The Critically Acclaimed Surviving the Fall Series, Now in One Complete Edition!

Surviving the Fall is an epic survival/thriller post-apocalyptic series that asks the "what if" question that lurks in the back of everyone's mind. When a devastating attack cripples and destroys every Internet-connected device in the country, Rick Waters is stranded a thousand miles from his wife, Dianne, and their children. To get back home he'll have to draw on every survival instinct he has as he's pulled into a web of lies and conspiracy that threaten not just his survival but that of the entire world. Surviving the Fall is a thrilling post-apocalyptic episodic series that focuses on Rick and Dianne Waters and how they each deal with the apocalypse. Stranded across the country away from his family, Rick must travel from California to Virginia to reunite with his wife and children, all while struggling to comprehend and deal with the horrors along the way. At home with her three children when she experiences the beginning of the end in a dramatic and deadly fashion, Dianne Waters has experience as a prepper and

survivalist, but not even years of training and preparation have readied her for the darkness that comes with the end of the world. Now she must draw upon those skills to protect her loved ones and fight back against those who come against her and her family. This complete edition of *Surviving the Fall* features all twelve books in the series, each one full of action, suspense and drama as Rick and Dianne struggle to survive the end of days.

Tal, in order to secure his family's position among the Chosen, attempts to steal a sunstone and is caught, so he is banished from the mountaintop castle and thrown into a new unknown world where great dangers loom. Original.

An “extremely intelligent, witty, nerdy, and oh-my-god over-the-top sexy” debut novel—first in a New Adult romance series (*Fresh Fiction*). Data, research, scientific formulae—Annabelle Coffey is completely at ease with all of them. Men, not so much. But that’s all going to change after she asks Dr. Charles Douglas, the postdoctoral fellow in her lab, to have sex with her. Charles is not only beautiful, he is also adorably awkward, British, brilliant, and nice. What are the odds he’d turn her down? Very high, as it happens. Something to do with that whole student/teacher/ethics thing. But in a few weeks, Annie will graduate. As soon as she does, the unlikely friendship that’s developing between them can turn physical—just until Annie leaves for graduate school. Yet nothing could have prepared either Annie or Charles for chemistry like this, or for what happens when a simple exercise in mutual pleasure

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

In a flash, everything changes. When NYU student Asher Caine's uncle calls to warn him something big is coming, he has no idea it will be so devastating. Not even years of training can prepare him for what he's about to face. The only plan he has is to get his sister and nephew across country to safety, whatever it takes. The darkness is full of potential. For good or evil, only time will tell. Elliot Davenport isn't about to let his Chemistry lab partner leave him behind, though he's never done a spontaneous thing in his life. Ash is mysterious, aloof, and so damned sexy, Elliot can't get the guy out of his head. But his crush takes a backseat as the gravity of the situation becomes clear: the eastern two-thirds of the United States has gone dark. What happens when all the rules change in a split second? 200 million people are without access to sustainable food and water, let alone coffee and the Internet. Facing the worst humanitarian crisis the western world has ever seen, the government calls the military to step in. The entire military. The soldiers of Team Shockwave are tasked with evacuating civilians to the safety of

#1 New York Times bestselling author Charlaine Harris returns with the second of the Gunnie Rose series, in which Lizbeth is hired onto a new crew, transporting a crate into Dixie, the self-exiled southeast territory of the former United States. What the crate contains is something so powerful, that forces from across three territories want to possess it. In this second thrilling installment of the Gunnie Rose series, Lizbeth Rose is hired onto a new crew for a seemingly easy protection job, transporting a crate into Dixie, just about the last part of the former United States of America she wants to visit. But what seemed like a straight-forward job turns into a massacre as the crate is stolen. Up against a wall in Dixie, where social norms have stepped back into the last century, Lizbeth has to go undercover with an old friend to retrieve the crate as what's inside can spark a rebellion, if she can get it back in time. #1 New York Times bestselling author Charlaine Harris (Sookie Stackhouse mysteries and Midnight, Texas trilogy) is at her best here, building the world of this alternate history of the United States, where magic is an acknowledged but despised power.

Highly anticipated conclusion to the epic award-winning Rebel of the Sands trilogy - a genre-busting Wild West meets Arabian Nights fantasy Once, in the desert country of Miraji, there was a Sultan without an heir. The heir had been killed by his own brother, the treacherous Rebel Prince, who was consumed by jealousy and sought the throne for himself. Or so it was said by some. There were others who said that the Rebel Prince

