

The Hustler

Communism Unwrapped is a collection of essays that unwraps the complex world of consumption under communism in Eastern Europe, featuring new work by both American and European scholars writing from a variety of disciplinary perspectives. The result is a fresh look at everyday life under communism that explores the ways people shopped, ate, drank, smoked, acquired, exchanged and assessed goods. These phenomena, the editors argue, were central to the way that communism was and experienced in its widely varied contexts in the region. Consumption pervaded everyday life far more than most modern and social phenomena. From design, to production, to retail sales and black market exchange, Communism Unwrapped traces communist goods from producer to consumer, tracing their circuitous routes. In the communist world this journey was given its own meanings, shaped by the special political and social circumstances of these societies. In examining consumption behind the Iron Curtain, this volume builds on a new field of study. It brings depth, dimension and nuance to our understanding of the communist period and a new perspective to our current analyses of consumerism.

"God Bless My Horse", the title poem of my book, is a poem that tells how God has blessed this man's horse and by blessing his horse, has blessed the man's entire life, and all the stupid, crazy things he (and I) have ever done. While reading this book, you will see that, not only this poem, but the whole book actually tells the stories from the view of a young man during his developing spiritual journey through life, to an older man, who thrives on his relationship with GOD. Throughout it all, God has always been there! In this book, a lifetime of thoughts, humor, and emotions are written in poetry, with a distinct West Texas flavor, including the unique dialog and colloquialisms of the people of the area. Many of the poems are of the old west, telling tales of cowboys, Native Americans, and horses. Others talk about my working experiences as a lineman and with the oilfields. All the poems are stories of my life experiences and how I talked to God throughout these experiences. Throughout the book is the expression of my strong Christian faith and love for the one true God. It is my expressed wish that anyone who reads this book will not only enjoy the book, but that they will also receive the good news of God's love and grace provided by his son, Jesus.

A Hustler's Dream I

Invitations to John Aspinall and John Burke's illegal gambling parties were the most sought after in

1950s London - only the wealthy and well-connected were allowed past their door. When the police finally arrested them, Aspinall and Burke challenged the law - and won. As a result gambling was legalised. Which interested crime boss Billy Hill and his lieutenant Bobby McKew, because suddenly clubs sprang up everywhere and Billy had a foolproof way of fixing the cards. He also had his eye on the ultimate prize, Aspinall's exclusive new club, The Clermont... Revealing for the first time how Aspinall and Hill plotted to steal a fortune, based on testimony from Burke and McKew, *The Hustlers* is a riotous journey back to 50s and 60s London. With a cast of characters that ranges from safecracker Eddie Chapman to the reckless Earl of Derby, from croupier Louis the Rat to unlucky Lord Lucan, it vividly recreates the exploits of the gamblers and gangsters whose lives collided in the clubs and pubs of Mayfair. 'a fascinating glimpse into a bygone world . . . when chemmy parties took London by storm and toffs were often found to be rubbing shoulders with gangsters' Daily Express

When we met, Theo was a sexy surfer in Maui, riding waves by day and rocking my world at night. After being played for a fool by my ex-fiancé, Theo proved to be a source of instant gratification. He was refreshingly honest, engaging, and incredibly charming. Theo built me up when it felt like my world was crumbling down. Turns out, he's just like my ex. A liar. To avoid the gossip of my failed engagement, I hightail it to Boston, where I'm forced to cross paths with a new version of Theo, aka Eddie Sims, Boston Hawks right wing. Here, he isn't the well-connected, alluring surfer but a determined, angry hockey hunk with something to prove. Especially to me. Except I've written him off. Once a liar, always a liar. But Theo isn't backing down. Instead, he's hustling for my forgiveness. If I give him another chance, will he live up to his apologies? Or am I just lying to myself?

Getting from Point A - where you are now - to Point B - where you want to be - is not always easy. It's not always easy to even know what Point B is, what real success in your life would look like! It's also not rocket science, and you don't have to be a scholar to make it in this world. What you do have to be

is a Hustler. You have to have the ability to put others first, set aside your ego, work through tough times, be thoughtful, be honest, and give people the benefit of the doubt as you would give yourself. This is not complicated stuff, but this is the stuff that creates winners. More than just a motivational message, The Hustler's Handbook guides you through concrete steps and actionable changes you can make to set yourself on the path to success - through what it really means to HUSTLE: • Helping others get what they want • Under-promise and over-deliver • Sacrifice • Take chances • Listen more, talk less • Expect the best out of people These practices can't just happen every now and then. This has to be a consistent action that becomes part of you. Stop waiting for the "right moment." Learn to set real goals, to get rid of the bad thinking that holds you back, to break out of the cycle of mediocrity, to defeat laziness. The time to start is now. Life is no dress rehearsal, so let's go to work!

This is the 1959 book "The Hustler" by Walter Tevis, that was made into a movie "The Hustler," a 1961 movie starring Jackie Gleason as Minnesota Fats and Paul Newman as "Fast Eddie Felson." In the movie, they are competing in a high stakes gambling game for money to determine who is the best player of the game of straight pool in the world. In the opening scene in the movie, Fast Eddie Felson and his friend Charlie are traveling across the country. They stop in a small town at a local pool hall. They start playing pool against each other while pretending to be drunk. Fast Eddie Felson shows himself to be an average pool player, but not as good as Charlie, and misses many easy shots. Finally, the other players in the pool hall which is also a bar start to take an interest in the big money game they are betting on. A situation arises where Fast Eddie Felson sets up a difficult shot. He bets Charlie he can make this shot. Charlie says it is impossible, that he cannot do it, but he does not have enough money to bet. Then, another spectator in the pool hall says he will take that bet and bet that Fast Eddie Felson cannot make the shot. They both put their money on the table. Amazingly, Fast Eddie Felson makes the shot, picks up the money and quickly leaves the pool hall, followed by Charlie. They get in their car and speed away. Fast Eddie Felson--young, sure of himself, and considered by some to be one of the best pool hustlers around--sets out from California to Chicago until he meets his match in the undefeated Minnesota Fats. Reissue.

But if that's true, then why did someone just launch a brazen bullet-riddled attack against them? Worlds and Fredd survive the attempt and decide to go on offense to flush out the guilty party. Allowing such an infraction to go unanswered is NOT an option when playing on the level they are. The man behind the attack is a high ranking narco trafficker named Riggs. Riggs employs a deadly duo of his own to complete the task, but their loyalties secretly lie elsewhere.
