Hours before the opening of her career counseling practice, Gilda Greco discovers the body of golden girl, Carrie Ann Godfrey, neatly arranged in the dumpster outside Gilda's office. Gilda's life and budding career are stalled as Detective Carlo Fantin, her former high school crush, conducts the investigation. When three more dead blondes turn up, all brutally strangled and deposited near Gilda's favorite haunts, she is pegged as a prime suspect for the murders. Frustrated by Carlo's chilly detective persona and the mean girl antics of Carrie Ann's meddling relatives, Gilda decides to launch her own investigation. She discovers a gaggle of suspects, among them a yoga instructor in need of anger management training, a lecherous photographer, and fourteen ex-boyfriends. As the puzzle pieces fall into place, shocking revelations emerge, forcing Gilda to confront the envy and deceit she has long overlooked.

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his eating and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto Skinny Bitch. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In Skinny Bastard, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girly" thing-and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.

Spells to empower the modern witch to exact revenge and take charge For the modern woman who wants to unleash her inner bitch, this magical book offers simple spells and incantations to exact revenge on anyone who deserves it--an evil ex, a coworker who stole her thunder, the stylist who ignored what 'just a trim' means, the rude idiot who won't stop talking through the movie--the list sadly never ends. This enchanting collection emboldens women to use their own power to take matters into their own hands, with sassy spells for home, work, love, and more. A driver cut you off? There's a spell for that. Someone on the subway stepped on your shoe and didn't apologize? Just recte an incantation! Boss won't approve your vacation days? Cast a hex! The bitchy witch can also get her friends in on it with included group-cast spells. Complete with 2-color illustrations and inspirational bitchy quotes, Bitchcraft is a cheeky twist on witchcraft for the modern woman.

THIS IS A STAND ALONE TITLE Most women aren't born bitches they are molded into them by unfortunate circumstances. My name is Stormy Weathers and the story I share is not unique. I was born in the slums of Gary, Indiana to a teenage mother and later put up for adoption to an abusive family. After running away from home several times I finally landed on the gritty streets of Detroit city where I met the love of my life Montrellis Jones an ex convicted gangster. The consequences of fast money and hard living would eventually land me behind bars. Roll with me as I desperately struggle to survive the seedy walls of a maximum security women's state prison. Note: This book is purely for entertainment purposes. While many scenes may depict true life behind bars, all may not be completely accurate.
