An aged man and an old book of spells. Magic—it claims—is real—and so are ancient enemies bent on controlling it. But what can thirteen-year-old non-magical twins do about it? Why them? Can they unravel the secrets? Or will magic fall into the hands of an ancient evil set on controlling the world? Humphrey Quinn delivers a charming story that never fails to bring hope and escapism to readers of all ages. With its steadfast message of love and the enduring power of truth, friendship, and finding your real family, this saga will capture the imagination and is sure to become a new literary classic for the ages. Grab this Free Book Bundle and Start the Fated Chronicles Today! When an aged and grizzled man insists on selling twins Meghan and Colin Jacoby an ancient book of spells and then vanishes from the carnival grounds moments later, well, to ignore this would also mean ignoring the other impossible things suddenly happening around them. Magical type things... like, talking books, animals popping out of fires, creatures lurking in the lake, fiery visions come true... plus oddly dressed neighbors arriving out of nowhere and afraid of something that stalks the night sky. And just when the twins think things can't get any stranger, that's when the spell book has a dangerous warning: an ancient evil is coming, and it's coming for them... But why? Colin is thirteen going on eighteen but stuck in the body of a ten-year-old—he lives to disappear into a fantasy novel for days. His twin sister Meghan despises reading anything without pictures and spends her days picking fights with the bullies that target her geeky brother. They're just regular thirteen-year-old twins—well, they have spent their lives traveling around the countryside with their uncle in his travel trailer. Granted, not completely normal, but nothing at all remotely magical or otherworldly—well, if you don't count their ability to hear each other's thoughts, or that their parents died mysteriously, or that their uncle has a rule to move every few weeks—until summertime, when they return to the same campground... like he's waiting for something. But what could this possibly have to do with them? A few oddities hardly equal a hidden magical history... right? Can they unravel the secrets in time? Or will magic be lost to these ancient enemies, plunging an unaware world into a magical nightmare? Praise for *Awaken*: "Wow. Just wow. This was a book I desperately wish existed when I was a young teen. Not only was it an amazingly well-written story, but it reminded me of other great fantasies I have read. Reminiscent of books like *Something Wicked This Way Comes*. The ending blew me away and left me wanting more. I can't wait to read the second book!" - A Girl and Her Kindle "This enjoyable teen read mixes suspense and action with funny elements and serious parts. I look forward to seeing where the series goes...in many senses of that word. To know what I'm getting at, read the book." -The Paisley Reader THE FATED

wheat crops were grown at Don Mills — and no small amount, but enough to line Toronto's grocery-store shelves with baked goods. The brick church that stands there today, completed in 1844 and enlarged over the years, stands as a welcoming place of worship and repository of Canadian history. Willowdale: Yesterday's Farms, Today's Legacy In 1855, Willowdale post office opened in Jacob Cummer's store on Yonge Street. Today it is a bustling urban environment. Scott Kennedy recounts the notable stories of what happened in between and who was there as Willowdale evolved into a modern community.

A last minute interview lands her a new teaching job just days before the school year is about to begin. It turns out to be the best thing that could have happened when she realizes that her best friend from college, Gabriella Alvarez, is also a member of the teaching staff. Gabriella's brother, Alejandro, relocates to his hometown after having lived away from family and friends since he left for college to become a renowned transplant surgeon. He's settling into a new job, reacquainting himself with family and friends, and is learning to deal ever-so-slowly with the personal loss that forever changed his life. When Angelina's sister experiences a health crisis, Alejandro is there to support her and her family. And when Angelina herself experiences a personal tragedy, Alejandro is the only one to guide her through it. As love stares down at them, can Angelina help Alejandro take that second chance on love and marriage? Book 2: Life's Gateway to Happiness: Kelly Samuels is dedicated to her career and has received several promotions in her short tenure at Lattice Works. Kelly's family is shocked when she returns home unemployed and without an explanation. Alec Alvarez, a pediatrician from a family full of doctors, is focused solely on his career. He's declared his bachelor status for life and has no desire for love, marriage, or babies. When Alec finds Kelly stuck on the side of a snowy road, neither of them are prepared for the feelings they begin to have for one another. As Kelly and Alec grow closer, he wants to know why the once happy-go-lucky Kelly is hesitant to his touch, while Kelly just wants to find purpose to her life again. After Kelly tells two conflicting stories as to why she lost her job, Alec steps in to discover what truly happened. Can Kelly come to terms with what happened to her and move on with her life? And can Alec love enough to give-up his bachelorhood status for good? Book 3: Life's Turned Upside Down: Gabriella Alvarez is the youngest of the Alvarez family. She's watched her best friend marry her brother and another brother find love. Deep down, she's looking for love, but she can't quite shake the college sweetheart that broke her heart. Dr. Ashton Holder works for the famous Alvarez practice. He and Gabriella have always clashed—she continues to see him only has the rough-edged doctor with no bedside manner, but he's really made strides to put this image behind him. When Gabriella discovers a secret from Ashton's past, though, she does her best to help him uncover something that will change his life forever, but a misunderstanding between them rocks him to the core. When he finally uncovers the secret, he must learn to put his past aside and try and move on with a future willed with hope and dreams.

