

## Some Bugs (Classic Board Books)

*"Different species of bugs contribute to their communities and ecosystems in their own unique ways"--*

*Ooko has everything a fox could want: a stick, a leaf and a rock. Well, almost everything . . . Ooko wants someone to play with too! The foxes in town always seem to be playing with their two-legged friends, the Debbies. Maybe if he tries to look like the other foxes, one of the Debbies will play with him too. But when Ooko finally finds his very own Debbie, things don't turn out quite as he had expected! A*

First Sticker Book Bugs

***Ladybugs, snails, and butterflies! Oh my! This charming introduction to ten garden bugs, paired with friendly text and bold, basic patterns, provides a great high-contrast experience for young developing eyes. Newborns cannot fully recognize colors, so the sharp contrast between black and white patterns and illustrations allows babies to follow along and make connections to the real world, an important building block for communication skills. Using simple greetings like "Hello, bumblebee" and "Good to see you, dragonfly"***
