Learn to Cook Awesome Meals the Way You Like! Kids, are you ready to make the best meal of your life? This cookbook is going to show you step by step how to cook the way grown-ups do, but with your favorite favors! And the best part is that your parents, siblings or sitters are only your helpers. YOU can take center stage chopping ingredients like a pro, stirring the pot and serving the final dish to your family or friends. These recipes are perfect for kids because they use simple ingredients, don't take a lot of work and cook all in one pot or pan. Along the way, you'll learn important skills, such as how to cut foods with or without a knife, how to brown ground meat for tacos, how to cook noodles for pasta dinners and how to use an oven safely. Your parents will be so impressed with what you can

wait a minute...what's that on the end of your arm? Why, it's a hand! And it turns out you need little more than your own two hands and a few ingredients to help yourself to healthy foods...and help the world, while you're at it! Because from the tip of your nose to the tip of an iceberg, the food we eat affects our bodies, our environment, and even strangers on the other side of the planet. It's amazing but true.

### The Everything Kids' Cookbook, Updated Edition

*Jenny Chandler, author of Cool Kids Cook, teaches the cooks of the future how to eat well, how to look after themselves and think about the planet at the same time. Including over 50 easy and adaptable recipes and special feature spreads on the environment, simple ways to be more eco-friendly and even a few fun crafting projects, this will be a book to really engage the next generation of foodies in a positive way. There is a massive rise in interest in veganism, vegetarian cooking and reducing meat consumption and,*

*whilst this book will not be purely plant-based, the world of vegetables, grains, pulses, nuts and seeds will be at its core, with the odd tip about using sustainable meat and fish. There are many 'green' cookbooks on the market for adults, but a lack of anything inspiring for children. It's undeniable that, with rising levels of obesity and all the related health issues, we need to get kids eating more veg; there can be no better way to get children eating more greens than letting them take the reins in the kitchen. Where Jenny's earlier book, Cool Kids Cook, focused on classic family recipes and basic*
