

The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

On a scale of 1 to 10, with 1 being not happy at all and 10 being very, very happy, how happy would you say you are right now, BEFORE reading this book? Now remember that number. Inside "Happy As a Rat In a Trash Can" Don challenges the reader to raise that number just as a student would be challenged to raise up school grades. Don says this book is about YOU! It is about you becoming a little more faithful a little more grateful a little more understanding a little more forgiving a little more thoughtful a little more caring and a lot more loving Why? Because these are the things that beget happiness. In early 2008 Don's Mom went to be with the Lord. She was a person just like your Mom... very loving and invariably, always in your corner. Her Christian values were instilled in him and are presented to the readers throughout this book. Don presents his points with a sense of humor (as reflected in

the title) but never does he joke about the seriousness of becoming a happier person. He'll explain why faith is necessary and how the Law of sowing and reaping is creating the world YOU live in. He'll give you a simple question to ask yourself whenever confronted with the tough choices that life brings to all of us. This book's objective is to raise your level of happiness even if you are already a happy person. Don't be surprised if those around you start to wonder what got into you! This book can be your little secret happiness project. You'll learn how and why we all need to pay more attention to others and why that will result in a better future for yourself. (see Chapter 5 - Lessons from "Groundhog Day") Being Happy is the Result of Sowing Good Seeds. If you're NOT happy, you need to read this book. Here are some great ideas that you can begin to implement immediately. Buy this book NOW! ~ You'll be Glad "HAPPY" You Did! -----

----- What others are saying about this book: "It takes us a lifetime to learn the

make you smile with their newest discoveries! This book is printed in black and white.

Convicted murderer Billy Ferris has endured more than three decades behind bars in many of Britain's prisons. In *The Hate Factory*, he candidly documents his experiences in jail with some of the UK's most notorious criminals. Jailed for life in 1977 for a crime of passion, Ferris experienced betrayal and treachery on the inside. He unexpectedly formed friendships that led to his being labelled a 'bombers' crony' and found love while on the run after a dramatic escape. He vividly describes the cruelty, savagery and degradation that go hand in hand with prison life and details the nightmare that was Wormwood Scrubs, the prison he christened 'the Hate Factory'. He relays what happened when his cell was used as a courtroom for an IRA punishment trial and how he hatched a plan to assassinate the son of a legendary underworld godfather and plotted to murder an informer. Over the 30 years during which Ferris has been imprisoned, his fellow inmates have included some of the

Book Three of the Love's Territory Series

A Mother's Tug-of-Love Torment

*For almost four decades, Margaret 'Mags' McGraw was a keeper of secrets. Her husband, Tam, the notorious 'Licensee', amassed a fortune by leading a safe-cracking gang before masterminding a spectacular £50-million drugs racket. Mags was a devotee of Tarot cards and fortune telling, so when Tam and his associates wondered whether luck would be with them, it was to her that they turned. But Mags discovered that the cards warned of much more than years in prison cells: they predicted death. She learned that her own husband was also doomed to a fate that was unexpected by everyone but her: Tam died in the arms of the wife he called his 'rock' while her secret lover frantically tried to save him. In *The Gangster's Wife*, Mags reveals her gripping life story, from being a London clippie through often*

hilarious days running an ice-cream van during the infamous Glasgow Ice Cream Wars to managing a notorious bar, being agony aunt to the toughest criminals around, hiding a secret love and sharing a life with The Licensee.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Crimelord is the gripping life story of elusive multimillionaire gangster Tam McGraw. A notorious criminal kingpin, McGraw has risen from extreme poverty in the East End of Glasgow to become one of Scotland's wealthiest men. When hash started to flood into Scotland from the late 1980s onwards, suspicion centred on McGraw, leader of the infamous Barlanark Team. After a two-year surveillance operation, police discovered the drug had been hidden in buses carrying young footballers and deprived Glasgow families on free holidays abroad. It was a scam reminiscent of the movie The Italian Job, only this time Scots kids had been sitting on hash worth over £40 million. Police claimed McGraw was the financier and mastermind but in 1998 a jury declared him innocent while other suspects were jailed. As McGraw refuses to discuss his life publicly, his remarkable tale is told through friends, fellow crooks and the occasional rival. It is an outrageous, often hilarious, true gangster story.

