From international bestselling author, Lexy Timms, comes a forbidden romance that'll set your heart racing. When Tony Rivers left New York three years ago, he left behind two things. One was the off-Broadway musical he'd made a success through his choreography. The second was a piece of his heart. Fed up with Allison's secrets and cover-ups, he left her and The Big Apple. He's now established on the Hollywood television scene as a dance coach and choreographer, though he aspires to direct. When he's offered a plum position as director on a hot new series, a television mini based on the musical he worked so hard on, he has second thoughts. The price of admission—working with his old nemesis, Blake Smithson, who's the scriptwriter. What blows Tony away is that Blake's living with Allison. Allison never expected to see Tony Rivers again after her father dragged her away from college and forbade her to see Tony. When he arrived in New York four years later, he reawakened all the feelings she had for him. But she was married then, if only in name. Regardless, she fell into an affair with Tony, but refused to divorce her husband when Tony asked her to marry him. Though heartbroken when Tony left New York, Allison pulled her life together and built a career producing theater productions. Between that and raising her two-year old son, she has a full life. When Tony walks through her door once more three years later, she's torn between hating and loving him. The one thing she does not want is to expose her son to the man who abandoned her, even if that child is Tony's own son. Can Tony and Allison untangle the hurts of the past to build a new future? Or will the challenges of their present lives cause their love to die forever? **LOVE YOU SERIES: Love Life Need You My Love**

Tasha - I knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared at him. It wasn't just his Greek god looks, the animalistic Alpha attitude, or his tall, powerful muscled body - it was the aura around him that screamed, Don't fuck with me. At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I didn't need anyone to tell me that he was everything I could not have. He never looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he should have. One I feared greatly. As the years passed, the afternoon when time stilled became as unreal as a dream. I am twenty-two now and in six months I will be married to a man my father chose. I will do my duty and bring respect to my father's dynasty, but before I give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But will it heal or destroy me? Noah. - In the Mafia world, your past is never far behind. If you are careless, it seeps into your future and gets you killed. Just when I had fooled myself into believing I'd stepped away from it all, it suddenly appeared in my office. Tasha Evanoff: She is what original sin must have looked like. Blonde, beautiful, voluptuous, and with secretive sapphire eyes that see right into my tainted soul. She comes offering one bite of the apple. If I had any sense I'd shut the door on her, and send her back to her father, a psychopath of the highest degree. But that's not who I am. If the pretty princess has the courage to walk into the lion's den, I'm sure as fuck not going to pass on a challenge. I'll take one bite of her apple. Why the fuck wouldn't I? I've been lusting after it for years. Right now, she is in my world, and she'll damn well play by my rules. She thinks everything will go back to what it was before, but I know what she doesn't. You can never have just one night of raw passion. The body will always crave more. Will she submit to her body's desires or to her father's?

An Intense seductive story and journey into the unknown, that shows us that even in the unlikeliest places true love can be found if only you trust your heart. Autumn I moved to this tiny community by a mountain so I could train to become an artist. I spend my days working in an art showroom and my nights painting. Life is perfect until late one night a devilishly handsome, obscenely rich man with icy blue eyes walks into the shop. I tell myself he is everything I detest about a man. That I hate him. It is easier to deal with hate than the dark emotions he provokes in me, but my body and my heart refuse to accept the lie my brain has devised for it. I begin to dream of his touch. As more time passes I realize there is nowhere to run. There is nowhere he will not pursue me. I surrender to the temptation...and little by little I become more and more entangled in his electric, secretive life. But danger lurks...as everything is not as it seems. Soon I learn not even my wildest dreams could have prepared me for what I have stepped into. A Full Length Standalone Romance With HEA.

One geology intern who desperately needs to be rescued from a hostage situation. One billionaire who has the capability to save her life. Two people who are inexplicably drawn to each other even though they have almost nothing in common. Taylor: Just when I thought I was destined to die in a foreign country after being kidnapped while doing a geological exploration, a mysterious rescuer shows up just in time to save my life. Unfortunately, my liberator also happens to be the co-CEO of Montgomery Mining, my employer, and a billionaire with an attitude. At first glance, Hudson Montgomery seems like the quintessential gorgeous billionaire with plenty of money to burn, and no concern for anyone but himself. The arrogant billionaire I could handle, but I wasn't quite so sure how to deal with the amazing guy I discovered once I looked past the superficial exterior. The one who stayed by my side as I recovered mentally and physically from the trauma of being a hostage. There was so much more to Hudson than just billions of dollars, a prestigious last name and a very handsome face. When the white-hot chemistry between the two of us finally explodes, do I trust the man I've come to know, or do I accept that Hudson Montgomery is the same guy the rest of the world sees?

