The Chronicles of Loki: Book One The Gathering Storm, is the first book in a trilogy centered on the life of the Norse trickster, Loki. Essentially, this is a reworking of the Norse myths in which the character commonly identified as the god of mischief and wickedness gets to tell the story from his point of view. The twist in this book, however, is that it take what folklorists call an euhemeristic point of view with this mythology, i.e., it treats Loki, Odin, Frey, and company as if they were real human beings who lived ages ago
