***Whether you are studying Law in Scotland or looking to convert to Scots law, this invaluable guide will quickly equip you with all the basics of the Scottish legal system. Fully updated for the third edition, it is the ideal textbook for busy law students and revising for those all-important exams. Summary sections of Essentials Facts and Essential Cases will help you to identify, understand and remember the key elements of the subject.***

***In Scots law, the legal concept of the trust has a long history of development and, over that time, has come to take on a number of characteristics. Because of this, there is no single definition of a trust that covers every example of the trust relationship. That's where Trusts Law Essentials comes in. This concise volume will quickly introduce you to the Scots law of trusts - from creating a trust and appointing trustees to conflicts of interest and the termination of trusts. It also looks at the different purposes of a trust and the particular issues surrounding charities and charitable trusts. End-of-chapter summaries of essential facts and***

Discover how the law of evidence operates within Scotland, and in the larger context of UK and European laws of evidence. The new edition has been updated to take account of case law developments since the last edition, plus the Double Jeopardy (Scotland) Act 2014, the Criminal Justice (Scotland) Act 2016 and changes made to the law on vulnerable witnesses by the Victims and Witnesses (Scotland) Act 2014. Helpful student features include Essential Facts and Essential Cases for

## Online Library Revenue Law (Law Essentials) (Scots Law Essentials)

each chapter.

A clear and concise study and revision guide for students of family law in Scotland. Covering all the major legislation, *Scottish Family Law* is designed for new students of the subject. It gives you a framework for understanding how family law operates and will help you to prepare for your exams. Each chapter includes lists of essential facts and cases to illustrate how the rules described are applied in practice. *Key Features* Takes full account of the substantial statutory developments in the field since the Family Law (Scotland) Act 2006. Covers two major recent Acts: the Children's Hearings (Scotland) Act 2011 and the Marriage and Civil Partnership (Scotland) Act 2014. Includes important new legislation such as the Adoption and Children (Scotland) Act 2007 and the Human Fertilisation and Embryology Act 2008. EU law has greatly influenced national law in Scotland, the UK and the rest of Europe. As a result, private international law is an essential area of study and of increasing importance to lawyers throughout the EU. *Private International Law Essentials* is the concise guide to private international law that you need, whether you're studying, revising or a practicing lawyer looking for a summary of the law in UK jurisdictions. David Hill looks at the key elements and issues of private international law, as well as the statutes and Conventions (e.g. Brussels, Lugano) and EU Regulations applying throughout the UK.

Containing Reports ... of Cases Decided in the Court of Session, Court of Justiciary, Court of Teinds, and House of Lords

Private International Law

How does law protect your ideas and privacy in Scotland and the UK? The Scots common law of property is strongly realist in its concepts, and restricts itself to tangible objects - objects, land, things attached to the land. But what about non-physical property, such as your intellectual property and your private personal information? These types of property are of increasing importance in this technological age. From copyright to patents, from data protection to freedom of information, and from e-commerce to cybercrime, Intellectual Property Law Essentials explains how UK statute law protects and regulates your information and ideas. End-of-chapter summaries of essential facts highlight the key things you should have learned, and summaries of essential cases show how the law is enforced in practice.

Nearly 9.5 million households in Britain will have to pay inheritance tax. What's the best way to avoid it? If you're administering an estate because someone has died, how do you obtain probate? Is it ever possible to retrospectively minimize an estate's tax liabilities? The Financial Times Guide to Inheritance Tax, Probate and Estate Planning will help you navigate the complicated maze of inheritance tax,

## Online Library Revenue Law (Law Essentials) (Scots Law Essentials)

probate, and estate planning. Amanda Fisher tells you what to do when someone dies, helps you deal with administrative affairs and distribute the estate to beneficiaries, offers long-term strategies on how to protect your estate and minimize any potential inheritance tax liability, including the use of trusts.

The Financial Times Guide to Inheritance Tax, Probate and Estate Planning:

- Explains what to do when someone has died including how to register the death
- Advises on the duties of executors and administrators and how to consider the validity of a will
- Helps you apply for the grant of probate or letters of administration
- Guides you through the completion of inheritance tax returns and how to calculate and pay any tax due
- Provides advice on lifetime planning and illustrates ways to minimize potential inheritance tax liabilities

The Financial Times Guide to Inheritance Tax, Probate and Estate Planning will help you face the difficult task of dealing with an estate when someone has died.

You will learn the best way to manage the process of acquiring probate and complete the administration of the estate, before distributing to the beneficiaries.

You will also have an insight to the advantages of making a will and organizing your estate efficiently to minimize any future impact of inheritance tax, including the use of trusts. The Financial Times Guide to Inheritance Tax, Probate and Estate Planning covers:

- Registering a death
- The duties of

Scots Criminal Law &quot; A Critical Analysis provides a clear statement of the current law for students and practitioners, with a theoretical and critical focus. This new edition has been updated to reflect changes in the law since the first edition publishe

Tax law changes at a startling rate - not only does societal change bring with it demands for change in the tax system, but changes in the political climate will force change, as will many other

## Online Library Revenue Law (Law Essentials) (Scots Law Essentials)

competing pressures. With this pace of change, it is easy to focus on the practical and forget the core underpinnings of the tax system and their philosophical justifications. Taking a pause to remind ourselves of those principles and how they can operate in the modern tax system is crucial to ensuring that the tax system does not diverge too far from what it should be or could be. It is essential to understand the answers to some of the seemingly basic questions that surround tax before we can even begin to think about what a tax system should look like. This collection brings together major themes and difficult questions in the philosophical foundations of tax law. The chapters consider practical issues such as justification, enforcement, design, and mechanics, and provide a full and coherent analysis of the basis for tax law. Philosophical Foundations of Tax Law allows the reader to consider how tax systems should move forward in the modern world, with a sound philosophical basis, to provide the practical tax system that the state requires and citizens deserve.
