

Stop Drinking Now (Allen Carr's Easyway)

A fresh take on the Allen Carr method with all-new text. Includes free hypnotherapy CD. Most drinkers are convinced that it's almost impossible to stop drinking and to free themselves from addiction; they also feel unable to solve any of the widespread problems drinking causes. The wonderful news is that this book shows you how to stop immediately, painlessly and permanently. This book understands drinkers and how they think and, without being judgemental or patronising, takes them through the process of how to get alcohol out of their lives. Demonstrates how drinkers fall into the trap of drinking, the psychology behind being addicted and how to quit this mug's game once and for all. This book has more compelling evidence than ever before that your addiction to alcohol is much less physical than it is mental. Alcohol is not something your body needs, but something your mind thinks it needs. Stop Drinking Now explains the mental process of addiction and how to reverse that process easily, painlessly and permanently.

Presents the Easyway method for quitting smoking, based on a factual understanding of the harm of cigarette addiction and practical advice on how to successfully break the habit.

Over 80 per cent of adults in the UK use caffeine every day. But at what point, did they consciously decide to consume it daily and begin to feel uneasy if they didn't? Caffeine is a bitter addictive drug which acts as a natural insecticide. It attacks the central nervous system and makes people jittery. It fools you into thinking you are more alert. Quite simply, it's bad for you with no actual benefits. In The Easy Way to Quit Caffeine, Allen Carr addresses the difficulties coffee-drinkers - and fizzy drink consumers - face in trying to quit caffeine. By explaining why you feel the need for caffeine and with simple step-by-step instructions to set you free from your addiction, Carr shows you how to lead a happier, healthier, more chilled life.

This little gem of a book reveals all the mental strategies you need for taking control, achieving inner peace and turning even the worst-case scenarios into win-win situations. Based on the most successful stop smoking method of all time, Easyway, 'No More Worrying' offers a step-by-step summary that is perfect for use on its own or as a com...

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!

'A brilliantly clever, meticulously researched, fearless, snort-out-loud funny read that grabs you and won't let go' Catherine Gray We live in a world obsessed with drinking. We drink at work events, lunches, book clubs and weddings. Yet no one ever questions alcohol's ubiquity. In fact, the only thing ever questions is why people don't drink. It is a qualifier for belonging. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some sort of magic elixir. It is anything but. When Holly Whitaker started to look for a way to recover, the support systems she found for recovery were archaic and patriarchal. Urging drinkers towards a newfound humility is great if you're a man, but if you're a woman and not in a position to renounce privileges you never had, a whole other approach is needed. She embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What's more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Honest, witty and trenchant, Quit Like a Woman is at once a ground-breaking look at drinking culture, a call to arms, and a celebration of learning how to claim everything life has to offer.

Allen Carr's Easyway is the most successful stop-smoking method of all time. It has helped millions of smokers from all over the world quit instantly, easily, painlessly and permanently. Stop Smoking Now is the new, cutting-edge presentation of the method.

Updated and set out in a clear, easy-to-read format, this book makes it simpler than ever before to get free. Allen Carr's Easyway does not rely on willpower as it removes your desire to smoke. It eliminates the fears that keep you hooked and you won't miss cigarettes. It works both for heavy and casual smokers and regardless of how long you've been smoking. There are no gimmicks or scare tactics, you won't put on weight, and you can even smoke when you read. Allen Carr's books have sold over 15 million copies to date in more than 40 different languages and Stop Smoking Now is the newest presentation of the Easyway message, updated for the 21st century but still centred on the world's most effective stop-smoking programme—the tried and tested Easyway method, 'the one that works'. The Allen Carr method has been presented here in a lively, informative and streamlined way. This book brings the original Easyway concept bang up to date, incorporating lessons that have been learned from those who teach in the global network of Allen Carr clinics. No one has more experience of helping smokers quit.