A zoo volunteer shares her diary of 12 years working in the World of Primates at the Houston Zoo. She helped raise three orangutan babies and a baby siamang gibbon, and was loved, hugged, and peed on by all four. When she wasn't helping with the babies, she helped clean

The Happy Little Cigar Book delivers a big experience. Without resorting to complex ratings, boring history, or dictatorial recommendations this work simply has fun with cigars. Perrin Lovett, a writer, former attorney, and cigar lover examines some cigar myths, proper smoking, and shop selection. He also tells a few short stories sure to warm the heart of any cigar smoker. Alexander Shannon escaped a shady past to enjoy a glittering career in the army, only to end up back in the thick of criminal

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

activity. Shannon's time as a soldier saw him posted to the Falklands, Northern Ireland and war-torn Bosnia. The rigours of army life took their toll and he found himself drawn into a series of ruthless gang wars. He used the skills he'd learned in the forces to hide weapons, work for drugs racketeers and plot a massacre, and he was offered a fortune to work as a Mafia-style contract assassin. He was questioned over brutal killings and accused of a triple murder attempt, yet his dedication and determination to succeed in the army brought him accolades and a series of promotions. In *The Underworld Captain*, Shannon explains how he managed to combine a successful army career with dangerous gangland dealings for so long and how he finally broke free for good.

Will Jelbert had what many people would consider the ideal life: a well paying job, a beautiful wife and a great apartment, but he still wasn't happy. One day the life he knew came to an abrupt end when he was thrown from his bike, face first into the sidewalk of a Sydney street. After a year in recovery, Jelbert decided to dedicate the next three years to a happiness research project. The result: *The Happiness Animal*. The world's first

and live within the reader" - Lucy Proud, The Art of Being Voted "Best Happiness Book" on Goodreads

Not written by IIT or IIM graduate, but a simple management graduate. Being a working professional in Human Resources I have had numerous encounters with people and its issues, which have helped me get varied perspective from different set of people. Happiness is elusive to all of us, yet abundantly available. These contradictions in our modern life compelled me to think through and reflect back on all the people / perspectives who radiate happiness irrespective of their limitations in life. This book will tell you stories of such role models / instances which give us tiny tickle to the brains and help us move towards "Happiness". I have been fortunate to experience these interesting stories, and get some amazing learning's from this beautiful world. These few pages will take you into my world of stories, some real, some spiced up a bit, but it will serve you a perfect learning. Now, it is time to capture some of the beautiful moments from the beautiful world.

Mummy, Take Me Home

The Hate Factory

Happy As a Rat in a Trash Can

'Mummy, take me home,' sobbed little Jasmine Chapman as she was ripped from her mother's arms. But there was nothing that Morag could do . . . except continue to fight for custody of the child she loved so much. When their relationship ended, Jasmine's parents argued bitterly about her future. But they were unable to come to an amicable agreement, and a UK court ruled that the case be heard in the US, the home of Jasmine's father. Fearing that she would lose her child, Morag fled from Texas with her daughter, only to be hauled back in shackles and incarcerated in a grim American prison. When Morag was eventually freed and awarded custody of her little girl, she thought her nightmare was over.

However, back in the UK, every move she made was watched and every mistake recorded. Morag sank into deep depression and became lost in a haze of alcohol and drugs. The once beautiful and desirable young woman found her life spiralling out of control. Eventually, she lost the daughter she had fought so hard to keep. Mummy, Take Me Home is the gripping and disturbing true-life story of a tug of love that no mother should ever face and no child should be forced to endure.

When Manny McDonnell was twelve, he awoke to discover British troops surrounding his home in the toughest area of trouble-torn Belfast. Internment had begun and, encouraged by a fiercely Republican mother, he took to the streets with other school kids, throwing bricks, bottles and petrol bombs at soldiers. Jailed at fifteen for having IRA links, he became a unit commander leading deadly missions for

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

the INLA before joining the IPLO, a group so vicious even the IRA ordered it to disband. But his decades of commitment to a free united Ireland turned to disillusion when bombs indiscriminately killed two little boys in mainland Britain. It was a wake-up call and, sickened by the way events were unfolding, McDonnell distanced himself from the Troubles and began to spend more time in Scotland with major gangland players Paul Ferris and Tam 'The Licensee' McGraw. Friendly with both, he then faced difficult choices when the two fell out and became bitter rivals and sworn enemies. *Lighting Candles* is an astonishing and horrifying exposé of one man's journey through the blood, bombs and bullets of the paramilitaries to the criminal activities of drug-smuggling gangsters. It is also a story of how, no matter what has gone before, it's possible to put the past behind you and begin again.

