The Circle

The Life in the Wood with Joni-Pip (Text-Only 2nd Edition)

An Adrenaline-Laced Epic Where Dreams and Reality Collide. Fleeing assailants through deserted alleyways, Thomas Hunter narrowly escapes to the roof of a building. Then a silent bullet from the night clips his head . . . and his world goes black. From the blackness comes an amazing reality of another world where evil is contained. A world where Thomas Hunter is in love with a beautiful woman. But then he remembers the dream of being chased through an alleyway as he reaches to touch the blood on his head. Where does the dream end and reality begin? Every time he falls asleep in one world, he awakes in the other. Yet in both, catastrophic disaster awaits him . . . may even be caused by him. Some say the world hangs in the balance of every choice we make. Now the fate of two worlds hangs in the balance of one man's choices.

#1 New York Times bestselling author Nora Roberts' Circle Trilogy begins with an epic tale that breaks down the boundaries between reality and the otherworldly, while forging together the passions of the men and women caught in a battle for the fate of humanity... In the last days of high summer, with lightning striking blue in a black sky, the sorcerer stood on a high cliff overlooking the raging sea... Belting out his grief into the storm, Hoyt Mac Cionaoith rails against the evil that has torn his twin brother from their family's embrace. Her name is Lilith. Existing for over a thousand years, she has lured countless men to an immortal doom with her soul-stealing kiss. But now, this woman known as vampire will stop at nothing until she rules this world—and those beyond it... Hoyt is no match for the dark siren. But his powers come from the goddess Morrigan, and it is through her that he will get his chance at vengeance. At Morrigan's charge, he must gather five others to form a ring of power strong enough to overcome Lilith. A circle of six: himself, the witch, the warrior, the scholar, the one of many forms, and the one he's lost. And it is in this circle, hundreds of years in the future, where Hoyt will learn how strong his spirit—and his heart—have become... Don't miss the other books in the Circle Trilogy Dance of the Gods Valley of Silence 'Black Leopard, Red Wolf is the kind of novel I never realized I was missing until I read it. A dangerous, hallucinatory, ancient Africa, which becomes a fantasy world as well-realized as anything Tolkien made, with language as powerful as Angela Carter's. I cannot wait for the next installment' Neil Gaiman, author of American Gods In this stunning follow-up to his Man Booker-winning A Brief History of Seven Killings, Marlon James draws on myth, fantasy and history to imagine a wholly new world, in which a legendary Tracker is hired to find a missing child... Tracker is known far and wide for his skills as a hunter: "He has a nose," people say -- as well as the eye of a wolf. Engaged to find a mysterious boy who has disappeared three years before, Tracker breaks his own rule of always working alone when he finds himself part of a rag-tag group that comes together to search for the boy. Full of striking characters with secrets of their own, including a shape-shifting man-animal known as Leopard, a witch and the giant-sized Ogo, this unlikely band follow the lost boy's scent from one ancient city to another; into dense forests and across deep rivers, set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breath-taking adventure that's also an ambitious and involving read. Defying categorization and full of unforgettable characters, Black Leopard, Red Wolf is both surprising and profound as it explores the fundamentals of truth, the limits of power, and our need to understand them both. Black Leopard, Red Wolf is the first novel in Marlon James's Dark Star Trilogy.

The explosive finale to The Circle trilogy by Teri Terry.

In 1956, toward the end of Reverend John Ames’s life, he begins a letter to his young son, an account of himself and his forebears. Ames is the son of an Iowa preacher and the grandson of a minister who, as a young man in Maine, saw a vision and came west to Kansas to fight for abolition. Reverend Ames tells a story of the sacred bonds between fathers and sons, which are tested in his tender and strained relationship with his best friend’s wayward son. Gilead is the long-hoped-for second novel by one of our finest writers, a hymn of praise and lamentation to the God-haunted existence that Reverend Ames loves passionately, and from which he will soon part."

Collects three novels that begin in Paradise, Colorado with a man cloaked in black and possessing the power to grant unfulfilled dreams.

Some say the great mystery of how one can live in two worlds at once died with Thomas Hunter many years ago. Still others that the gateway to that greater reality was and is only the stuff of dreams. They are wrong. In the small town of Eden, Utah, a blind girl named Rachelle Matthews is about to find out just how wrong. When a procedure meant to restore Rachelle’s sight goes awry, she begins to dream of another world so real that she wonders if Earth might only be a dream experienced when she falls asleep in that reality. Who is a simple blind girl to have such strange and fantastic dreams? She’s the prophesied one who must find and recover five ancient seals--in both worlds--before powerful enemies destroy her. If Rachelle succeeds in her quest, peace will reign. If she fails, both worlds will forever be locked in darkness. So begins a two-volume saga of high stakes and a mind-bending quest to find an ancient path that will save humanity. The clock is ticking; the end rushes forward. Ready? Set? Dream.

The first book in the classic vigilante action series from a “writer who spawned a genre” (The New York Times). Overseas, Mack Bolan was dubbed “Sgt. Mercy” for the compassion he showed the innocent. On the home front, they’re calling him the Executioner for what he’s doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it’s not to reunite with his family, it’s to bury them—victims in a mass murder/suicide. Even though Bolan’s own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero “who would make Jack Reacher think twice,” this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics’ The Punisher, credits the Executioner as “my inspiration . . . that’s what gave me the idea for the lone, slightly psychotic avenger.” The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

As the Chosen Ones face their greatest threat yet, Darsal is torn between her new mission, trying to love the Horde, and her original one, especially now that Johnis and Silvie no longer seem to be on her side.
