Seeking retribution for the massacre in 1099, Saladin, leader of the vast Saracen army, launches a campaign to reclaim the sacred land from its current ruler, Baldwin IV. But while the young king proves to be intelligent, courageous and dedicated to the welfare and protection of his people, he lives his life under the terrible affliction of leprosy which has plagued him from an early age. While the scheming of rival factions and fierce political deception plague the halls of the royal court, the ever-present threat from Saladin weighs heavily on the young king's shoulders. Furthermore, there are few that Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few to maintain the peace. But war is coming . . .

*Poldark's Cornwall*

In Cornwall in 1815, Demelza sees a horseman riding down the valley and senses disruption to the domestic contentment she has fought so hard to achieve. Ross has little option but to accept the summons—and travel to Paris with his family, as an "observer" of the French armed forces. Parisian life begins well, but the return of Napoleon brings separation, distrust, and danger to the Poldarks—and always for Demelza there is the shadow of the secret she does not even share with Ross.

A lavishly illustrated companion to Winston Graham's beloved Poldark novels, reissued to coincide with the BBC series based on the novels. Graham's saga of Cornish life in the eighteenth century has enthralled readers throughout the world for seventy years and the wild landscapes that inspired the novels have - even today - remained relatively unchanged. Cornwall then was a perilous world of pirates and shipwrecks: of rugged coast and mysterious smugglers' coves, of windswept moors and picturesque villages such as Boscastle and Port Quin, and of beaches, tin mines and churches. With an introduction by Winston Graham's son, Andrew, and illustrated with stunning photographs, Poldark's Cornwall is a glorious evocation of the land of beauty, excitement, romance and imagination that Graham loved so well.