Charlie, snow, toot, white: cocaine goes by many different names. But in Glasgow in the early 1980s, they called it Happy Dust. At no-holds-barred parties of the glamorous and wealthy, cocaine was the new aphrodisiac. A few lines of Charlie and a humdrum party could become an orgy. Hot from the forests of Colombia, Charlie flooded onto the streets of Glasgow and was passed along the line to the cocktail set, highly paid sports stars and yuppies desperate for kicks and thrills. Behind it all was a man they called the Parachutist. But all too soon, the party was over. People became too greedy and the Parachutist was double-crossed. Some of the gang did shady deals with detectives in hotel rooms; others flew to seek shelter in the sun, their reputations destroyed but not their fortunes. The good times might have been over for the Happy Dust Gang, but their legacy lives on to this day.

The recent surge in the use of crack/cocaine in Britain has rightly been a cause for concern. In this book, the first to be written on the subject in Britain for many years, Philip Bean has brought together some of the most respected authorities on the subject to report on their recent research. This is an important book for all interested in the subject.

A Journey Through Gangland Mayhem

Blink

There was one partner the pretty young women who danced away the 1960s in Glasgow's Barrowlands were desperate to avoid: Bible John, so named because he quoted scripture to his victims. He was being hunted for three brutal unsolved sex murders, and each of his victims had been picked up after a night at the famous dance hall. Police were still investigating the first terrifying murder when Hannah Martin was raped on her way home from the Barrowlands. When Bible John struck twice more, Hannah confided to friends that his description matched that of her own attacker. The next shock came when Hannah discovered she was pregnant. Her distraught father banished her from the family home and forced her to give her child up for adoption. She would never see her daughter again, but in a bizarre twist three decades later, an investigation into the infamous World's End murder would result in Hannah's daughter discovering the identity of the mother she never knew. Tragically, the news came too late for them to be reunited, but

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

it set her on a course to uncover the shocking secrets of her mother's life. Did Hannah know Bible John? What did Hannah Martin reveal of her baby's father? How did she then become a member of a multimillion-pound drug-smuggling gang? Why, after expecting a huge bounty, did she die in poverty? The answers are all here in Bible John's Secret Daughter.

If you're like most people, you can't afford to charter a yacht to the Bahamas on a moment's notice, nor can you take a week off work to attend a soul-cleansing spiritual retreat. So how is the busy, everyday, hard-working person supposed to find joy and passion in life? This is exactly the problem that Neil A. Panosian has spent most of his life trying to solve. A bartender and postal worker, the author felt uncomfortable with the rampant negativity in the world today and wanted to turn this discontent into something constructive—something the average person could use to increase their overall happiness, in just a few simple steps. So he started a blog dedicated to his pursuit of positivity, and quickly gained thousands of followers who were also looking for good ideas for improving their lives. Soon, he found that certain small actions were adding up to big rewards, and the rest is history. This fun-to-read book contains the best of the best—tools that can be used quickly and universally to increase joy, whether you're a busy professional, a blue-collar worker, or a single parent

Invites readers to guess, along with Sheep's friends, the mysterious thing that starts with the letter F that makes Sheep happy.

Carstairs, the State Hospital in Lanarkshire, Scotland, is a hospital like no other. Effectively a prison for some of the most violent and insane criminals in our society, it houses men who have committed the most horrific and frightening crimes imaginable. And despite being an expensive, taxpayer-funded facility, the workings of Carstairs remain subject to intense state secrecy. In *Carstairs: Hospital for Horrors*, author David Leslie examines the history of the institution, the crimes that have led patients to be committed to the State Hospital and highlights the risks of the brave and dedicated staff who work there. This shocking account delves into the nightmarish minds of men who have killed, raped and attacked family members, lovers, children and innocent bystanders. For many patients, there is little hope of ever being released. But for others, including some considered to be amongst the most dangerous in society, release can become a reality. *Corsairs* features an exclusive, first-hand account of a bloody escape in 1976, when Robert Mone, along with Thomas McCulloch, escaped and went on the run. Three men died and now, for the very first time, Robert Mone gives his own account of an event which shocked the nation. And it is a telling insight into one of the most high-profile

