order to save the world they love. Edgeworld marks the surprise return to comics of Dreamworks television producer Chuck Austen, the X-Men and Superman writer, partnering with his good friend, long-time Marvel/DC artist Patrick Olliffe.

What if one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you -- with the "energy medicine" of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural, vital energy -- which is also called prana -- to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements; energetic hygiene, the practice of keeping your personal energy tank clean and full; breathing; and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion and colds, menstrual cramps, even depression and stress-related disorders, is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, *Your Hands Can Heal You* demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in *Your Hands Can Heal You* as in the popular Pranic Healing workshops. Additionally, they present, for the first time in any book, the Grandmaster's special modifications to

the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. This exciting new mind-body health reference proves that you can heal yourself -- with your own two hands.

Treachery of Water

Featuring contributions from psycholinguists, cognitive neuroscientists, and linguists, this book provides a comprehensive, multidisciplinary review of the core aspects of human language processing.

With a background in the physical sciences, Dr. Eric Skousen has produced a stunning account of the creation of the earth from the findings of earth scientists and the teachings of the Lord's prophets. At last, many unanswered questions about the earth's creation can be resolved with confidence. For example, how long did it take? Where did it take place? What about evolution, fossils, dinosaurs and cave men? Well-supported answers are here. For those who have been challenged to explain the earth's creation from an LDS viewpoint, this book will be helpful and enlightening. And for those who enjoy contemplating both the discoveries of science and the revelations of God, this book will be extremely stimulating and thought-provoking. Readers have commented: Dan from Canada: "This book has enlightened my mind and given me the wonderful opportunity to see the intermeshing between science and our religion." Paul from Texas: "Well-supported viewpoint and thought-provoking reading.... I appreciate Brother Skousen's heavy usage of scriptural references and quotes from trustworthy Church leaders." Kristy from Utah: "Answered a lot of questions I had from my geology classes and gave me a deeper appreciation for this awesome planet we live on and the creator of it." Kelly from California: "This book explained so much about issues that had previously confused or bothered me." Jerome from Georgia: "Life altering, made me a better person.... If you really want to understand the 'Big Picture' then this book is a must read." Dave from Washington: "One unexpected blessing received from reading this book was an enhanced Temple worship experience." Ed from Iowa: "If you are LDS, this will open your eyes to things that are incredible and you will not look at the world we live in in the same way again." Devon: "Scholarly material well presented for the layman." This eBook includes the original index,

illustrations, footnotes, table of contents and page numbering from the printed format.

Comprehensive in scope and contemporary in coverage, this text explores modern digital and data communications systems, microwave radio communications systems, satellite communications systems, and optical fiber communications systems.

Blade Runner

International Bestselling author Angela J. Ford launches her brand new Lore of Nomadia series with *Treachery of Water*: the story of an alluring nymph, a curious librarian, a renowned hunter and a mad sorceress as they seek to save-or destroy-the empire of Nomadia. Foul magic stirs in the depths of the sea where sirens are ruled by the whims of powerful water nymphs. But when fever sweeps the watery kingdoms, threatening to destroy the race of sirens forever, a new hero must rise. Darya, a water nymph, is chosen to find a magical remedy to save her people. But the spell for the cure lies ashore in the Great Library of Nomadia. Forsaking the depths, Darya begins a desperate quest to save her home, her people and everything she loves. But her quest goes awry when she is captured by slave traders who bind her magic. Nurimil is a legendary hunter known for his skills in procuring magical creatures and artifacts. Unfortunately, a bounty is on his head and he's on the run with a risky plan to secure his own freedom. A plan that becomes twisted once he lays eyes on Darya. Araceli the Faun works in the capital city of Nomadia as a librarian. When traveling mages leave behind a mysterious tome she becomes obsessed with it. As she unravels the secrets of the book, it shows her how to summon a dark and devious jinn. As Darya, Nurimil and Araceli wrestle with their own endeavors, they will soon discover they have the potential to sway the fate of Nomadia. For unrest plagues the empire of Nomadia. A darkness rises, fueled by a cruel sorceress with a hideous desire to throttle magic and rule all races with an iron fist. Set in an immersive fantasy world, *Treachery of Water* is the first book in the Lore of Nomadia Trilogy. This gritty, action-packed adventure includes diverse creatures, twisted sorcery, powerful friendships and passionate romance. The trilogy will delight fans of dark and romantic fantasy.

“If you’re looking for sensuality, you won’t be disappointed in Johanna Lindsey.” —Chicago Tribune A classic romance novel from #1 New

York Times bestselling author Johanna Lindsey, *Warrior's Woman* boldly goes where no romantic fiction has gone before! An ingenious blend of sizzling passion, paranormal romance, and science fiction romantic fantasy, *Warrior's Woman* travels far into the future—where a fearless intergalactic traveler hoping to save her endangered home world seeks a champion on a planet of strapping barbarians...and finds herself making very physical contact with a truly magnificent savage.