READ THIS BOOK AND BECOME A HAPPY NONGAMBLER FOR THE REST OF YOUR LIFE Allen Carr's Easyway is a global phenomenon. It has helped millions of smokers from all over the world, and has also been successfully applied to a wide range of other issues, including drinking, overeating, and overspending. Here the method addresses the fastest growing social problem of modern times: gambling. Allen Carr explains how gamblers fall into the trap and why they keep gambling despite knowing that it's ruining their lives. By explaining the nature of the trap, he removes the desire to gamble and the fears that keep you hooked. Most important of all, you will not feel that you've made a sacrifice, you will not miss gambling, and you will enjoy life to the full without feeling in any way deprived. What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times

This text is bold and controversial and takes issue with many experts in the field and much received wisdom. It dispels all illusions about the benefit of alcohol, promises no withdrawal symptoms and removes the desire and need for alcohol.

Voted an Independent best self-care book for 2021* *Voted one of Heat's best self-help books to help you reach your full potential If you've ever woken up feeling anxious, or cringing with embarrassment, about something you did or said whilst drunk the night before, this book may just change your life. Whichever way you look at it, it's hard to avoid how alcohol really makes us feel: terrible. After years of partying and hangovers started taking a toll on her mental health, Millie Gooch gave up alcohol and has never looked back. Whether you're simply sober-curious or determined to make a more permanent change, this book shows not only why you should but also how you can. Offering tips and advice on how to stay sober in a world that revolves around drinking, this handbook will empower you to transform your relationship with alcohol so that you can lead your most fulfilling life. It's time to join the Sober Girl Society: 'I LOVE this book already, just received today and I can't put it down!' 'I recommend this to anyone; whether they want to stop drinking permanently, or even would just like to cut down on their drinking.' 'I love how relatable and non-preachy this book is.' 'Approaches what can be a tricky and confusing subject for many with humour and wit.' 'Perfect for those reconsidering their relationship with alcohol. Brilliant book.'

Alcohol Explained is the definitive, ground-breaking guide to alcohol and alcohol addiction. It explains how alcohol affects human beings on a chemical, physiological and psychological level, from our first drinks right up to chronic alcoholism. Despite being entirely scientific and factual in nature the book is presented in an accessible and easily understandable format. For those with an alcohol problem it will explain why they have a problem and what they can do about it. For those who are unsure whether they have a problem or not it provides them with firm guidance. For those who have someone close to them who has an alcohol problem it will help them to understand what that person is going through, how they ended up where they are, and what they can do to help them. However this is not just a book for people with links to problem drinking, it is compulsive reading for anyone who has ever, or will ever, drink an alcoholic drink. How many people have inadvertently drunk too much on occasion? Virtually every drinker on the planet has done that! But how many people have actually stopped to think why? There is in fact a logical, scientific explanation for this phenomenon, it is fully and simply explained in this book. Even for those who have never imbibed alcohol this book provides a fascinating insight into addiction generally and, more specifically, into a substance that has pervaded our society to such a great extent that it is now an integral part of our culture.

Alcohol addiction is at an all-time high, as are its subsequent consequences such as obesity, depression, anxiety, and loneliness. Quit Drinking offers an eye-opening, confidence-boosting alternative to willpower-centered approaches to health, wellness, and sobriety. This book is ideal for the struggling alcoholic as well as the concerned friend or family member. Take this opportunity to embark on your journey to self-recovery and self-discovery to gain control of your life. Through an in-depth logical exploration of the social, biological, and psychological factors that make up alcoholism, this book will help you quit drinking in the most natural manner possible - by understanding yourself. In Quit Drinking you will learn: How to identify when your drinking is an issue. What social and biological factors motivate your drinking patterns and how diet, sleep, and exercise enable - or help prevent - alcohol dependencies. How to approach health and wellness from a holistic perspective. An alternative to using willpower alone to quit drinking. How to listen to and learn from your emotions instead of numbing them by drinking. Coping mechanisms that can help you deal with stress, anxiety, and depression. Methods to identify your cravings for alcohol and learn how to curb them. How to manifest changes in your reality that align with what you hold most valuable in life. The method for approaching and achieving wellness proposed by this work combines ground-breaking psychotherapeutic approaches with ancient alchemical teachings in a practical guide to understand and overcome alcohol dependency. The first step to recovery is

awareness. The second step is putting your health and wellbeing at the forefront of your recovery. Quit Drinking contains the necessary tools and insight for success. It's time to reach your true potential. Begin your journey now to a meaningful life.

Craig Beck was a successful and functioning professional man in spite of a 'two bottles of wine a night' drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed. Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you through the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no 'will-power' required. Treats the source of the problem, not the symptoms.