An Empire Built on Cards

Hidden in the forgotten tunnels beneath the castle of Thorilleia lies an ancient book written by a powerful wizard. Two young men set out to find the book, which is said to contain a mysterious secret. Their journey takes them across rugged mountains and through dense forests where they encounter dangerous creatures and strange cultures. When they reach Thorilleia, they find themselves thrust into a pivotal role in a war between great kingdoms. Loaded with action and unexpected twists, Dragon's Dust is not just a quest for riches and power; it's an adventure story where integrity, determination, and courage prevail in dire circumstances.

Louis van Gaal is a paradox from top to toe. This is the man who, when unveiled as Bayern Munich manager in 2009, described himself like this: "I am what I am; self-confident, arrogant, dominant, honest, industrious, innovative." Former players have described him as "scary," as a "volcano." The former Barcelona president

described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me." Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young Dutch charges were finally beaten on penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums. Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting tale which supporters of Ajax,

Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of Fergie's Finest: Sir Alex Ferguson's Greatest Manchester United x11, and The Pride of all Europe: Manchester United's Greatest Seasons in the European Cup. PRAISE FOR THE BOOK "From Ajax to Man United, via Bayern Munich, Andrew J Kirby plots the rise of this indomitable, complex figure with verve and great insight. Despite not being a Manchester United fan, Van Gaal's extreme personality has long intrigued me. Kirby captures it on the page with an uncanny accuracy. This book is exhaustively researched, and offers great psychological insights into the man, as well as the world of football. Most books about football are poor- Kirby's is an exception, and is written with a ferocious intellect that matches its subject matter. A must-read for fans of United, and those of us interested in this colossus of football." - Guy Mankowski, author of 'How I Left the National Grid' PRAISE FOR ANDREW J KIRBY'S SPORTSWRITING "The author knows his stuff," Angela Bowman, Manchester United fan "The perfect gift for the red devil in your life!" Sam Sharp, Manchester United fan "A good read for United fans young and old," AJ Hellina, Amazon reader "A must read for any red," Scott the Red, Republik of Mancunia on Fergie's Finest

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

For four decades, Margaret "Mags" McGraw was a keeper of secrets. Her husband Tam amassed a fortune through leading a safecracking gang before masterminding a spectacular £50 million drugs racket—and the success of both enterprises depended on skill, bravery, and, most of all, luck. Mags was a devotee of tarot cards and fortune-telling, so when Tam and his associates wondered whether luck would be with them, it was to her that they turned. But Mags discovered that the cards gave signs that warned of much more than years in prison cells: they predicted death. She lived not just with the awful knowledge that her friends would perish violently, but

"Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city.

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a *Grapes of Wrath* for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

Crimelord: The Licensee

The True Story of Tam McGraw

Who controls football in Britain today? The FA? The clubs? The fans? The shocking reality is

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

that organised crime is moving in more aggressively than a Wayne Rooney tackle and there's little the authorities can do about it. Football and Gangsters is a revealing investigation into how organised crime has begun to take hold behind the scenes of professional football. Michael Owen, Rio Ferdinand and Robbie Fowler are just some of the sport's big names to have fallen foul of the game's godfathers and paid the price. Their alarming stories are told here. Criminal organisations have manoeuvred themselves into a position of power in football. Drug dealers launder money by buying clubs; hooligan gangs have muscled their way into the boardroom; and the influence of Asian betting rings continues to grow. Through a series of dangerous undercover investigations, along with interviews with players, club officials, police and the underworld figures responsible, the sensational evidence is laid bare in this book.

It is easy to be happy, but there is a prerequisite. We first must understand how happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be

Bookmark File PDF The Happy Dust Gang: How Sex, Scandal And Deceit Founded A Drugs Empire

unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner; it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?

