Harry recently had to go and live with his dad and his dad's new family and was not happy. So Santa and Florence collected Harry to join them on their journey. Just after they set off, the shooting stars erupted and upturned Santa's sleigh! Harry and Florence were sent flying through the air, only to land in a country neither of them had heard of before. They befriended Malik and his sister Aaral, who lived on the streets. Harry was stunned when he realised how Malik and Aaral survived and he began to feel ashamed of his behaviour at home and at school, and realised that he did in fact have a good life compared to his two new brave friends. The Christmas Town

Dear Santa

In *The Christmas Letters*, three generations of women reveal their stories of love and marriage in the letters they write to family and friends during the holidays. It's a down-home Christmas story about tradition, family, and the shared experiences of women. Here, in a letter of her own, Lee Smith explains how she was inspired to write this celebrated epistolary novel: Dear Friends, Like me, you probably get Christmas letters every year. I read every word and save every letter.

Where To Download The Christmas Eve Letter: A Time Travel Novel

Because every Christmas letter is the story of a life, and what story can be more interesting than the story of our lives? Often, it is the story of an entire family. But you also have to read between the lines with Christmas letters. Sometimes, what is not said is even more important than what is on the page. In *The Christmas Letters*, I have used this familiar format to illumine the lives, hopes, dreams, and disappointments of three generations of American women. Much of the story of *The Christmas Letters* is also told through shared recipes. As Mary, my favorite character, says, "I feel as if I

have written out my life story in recipes! The Cool Whip and mushroom soup years, the hibachi and fondue period, then the quiche and crepes phase, and now it's these salsa years." I wrote this little book for the same reason I write to my friends and relatives every holiday--Christmas letters give us a chance to remember and celebrate who we are. With warmest greetings, Lee Smith
