The Foundations of Modern Political Thought: The ...

A two-volume study of political thought from the late thirteenth to the end of the sixteenth century, the decisive period of transition from medieval to modern political theory. The work is intended to be both an introduction to the period for students, and a presentation and justification of a particular approach to the interpretation of historical texts.

The Foundations of Modern Political Thought by Quentin Skinner

Read Online The Foundations Of Modern Political Thought: The Age Of Reformation

In The Foundations of Modern Political Thought, Quentin Skinner has three aims: creating a sort of reference book for hundreds of primary texts in multiple languages, illuminating a more general historical theme using late medieval and early modern political texts, and giving us a history of political thought with a genuinely historical character. Skinner allows us to see political theorists creatively wrestling with difficult political problems of their day, and attempting to solve them ...

The Foundations of Modern
Political Thought is a two-
volume work of intellectual
history by Quentin Skinner,
published in 1978. The work
traces the conceptual
origins of modern politics
by investigating the history
of political thought in the
West at the turn of the
medieval and early modern
periods, from the 13th to