The epic sequel to the bestselling TikTok sensation *We Hunt the Flame!* This is YA fantasy at its best. Lush, hopeful and devastating, *We Free the Stars* is Hafsah Faizal's spellbinding conclusion to the *Sands of Arawiya* duology. Perfect for fans of Leigh Bardugo's *Shadow and Bone* series. Darkness surged in his veins. Power bled from her bones. The battle is over, but the war is just beginning. Low on resources and allies alike, Zafira and Nasir are determined to finish their mission; to restore magic to their kingdom. But the land teems with the return of an ancient evil, and as Nasir fights to command the magic in his blood, Zafira battles a very different darkness. And yet, in spite of everything, they find themselves falling into a love they can't stand to lose. Time is running out and if order is to be restored, sacrifices will have to be made . . .

Every little girl dreams of the fairytale. The one where the white knight rushes in to save her from the clutches of evil. They fall in love, have babies, and live happily ever after. By that definition, my life should have been a fairytale too. When I was eight years old, Caven Hunt saved me from the worst kind of evil to walk the Earth. It didn't matter that I was a kid. I fell in love with him all the same. But that was where my fairytale ended. Years later, a one-night stand during the darkest time imaginable gave us a little girl. It was nothing compared to the pitch black that consumed me when I was forced to leave her with Caven for good. At the end of every fairytale, the happily-ever-after is the one thing that remains consistent. It wasn't going to be mine, but there hadn't been a night that passed where I hadn't prayed that it would be hers. I owed Caven my life. However, I owed that innocent child more. And that included ripping the heart from my chest and facing her father again.

"What a pretty flower to keep locked in a big, rocky tower." Nineteen years ago, I was plucked from the heart of a bloody massacre that spared nobody else. Small. Fragile. An enigma. Now ward to a powerful High Master who knows too much and says too little, I lead a simple life, never straying from the confines of an imaginary line I've drawn around the castle grounds. Stay within. Never leave. Out there, the monsters lurk. Inside, I'm safe ... though at a cost far greater than the blood I drip into a goblet daily. Toxic, unreciprocated love for a man who's utterly unavailable. My savior. My protector. My almost executioner. I can't help but be enamored with the arcane man who holds the power to pull my roots from the ground. When voracious beasts spill across the land and threaten to fray the fabric of my tailored existence, the petals of reality will peel back to reveal an ugly truth. But in a castle puddled with secrets, none are greater than the one I've kept from myself. No tower is tall enough to protect me from the horror that tore my life to shreds. To Bleed a Crystal Bloom is a dark Rapunzel reimagining full of immersive imagery and breathtaking angst. A unique new fantasy series perfect for fans of Sarah J. Maas and Jennifer L. Armentrout, guaranteed to grip you from the very first page.

Twenty years ago, a barmaid in a harbor town fell for a young sailor who turned pirate to make his fortune. But what truly became of Black Edward Tew remains a mystery—one that has just fallen into the lap of freelance sword jockey Eddie LaCrosse. For years, Eddie has kept his office above Angelina's tavern, so when Angelina herself asks him to find out what happened to the dashing pirate who stole her heart, he can hardly say no—even though the trail is two decades old. Some say Black Edward and his ship, The Bloody Angel, went to bottom of the sea, taking with it a king's fortune in treasure. Others say he rules a wealthy, secret pirate kingdom. And a few believe he still sails under a ghostly flag with a crew of the damned. To find the truth, and earn his twenty-five gold pieces a day, Eddie must take to sea in the company of a former pirate queen in search of the infamous Black Edward Tew...and his even more legendary treasure. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An Enemies to Lovers Romance

Award-winning author Linnea Sinclair brings her special sizzle to science fiction with this action-packed blend of otherworldly adventure and sexy stellar romance. . . . After a decade of piloting interstellar patrol ships, former captain Chasidah Bergren, onetime pride of the Sixth Fleet, finds herself court-martialed for a crime she didn't commit—and shipped off to a remote prison planet from which no one ever escapes. But when she kills a brutal guard in an act of self-defense, someone even more dangerous emerges from the shadows. Gabriel Sullivan—alpha mercenary, smuggler, and rogue—is supposed to be dead. Yet now this seductive ghost from

Chaz's past is offering her a ticket to freedom—for a price. Someone in the Empire is secretly breeding jukors: vicious and uncontrollable killing machines that have long been outlawed. Gabriel needs Chaz to help him stop the practice before it decimates Imperial space. The mission means putting their lives on the line—but the tensions that heat up between them may be the riskiest part of all.

When I was fifteen, a single bullet changed my life. I spent the next decade trying to outrun the devastation of my past, building an empire that would shield me from whatever life could throw at me. But all the money in the world couldn't help me when I found a screaming newborn abandoned on my doorstep. I'd never wanted to be a father. Passing the sludge that ran through my veins down to an innocent child seemed like a tragedy. But there she was—pink cheeks, red hair, and mine. Somehow, against all logic, that little girl became the best thing that ever happened to me. It was impossible to stay lost in the past when I was the only one who could protect her future. Which is exactly why, when her mother came back four years later, I was ready for battle. If only I could stop myself from falling in love with her during the war.
