Past imperfect Stranded in Ancient Egypt at the end of the STARGATE SG-1 episode Moebius, Jack O'Neill, Sam Carter, Teal'c and Daniel Jackson are enjoying the simple lives they've forged in the years since Ra was driven from Earth. But life never stays simple for long... Back in the twenty-first century, trouble strikes the SGC. With one of their own people snatched by renegade Tok'ra, Colonel Cameron Mitchell leads the new SG-1 on a chase through time to rescue their friend - and to protect their future. But for Carter, Daniel and Teal'c, the greatest challenge is encountering themselves - and coming to terms with the consequences of their own choices. Moebius Squared "So this..." Cam gestured to the machinery. "This can only move us backwards and forwards in our own timeline." "That's my best guess," Sam said. She pushed her bangs back out of her face. Her hair had grown out and was now caught in a ponytail at the back of her neck. "Just like Janus' puddlejumper." "I don't even want to think about that thing," Daniel said. "Or anything else to do with Janus." He winced. "Sorry," Sam said. "Sore spot." "Damn right." Daniel had only been out of the infirmary for two weeks since his latest brush with one of Janus' inventions. This one had gotten him kidnapped and electrocuted. They all spun around as the gate began to activate. "Firing positions," Cam said, crouching down beside the control panel. If someone were making a grab for B&A's facility... The wormhole opened and stabilized, a glittering puddle of blue. Cam's radio crackled. "SG-1, this is Stargate Command. You are to return to Earth immediately." What the...? Cam chimed his radio on. "Stargate Command, we still have a lot to do here. Colonel Carter..." "Return immediately," the voice of Sergeant Harriman said firmly. "Stargate Command has been attacked."

The opening of a letter leads to a desperate chase across Europe in A Matter of Honour by Jeffrey Archer, one of the world's bestselling novelists. Adam Scott listens to the reading of his father's will, aware that the contents can only be meagre. The Colonel, after all, had nothing to leave i except a letter he had never opened himself, a letter that can only bring further disgrace to the family name. Against his mother's advice, Adam opens the letter, and immediately realizes his life can never be the same again. The contents leave him with no choice but to follow a course his father would have described as a matter of honour.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

This all new edition is a totally updated cruising guide covering the entire Pacific coast of Mexico from The US Border, down the Baja Peninsula, around up into the Sea of Cortez all the way north to San Felipe, across to Puerto Penasco and south to Puerto Madero/Chiapas. There are 61 additional charts with extensive coverage of the Sea of Cortez, including Topolobampo and Altam on the mainland coast. The charts have valuable information on entrances, dinghy landings, marinas, dangers, ferry routes, anchorages, shore attractions and amenities, and GPS waypoints, to name a few. The introduction and appendices cover everything from entrance requirements, to sun protection, bug screens, radio frequencies, Spanish vocabulary, what to have onboard, fishing, how to deal with pets in paradise, and much more. And don't forget the QR codes, which are linked to videos, websites, marinas, city maps, and even whale watching information! SG-1 wanted the technology to save Earth from the Goa'uld but the mission failed. Now Washington wants Jack O'Neill's blood and Senator Robert Kinsey is forcing the issue. The Tok'ra mission may help O'Neill, but it is very risky because it means infiltrating a Goa'uld slave breeding farm to recruit humans willing to join the Tok'ra.

GET INSIDE GRIMM. NBC's hit television series Grimm pits modern detective Nick Burkhardt of the Portland Police against a cast of terrifying villains--lifted directly from the pages of classic fairytales. In the world of the show, the classic stories are actually a document of real events, and Nick himself is descended from a long line of guardians, or Grimms, charged with defending humanity from the mythological creatures of the world. From The Big Bad Wolf to Sleeping Beauty, The Mythology of Grimm explores the history and folkloric traditions that come into play during Nick's incredible battles and investigations--tapping into elements of mythology that have captured our imaginations for centuries.

"It was meant to be a soft mission, something to ease Doctor Daniel Jackson back into things after his time among the Ancients-- after all, what could possibly go wrong on a simple survey of ancient Chinese ruins? As it turns out, a whole lot. After accidentally activating a Goa'uld transport ring, Daniel finds himself the prisoner of Lord Yu, the capricious Goa'uld System Lord. Meanwhile, SGI's efforts to rescue their friend are hampered by a representative of the Chinese government with an agenda of his own to follow-- and a deep secret to hide. But Colonel Jack O'Neill is in no mood for delay. He'll go to any lengths to get Daniel back-- even if it means ignoring protocol and taking matters into his own hands"--Page 4 of cover.
