Maverick's Storm is book 3 and the finale of The Silent Angels MC trilogy! I'm pregnant with Maverick's baby. There are some things that should never be done. Like sleeping with a murder suspect. And there are some things that are even worse... Like getting pregnant with his baby. "Laced up" might've been a good way to describe me. Shoes shined, shirt crisp – the pride and joy of my city's police force. And I liked my cases the way I wore my uniform: Nice and neat. But the world doesn't always work that way. It's messy. Chaotic. Wild. Just like

Maverick Mace. I said I was proud – he made me beg. I said I was chaste – he made me dirty. I said I was independent – he made me his and his alone. And I loved every second of it. But if getting involved with a suspect in a mysterious, crime-world murder was bad... Then what happened next was far, far worse. It's not just myself I've put in trouble. There's also a baby I can barely protect, not to mention a dangerous man I barely know. And the killers coming to end us all. Maverick made me his... And no one takes what belongs to him. The untimely death of his father was all it took to turn Zack Grover's life upside down. Overnight, the

his band launches its highly anticipated world tour. Tru vows to keep the meeting strictly professional--but nothing can prepare her for the sparks that fly the moment their eyes meet again. Now Jake wants Tru to join the band on tour, offering her a behind-the-scenes exclusive that any journalist would kill for. There's just one problem: Tru's boyfriend, Will.
