A True Train Story

All aboard for a rainbow of train cars and their lively animal crew! Vivid colors and cozy rhyming text inspired by the bestselling Steam Train, Dream Train will make learning colors a rich experience for the youngest readers.

The same team who brought you Where Do Diggers Sleep at Night? have engineered another rollicking bedtime story—for train lovers everywhere! Have you ever wondered what little trains do when it's time for bed? The same things you do! Freight trains, passenger trains, subways, trolleys—and more—wash up, have a snack, load their teddies for story time, and get rocked to sleep by mommy and daddy trains beneath a blanket of stars. Little train lovers with a one-track mind will gain a new affinity for their bedtime routine when they find they share it with their favorite vehicles. “Sayres and Slade move naturally from their truck lullaby, Where Do Diggers Sleep at Night? , to this nighttime serenade to all things train. Hopeful engineers will want to be able to identify the many different types of trains, and their out-of-the-know adults will appreciate this inclusive primer.”—Kirkus Reviews

The automotive industry appears close to substantial change engendered by “self-driving” technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

Time for the construction site to SHAPE UP! Little construction fans will love learning their shapes by watching Bulldozer CIRCLE around, clearing away TRIANGLES of dirt until the perfect building spot has been SQUARED away. It's all in a day's work for the trucks of the bestselling Goodnight, Goodnight, Construction Site!

Introducing two new potty pals kids and parents will adore, Super Pooper and Whizz Kid: Potty Power! is a humorous potty-training book with a hip sensibility and a playful take on a toddler's most important rite of passage.

Everything you need to know about finding, keeping, and training your very own pet train. Finding advice on caring for a dog, a cat, a fish, even a dinosaur is easy. But what if somebody 's taste in pets runs to the more mechanical kind? What about those who like cogs and gears more than feathers and fur? People who prefer the call of a train whistle to the squeal of a guinea pig? Or maybe dream of a smudge of soot on their cheek, not slobber? In This spectacularly illustrated picture book, kids who love locomotives (and what kid doesn 't?) will discover where trains live, what they like to eat, and the best train tricks around—everything it takes to lay the tracks for a long and happy friendship. All aboard!

A perfectly pitched bedtime story and counting book for sleepy train lovers, illustrated in dramatic 3D sculptures! A little boy climbs into bed with a book and starts counting the train cars in it, between the engine and caboose. "Ten sleepy cars going clickety-clack," reads the refrain. But as the boy counts cars and gets sleepier and sleepier, his room looks more and more like one of the train cars from his book—the sleeping car, of course! Rhythmically told by the author of the Froggy books, Sleep Train is also stunning to look at. 3D illustrator, Lauren Eldridge, has sculpted an entire train full of intricate details. Part bedtime story, part counting book, part children's fantasy, Sleep Train is a magical ride to dreamland.
