*NEW YORK TIMES BESTSELLER #1 Washington Post Bestseller There's Santa Claus, Shakespeare, Mickey Mouse, the Bible, and then there's Star Wars. Nothing quite compares to sitting down with a young child and hearing the sound of John Williams's score as those beloved golden letters fill the screen. In this fan, erudite, and often moving book, Cass R. Sunstein explores the lessons of Star Wars as they relate to childhood, fathers, the Dark Side, rebellion, and redemption. As it turns out, Star Wars also has a lot to teach us about constitutional law, economics, and political uprisings. In rich detail, Sunstein tells the story of the films' wildly unanticipated success and explores why some things succeed while others fail. Ultimately, Sunstein argues, Star Wars is about freedom of choice and our never-ending ability to make the right decision when the chips are down. Written with buoyant prose and considerable heart, The World According to Star Wars shines a bright new light on the most beloved story of our time.*

Recent exciting discoveries by independent researchers have dramatically challenged our understanding of ancient Egypt, raising profound questions about our past. STARGATE CONSPIRACY exposes the most insidious & dangerous plan of our times. It involves intelligence agencies, politicians, bestselling writers, scientists & industrialists. The authors believe that this conspiracy, centred upon the eternal mysteries of ancient Egypt, targets & threatens us all. Tracing the identity of the groups involved, Lynn Picknett & Clive Prince argue that at the heart of this strange plan is the belief that the ancient Egyptian gods were-and are-real extraterrestrials, about to return through the 'stargate' between our world & theirs. They suggest that the US-funded excavations on the Giza plateau - officially denied, but for which the authors produce documented evidence - now appear to be the result of directives allegedly received through communication with beings of higher intelligence, who are instructing the conspirators to lay the foundations for great global changes. Provocative & stimulating, STARGATE CONSPIRACY is a book of and for the new millennium.

*BASED ON THE DISNEY PLUS SHOW, STAR WARS: VISIONS A mysterious former Sith wanders the galaxy in this stunning Star Wars tale. An original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.*

*"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker "The odds of me ever writing a book were approximately... Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognising that our voices and our stories are inextricably intertwined." When Star Wars burst on to the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. I Am C-3PO: The Inside Story reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away.*

**THE SUNDAY TIMES BESTSELLER** Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mith'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.
