Be inspired by this fun compilation sketchbook of four favorite volumes from Quarry Books' "20 Ways series!" Designed to offer artists, designers, and doodlers a fun and sophisticated collection of illustration fun, each spread features 20 inspiring illustrated examples of 135 themes, over 3600 drawings total! From trees and flowers to animals and sea creatures and everything in between. Don't worry, there's tons of room for you to draw your own versions of these amazing doodles right on the pages. This is not a step-by-step technique book - within the pages you'll find drawings simplified, modernized, and reduced to the most basic elements, showing you how simple abstract shapes and forms create the building blocks of any item that you want to draw. Each of the 20 interpretations provides a different, interesting approach to drawing a single item, providing loads of inspiration for your own drawing. These four artists each have a uniquely creative style, resulting in an engaging and motivational practice book that provides a new take on the world of sketching, doodling, and designing.

With acrylic paint and imagination, anyone can turn ordinary rocks into charming cottages, country churches, Victorian mansions...entire rock villages!

Kindness Rocks as seen on the Today show Fans of The Kindness Challenge and the Chicken Soup For The Soul books will love A Pebble for Your Thoughts. A rock for each kindness: It all started with a single stone on a beach in Cape Cod and now spans the globe. The Kindness Rocks Project, founded by Megan Murphy, is based on the profound truth that one kind message at the right moment can change someone's day, their outlook, and their whole life. The project has become an international grassroots movement! The messages on these thoughtful pebbles are full of encouragement, offers of hope, all signposts along the way for someone to find at exactly the right time. Kindness matters: Now more than ever, people are longing for kindness and connection. During these uncertain times, daily news reports focus on disturbing events of terrorism, gun violence, senseless murders and political bickering. We are bombarded with images that evoke fear and hostility. A Pebble for Your Thoughts provides a positive counteraction to all this negativity. Learn to be kinder to yourself and others: Sometimes, all it takes is just one simple positive message to change your perspective, and that is what this interactive writing journal aims to help you do. In the Kindness Rocks Journal, you will have space to: ☐ Respond to helpful journal prompts, affirmations, and quotes ☐ Grow through hard times with kindness and joy ☐ Learn how to paint an inspirational Kindness Rock and share it with others

Learn to paint your favorite Disney characters!including Mickey Mouse, Minnie Mouse, Tinker Bell, and more!onto decorative rocks with this rock-painting kit. Rock painting gets a special touch in this kit with beloved Disney characters. Step-by-step instructions and photos show readers how to paint 12 different designs featuring Mickey Mouse, Minnie Mouse, Donald Duck, Daisy Duck, Bambi, Tinker Bell, and other favorites. Included are 3 river rocks, 3 acrylic paints, 3 gel pens, 2 paintbrushes, a permanent marker, and a dotting tool. Paint the rocks to add color to your home or garden, give them as gifts, or leave them along a trail to brighten a stranger's day.

In the spirit of mindfulness, the book is as much about discovery as it is about creation. Leaves shaped like lips might inspire a face; an array of rocks might become an eclectic mosaic; winter's first snow might be carved into glowing luminaria. Whether you love to look for heart-shaped flowers or want to make a peacock made with flower petals, readers will find great inspiration and joy in Foraged Art. Art, meditation, and nature meet in this adult focused activity book, with projects that take inspiration from the natural environment, using blooms, pods, branches, stones, and other natural elements. Divided into chapters by natural elements—flowers, leaves, rocks and pods, and more, the book will encourage readers to forage and play outside using nature's seasonal art box. With quotes by artists on nature and creativity, the book is about making art from what you find and finding art in what you see.

You can craft a new mandala every week for one year with this full-color guide by the author of the bestselling The Art of Stone Painting. F. Schnaz Bac, an artist and seasoned archaeologist, presents step-by-step instructions for fifty-two projects. Her easy-to-follow guide will show you how to transform ordinary stones into inspirational works of art. The mandala ☐ derived from the Sanskrit word for "circle" ☐ represents the universe, and the symbol has long been instrumental to sacred rituals and meditative practices. This treasury of radiant designs presents patterns for stone paintings, each of which is accompanied by a one-word mantra ☐ relax, tranqui, spirit, dream, believe, and other uplifting terms. A few projects are meant to be painted on sea glass, leaves, or shells, but most are based on Bac's popular interpretations of classic stone-based styles. Colorful photographs accompany simple instructions for a year of crafting inspiration.

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium--designed for art historians, conservators, conservation scientists, and museum curators worldwide--was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture.

Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.
