A cult classic. THE HAVEN is the tale of a bastion of mankind surrounded by endless forests, faced with constant wars and fears of extinction from hordes of cunning, savage wild dogs.

Driven to become king. Fated to be a god. In the cold winters of an ice age, Odin was born to be a mere jarl. But Fate has staked a claim upon him. When his brother falls under a ghostly curse, a goddess offers Odin a chance to save him. If Odin can make himself king—and promise an unspecified favor—she will make him and his family immortal. In desperation, Odin begins a quest to become king of all the Aesir. But his journey exposes him to forces more powerful than even the goddess: the Norns who foretell Fate. They warn of a terrible burden he will bear, and of the coming end times, Ragnarok. Tormented by his prophetic dreams, Odin must soon choose between those he loves and a fragile chance to avert Ragnarok. (Collects books 1-3)

Roger Ramius MacClintock was young, handsome, athletic, an excellent dresser, and third in line for the Throne of Man. It probably wasn't too surprising that someone in his position should react by becoming spoiled, self-centered, and petulant. After all, what else did he have to do with his life? Then warships of the Empire of Man's worst rivals shoot his crippled vessel out of space and Roger is shipwrecked on the planet Marduk, whose jungles are full of deadly predators and barbarian hordes with really bad dispositions. Now all Roger has to do is hike halfway around the entire planet, then capture a spaceport from the Bad Guys, somehow commandeer a starship, and then go home to Mother for explanations. Fortunately, Roger has an ace in the hole: Bravo Company of Bronze Battalion of The Empress' Own Regiment. If anyone can get him off Marduk alive, it's the Bronze Barbarians.