All my life I've been the quiet bookworm, the office mouse. It hasn't bothered me. Immersing myself in erotic novels has kept me wriggling on the edge of my seat at work and firmly entrenched in my own fantasy world at night. Though one thing is bothering me—my damn virginity. If only I could find a sexy bedroom expert to introduce me to the delights of having a lover. Someone handsome and charming, who can rival the hunky alpha males in my books. I have a very vivid, very well-fed imagination—he'll have to keep up. Then, one bitterly cold night, thanks to a devious, conniving, so-called friend, the perfect opportunity to rid myself of this pesky virginity problem comes along. Before I know it, the heroes in my novels have come alive in the person of Shane Galloway, who's pleasuring me with every trick in the book and wheedling into my heart in the hottest ways possible.

People say there are things worse than death. They are right. Death would have saved me. The things broke me. - Sofia So I locked my heart away and swore I'd never have another man in my body again. You see, I thought, I knew everything there was to know about men: deceitful, cruel, and heartless. I thought I hated them all. Naively, I believed I could live hidden away in my brother-in-law's castle forever. But Fate put me under a mistletoe with a man called Jack Irish. How can I describe him? Tall, dark and handsome wouldn't even begin to cut it. Mesmerizingly magnetic with charcoal hair, eyes bluer than the bluest marbles, and tattoos that curl out of his rolled up sleeves, he stood in front of me. When his lips brushed mine the ground under my feet shook, and everything I believed about myself smashed into a thousand pieces. But I am not the girl he thinks I am. He wants me in his bed. He doesn't know I am damaged beyond repair and dirty. If he knows how filthy I am he will run a mile. Jack I know all about pain. How it reaches into you, rips out your heart, and crushes it while you fuckin' watch. I'd vowed that was in the past. I was going to get drunk on one night stands and casual sex. But then fate put Sophie Seagull in my path. She is damaged. She is fragile. She is broken. And she is beautiful. Not in the cold, hard way of a sparkling diamond throwing its flashy light all over the place, but in the secretively, mysterious way of a pearl glowing in the moonlight. I look into her eyes, as huge and hauntingly soulful as that of a slow loris and the world doesn't seem to be so bleak anymore. She fights me, but this is my vow. To repair her. To protect her. To take her. To make her mine forever...

When he is promoted by his private bank, Laville & Cie, to take on their largest Russian clients, it looks like his star will only continue to rise. As the excesses of his multibillionaire client, the oligarch Gagarin, grow ever more extreme, McKnight starts to fall for the lifestyle of travel, drugs, women and fast cars, and discovers that work can also be fun. As McKnight follows Gagarin around the world, coming up with new ways to skirt the law and wash his money, he must play an increasingly feverish game of cat-and-mouse between the American government, and the state-sanctioned Russian mob. Named a Best Book of 2018 by the Financial Times and Fortune, this "thrilling" (Bill Gates) New York Times bestseller exposes how a "modern Gatsby" swindled over \$5 billion with the aid of Goldman Sachs in "the heist of the century" (Axios). Now a #1 international bestseller, Billion Dollar Whale is "an epic tale of white-collar crime on a global scale" (Publishers Weekly), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude--one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund--right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like The Wolf of Wall Street. By early 2019, with his yacht and private jet

reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. Billion Dollar Whale has joined the ranks of Liar's Poker, Den of Thieves, and Bad Blood as a classic harrowing parable of hubris and greed in the financial world.

Liam Carter was once my best friend and childhood crush. Now he's a playboy billionaire in need of a fake fiancée. The first time I meet Liam again after fifteen years, I ruin his suit with marinara sauce at a fancy party. I'm the caterer, he's the guest. It's only mildly humiliating. But the second time I see him? That's when he pops the question all girls long to hear. Will you be my fake fiancée? Apparently, he needs to shed his playboy image, and fast. Liam's nothing like the boy I remember. Tall, broad and poured into tailored suits, he now has more money than he can count. In exchange for my help, he vows to make my cheating ex jealous, showing up to my job with roses in hand and crooked smiles. It's a game, just like the ones we played as kids. Well, maybe not just like those—they never involved heated kisses. But as make-believe bleeds into reality, I can't stop wondering...are we too different now to make something last?