As a young man in Glasgow ' s underworld, Ian ' Blink ' MacDonald fought, robbed and slashed his way to the top, developing a taste for the high life along the way. His notoriety earned him an offer of work from Scotland ' s most feared gangster, Arthur Thompson, but MacDonald had other plans: to finance a new life in Spain with the multimillion-pound proceeds of a high-risk armed bank robbery. But the job went badly wrong, and MacDonald was jailed for 16 years. In prison, he met scores of high-profile inmates, including torture-gang boss Eddie Richardson, high-society serial killer Archie Hall, notorious lifer Charles Bronson and Ronnie O ' Sullivan senior, father of the snooker star. On his release, MacDonald became a magnet for trouble, enjoying a hedonistic, drug-fuelled lifestyle and finding himself drawn into conflict with police, gangsters and businessmen. Rearrested several times, he was the target of more than one terrifying murder attempt. In Blink, MacDonald provides an eye-opening account of his highly eventful journey through life in Glasgow ' s brutal gangland.

This is a tome of poetry over 350 pages in length, that covers all aspects of life that the bleeding heart of a poet can long to appreciate. Desperation breeds good poetry, and

Cocaine in Context

A Dossier

The British National Bibliography

A little bit of this, a little bit of that. Shit, Niggas need to know!

First Published in 1997. This book sketches the recent history of the panic over cocaine in Britain, before reporting in-depth research on more than a hundred users in Scotland. This group contained all types of users, from casual users to heavy users who had cut down without problems, to people with multiple drug problems. The book considers why some people can give up cocaine and others become addicted. It compares British users with those elsewhere in the world, showing that the effects are similar everywhere -- cocaine does not addict most of its users. The picture of drug use obtained from addicts in clinics is a distorted one. Cocaine use in Britain has caused much concern but its extent has been unknown. Users are still quite affluent, but when cocaine hits street level -- as it is predicted to do in the late 1990s -- problems are likely to increase.

Bug! Rug! Mug! Hug! These dust bunnies love to rhyme. Well, except for Bob. Much to the other bunnies' frustration, Bob can never get the rhythm right. Then he saves everyone from a big, scary monster wielding—gasp!—a broom, and they all breathe a sigh of relief. But can Bob save them from the big, scary monster's next attack? Vrrrrroooooomm...

Paul Jonas leader of the "Blackout Gang" is released early from prison, only doing 10 of his 50 year sentence. Tension rises as Jonas realizes that his sister is a wild card and still pulling rank on his gang, even though he has return home. Even worse, his early release was not without a price, a sexy undercover DEA agent is sent to intercept Jonas and gets entangled into his web and finds herself in over her head having equivocal feelings. The streets of Chicago are painted red, as Blackout Gang place a stranglehold on the city and monopolizes on their territory by creating an active war zone. Things go from bad to worst as rival gang "Bogus Boyz" fights for control and the body count in Chicago reach epic proportions. Will the DEA be successful in their pursuit of taking down Blackout Gang ? Will Blackout Gang pull off the impossible by being the first gang in the history of Chicago to take dominance of the entire city? --Editor, Robert Kauffman "Blackout Gang at the core is fictional retelling of gang life on the streets of Chicago and Chris grabs you with his writing from the beginning to end. He keeps you guessing. The story brings awareness of what is really taking

The wartime double agent with a transmitter in his cell to contact suffragettes; the doctor hanged as he smiled to the farewells of lovers on the scaffold; the con who defied a gangland godfather and escaped the bromide in the prison tea; aristocrats and arsonists...The screws who guard Britain's prisons have seen them all. Stir! is the story of six of the country's most notorious jails - Durham, Wandsworth, Pentonville, Wormwood Scrubs, Dartmoor and Holloway - and of the men and women who entered their gates, sometimes stood on their scaffolds and occasionally vanished before their time. The book looks at early punishments, life on hell ships transporting convicts to far-off continents, the growth of

prison populations, inmates sentenced to waste away on treadmills, the underworld giant who was birched, children starved and beaten for stealing, and even women forced to eat. Also investigated are the lives and thoughts of scores of inmates, from Oscar Wilde to Oswald Mosley; from Dr Crippen to Ruth Ellis, the last woman hanged; from underworld legend Frankie Fraser to a Rolling Stone; and even the man who shot Martin Luther King, Jr. Just like Ronnie Barker's Porridge series, there are laughs too, as we uncover the man who measured bathwater, the prisoners punished for not wearing a collar and tie, the jail bookie who paid out in bread, and the unlucky brewers. The mix is all there in Stir!