Award-winning mystery writer Gail Bowen's first three masterful mysteries featuring amateur sleuth Joanne Kilbourn are now collected in a single volume. In Deadly Appearances, a successful politician sips his water before a speech at a picnic on a sweltering August afternoon and, within seconds, he is dead; in Murder at the Mendel, Joanne's childhood friend may have a far more complicated, far more sordid, and far more deadly past than Joanne knows about; and in The Wandering Soul Murders, a centre for street kids holds a dark and disturbing secret, forcing Joanne to act when her own children are drawn into a web of intrigue that will leave you breathless.

traditions, the legends and the intrigue that shaped the First Nations. For Mahingan and his family, caught in the middle of a defining conflict with the Haudenosaunee (Iroquois), warfare is a part of life, but so are the natural world and the rich web of culture he shares with allies like the Omàmiwinini (Algonquin), the Ouendat (Huron), and the Nippissing. Includes I Am Algonquin This novel follows the story of a warrior named Mahingan and his family as they live the traditional Algonquin way of life long before Europeans arrived in North America. Hunting and warfare are daily concerns, and signs point to a defining conflict between Mahingan's nation and its enemies.

Algonquin Spring Six years ago, Mahingan's wife was taken from him by the Haudenosaunee at the Battle of the Falls. Now, after learning that she is still alive and captive, he and his remaining family struggle to survive and rescue her. But events 2,000 kilometres away, and a mysterious Mi'kmaq legend, are conspiring in ways that could snatch away Mahingan's hopes. Algonquin Sunset Set twelve years after the events of Algonquin Spring, this book follows the now-grown Anoki, his sister Pangi Mahingan, and the rest of their family as they face a new enemy: the Lak?óta.

Hailed as “sexy and heartbreaking” by Monica Murphy and “pure reading bliss” by Sawyer Bennett, Cecy Robson’s Shattered Past series has everything: blistering passion, college-age angst, and mouth-watering MMA studs. And it all revolves around one irresistible family with a troubled history. Now all three novels—Once Perfect, Once Loved, and Once Pure—are together in one steamy eBook bundle. ONCE PERFECT Struggling to pay her college tuition in the wake of tragedy, Evelyn Preston is waitressing at a nightclub where she has more in common with the preppy clientele than her new co-workers. Still, she can’t deny her attraction to the sexy six-foot-four bouncer and ex-army MMA fighter Mateo Tres Santos. Mateo wound up in prison for assaulting the man who harmed his sister. Now he’s feeling the same protective impulse for Evelyn. And he’s determined to find out what nightmares are lurking in Evelyn’s past—even if that means tackling his own to save her. ONCE LOVED Every memory Lety Tres Santos has from her childhood comes with a scar. College offers a fresh start . . . until her father finds a way to ruin that, too. Now, after losing her scholarship, Lety is determined to stay in school, and she intends to do it without any help from Brody Quaid: lacrosse star, 4.0 student—and Lety’s ex-boyfriend. Their relationship crashed and burned because Brody couldn’t break through her walls, but with Lety hurting more than ever, he’s desperate to win her back. And that will mean trusting someone more than he’s ever dared. ONCE PURE Sofia Tres Santos remembers a time before her innocence was ripped away, before she began punishing herself with risky behavior and unworthy men. Now, at twenty, she’s ready to rebuild, and she keeps coming back to her childhood friend and longtime crush, Killian O’Brien. When she agrees to work at his gym, Killian seizes the opportunity to train her in his hard-hitting MMA techniques. But as Sofia grows stronger, she challenges everything he believes, showing him that no matter how much he dominates in the ring, the real battle is fought in the heart. Praise for Cecy Robson’s Shattered Past series “Once Perfect is exactly that: perfect for fans of sweetly sexy New Adult with a to-die-for protective hero.”—New York
