

The Glittering Strand: A Triumphant Story Of A Young Woman's Fight For Independence

A desperate fight for her birthright and freedom... Spiced with the colour and sensuous splendour of the sixteenth-century silk trade, Judith Lennox's The Glittering Strand is the triumphant story of a young woman's fight for independence. Perfect for fans of Rachel Hore and Kate Morton. Serafina Guardi and her father, a wealthy silk merchant from Marseilles, are sailing to Italy to celebrate her betrothal when their ship is captured by Barbary corsairs. Serafina finds herself plunged into the unknown, brutal world of the North African slave states. From there, she begins the long struggle to free herself from servitude. Serafina's wit and beauty are tempered by her ruthlessness - a ruthlessness which eventually threatens to lose her both her lover and her child. Embattled by the prejudices of the age and by the ambitions of her treacherous cousin Angelo, Serafina fights against poverty, loneliness and despair, vowing to regain her lost inheritance - the Guardi silk house - at whatever cost. What readers are saying about Judith Lennox: 'Ideal escapism' '[Judith Lennox] is the ultimate storyteller... her stories are compelling and beautifully descriptive of both characters and feelings' '[Judith Lennox's] characters are marvellously drawn, and their lives draw the reader totally into the story'

They claim she isn't ready. But she'll prove Atlantis's throne belongs to her. Despite Kai's many accomplishments, nothing is enough to assuage the nobles hoping to deny her the throne. Taking it out from under them won't be easy. Few mers know sacrifice better than Manu. He'll forfeit anything for Kai to succeed, even if it means denying their newfound affection. Even if it means breaking his own heart. After all, neither of them has time for romance--Calypso's vile Gloom has evolved. The mers of Atlantis will need new allies if they're to overcome the darkness creeping toward their kingdom. And Kai must truly learn what it means to be a queen if she's to be trusted with Atlantis's safety.
