*Unable to refuse a call to arms, commando Jack O'Neil, renegade Egyptologist Daniel Jackson, and the people of Abydos begin a desperate quest for freedom one million light years away from the planet Earth. Original.*

*The city of Astreiant has gone crazy with enthusiasm for a new play, "The Drowned Island," a lurid farrago of melodrama and innuendo. Pointsman Nicolas Rathe is not amused, however, at a real dead body on stage and must investigate. A string of murders follow, perhaps related to the politically important masque that is to play on that same stage. Rathe must once again recruit the help of his lover, former soldier Philip Eslingen, whose knowledge of actors and the stage, and of the depths of human perversity and violence, blends well with Rathe's own hard-won experience with human greed and magical mayhem. Their task is complicated by the season, for it is the time of year when the spirits of the dead haunt the city and influence everyone, and also by the change in their relationship when the loss of Philip's job forces him to move in with Nicolas. Mystery, political intrigue, floral magic, astrology, and romance--both theatrical and personal--combine to make this a compelling read. A winner of the Lambda Literary Award for Best LGBT Speculative Fiction.*

*400 Years of Imaginary Friends: A Journey Into the World of Adepts, Masters, Ascended Masters, and Their Messengers takes you inside one of these groups, Church Universal and Triumphant. The Paolinis' trek into the group and their personal interaction with its leader, Elizabeth Clare Prophet, gives you insight into a modern-day Masters group. Their struggle to leave and find independence outside of the organization is riveting.*

*Searching for their lost crew after the terrible events of Homecoming, the Stargate Atlantis team turns to their enemies for help as Teyla and Ronon seek information from the Genii, and Colonel Sheppard reopens tense negotiations with the Wraith. Original.*

Commander Sisko has unexpected aid: the cloaked vessel has been striking Cardassian ships as well, and the Cardassian commander Gul Dukat intends to destroy the ship at all costs. Their unlikely alliance works well -- until two of Sisko's crewmen are captured by the raiders. Gul Dukat will stop at nothing to gain his victory; now Sisko must locate the predator ship, hold off the Cardassians long enough to rescue his people -- and prevent an interstellar war!

**What all of mankind have learned in the past about creation is the way that existence isn't -- a paradox! Awaken and realize that all of mankind will create their "body for Ascension," whether they accomplish this now or later, and that this is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it! The Mahatma is for those who are motivated to search for the answers that**

can respond to their mental and spiritual bodies. In the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and it also explains your eternal journey in a way that was never before available to mankind.

This Book of Discourses by various Ascended Masters through the Accredited Messenger, Mrs. G.W. Ballard is a beautiful tribute to the Great Angelic Host. To the various Angels, always with us, we accept You into our physical lives as we give conscious recognition to You through these Discourses. Determined to disable the device before it's discovered by the Wraith, Colonel John Sheppard and his team navigate the treacherous ruins of an Ancient outpost. Alexander the Great's soldier, Lydias of Miletus, has survived the final campaigns of the king's life. He now has to deal with the chaos surrounding his death. Lydias throws his lot in with Ptolemy, one of Alexander's generals who has grabbed Egypt as his personal territory. Aided by the eunuch Bagoas, the Persian archer Artashir, and the Athenian courtesan Thais, Ptolemy and Lydias must

take on all the contenders in a desperate adventure whose prize is the fate of a white city by the sea, and Alexander's legacy.

In the sequel to Lambda Literary Award-winning *Death by Silver*, metaphysician Ned Mathey and private detective Julian Lynes again challenge magical and murderous threats in a Victorian London not quite the city in our history books. Mathey is recruited by Scotland Yard to assist the new Metaphysical Crimes Squad in the case of a literally heartless corpse. Mathey soon discovers that the magic used to rob the man of his heart and life does not conform to the laws of modern metaphysics-and then a second victim turns up. Meanwhile, a minor poet hires Lynes to track down and stop the blackmailer threatening to reveal him as the pseudonymous author of popular romances. When another target of the same blackmailer, a friend of Mathey's assistant Miss Frost, appeals for aid, Lynes and Mathey begin to suspect murders and blackmail are connected. Digging deep into the clandestine worlds of lawless antique magic and the gay demimonde, Mathey and Lynes must uncover the source and nature of a heart-stealing supernatural creature before it can kill them too, even as they face the scandal of exposing themselves as sodomites in order to close the case.

The team is stranded on a doomed world.