Hero at the Fall

"With an almost encyclopedic knowledge of the historic underbelly of Galveston and a ringing feel for dialogue, Long Fall From Heaven carries us along on a sordid yet seamless narrative of murderous mayhem." —Craig Johnson, author of the Walt Longmire Mysteries Cueball Boland and Micah Lanscomb—both ex-cops with troubled pasts—stumble into the path of a serial killer. The murderer leads them into the dark history of Galveston when the city was Texas' Sin City. The killer has roots sunk deep into that history, but the FBI and the old Galveston families don't want Cueball and Micah to solve the crimes. Listen closely. There's an echo of another serial killer who stalked the city back during World War II. George Wier writes like he talks: Texan. In the 1990s he befriended the older novelist Milton T. Burton and the two became close friends. In 1998, Burton, worried about his health, told Wier this story and asked him to be his collaborator and principal writer. The two friends talked back and forth, and Wier

wrote the novel. Meanwhile, impatient with the publishing industry, George Wier has very successfully e-published his Bill Travis Mystery Series. He plays classical violin and country fiddle, dabbles in art and photography, and is a born promoter of all that he does. This is his first trade-published novel. He lives in Austin, Texas with his wife Sallie. Milton T. Burton (1947-2011) authored four crime novels published by Minotaur/Thomas Dunne. Like Wier, Burton was a lifelong Texan who breathed the Texas lingo. Burton had been variously a cattleman, a political consultant, and a college history teacher. A cantankerous but generous man, he liked writing and he liked talking to his friends, especially George Wier. He died in December 2011.

A desperate athlete. A super-soldier experiment. Will cutting-edge technology change the world or destroy it? Indiana Beckham's lifelong goal has just been cut down. Banned from competing in Olympic fencing, she jumps at the chance to join a research project that could make her the best. But to unlock the promise of her unlimited potential, Indiana must endure a risky, life-altering transformation? Lieutenant Arthur MacGaban has a mission: advance humanity in a single generation. Eager to prove his neuro-technology, he ignores the dangers and recruits his first live test subject. But when Indiana's enchanted abilities turn deadly, he'll have to keep a shocking secret to fuel his twisted dream? As Indiana harnesses her super-skills, the project and its subjects teeter on the edge of termination. Will the fencer's attempt to better herself end up destroying her instead?

John Stone, a man so wealthy that in the years before World War One he was able to manipulate markets, industries and indeed whole countries and continents, has been found dead in mysterious circumstances. His beautiful young widow commissions a journalist to carry

out an unusual bequest in his will but as he begins his research he soon discovers a story far more complex than he could have ever imagined... As the story moves backwards through time, from London in 1909 to Paris in 1809, before concluding in Venice in 1867, the mystery of John Stone's life and loves begins to unravel. The result is a spellbinding novel that is both a quest for the truth, a love story that spans decades and a compelling murder mystery.

An ill-prepared queen, a soft-hearted mercenary, and a crippled warrior struggle as a kingdom falls and an empire rises. For years the High Mages of Cadonia have maintained an uneasy peace among the nobles disgruntled with the rule of the king. In the aftermath of a tragic event, Elyse, the king's daughter, is thrust into a role she is not ready for. As queen, she must now determine who to trust while struggling to keep the kingdom from collapsing around her. The Hell Patrol, a legendary mercenary outfit commanded by Jonrell, finds itself disenfranchised with their current employer. Recalling a promise he made over a decade ago, Jonrell breaks his contract in order to right the wrongs of his past. On the continent of Hesh, the Blue Island Clan has long been ignored by its neighbors. Tobin, a warrior and son of the Clan's ruler, struggles as an outcast as he watches his brother Kaz lead his father's army to glory. Emboldened by a new friendship with a mysterious shaman, Tobin finds himself gaining the respect he always wanted. An epic fantasy tale, "Rise and Fall" is the first book in the Blood and Tears Trilogy.

Some rise by sin, and some by virtue fall... In America, kings are not born, they are made. Men with ambition build their own empires and it is their heirs who carry the torch of tradition, generation by generation. The Vasser Hotel Empire rose out of the ashes of an Industrial era, cementing itself in the very heart of America's greatest city, New York. Through the drive and

courage of one man, a legacy was born that would last more than a hundred years. That is, until word got out that one of their own was murdered. Sixty years of lies will come crashing down in flames of treachery and blood, and the truth will send shockwaves through an entire nation. Now the newest generation of Vasser heirs will have to deal with the consequences, or else allow their legacy to burn to the ground. But dark secrets are buried deep within the family itself, and everyone has an agenda. Love of family and forbidden passion will set off sparks in a powder keg ready to annihilate the empire, but it may also be the only thing keeping them whole. When reputation is everything, it will take all they've got to save themselves from their own undoing.

everything that fans of this series will have been waiting for... 10/10... an incredible series in which each book gets better and better. The Guardian Ally Carter has done it again! From the story to the cover, everything about All Fall Down is exciting and sure to keep you on your toes!

<http://sassyanddangerous.blogspot.mx/> Product Description: I don't mean to get into trouble. Trouble just sort of finds me. Grace has been shipped off to stay with her diplomat Grandpa in the glittering Embassy Row, a place where trespassing into the wrong garden can cause an international incident. Grace knows the rules - she's ignored them before - but however much she wants to change, she can't. Not while she's certain of three things: 1. She isn't crazy. 2. Her mother was murdered. 3. Someday she's going to find the man with the scar, and then she is going to make him pay. About the Author: Ally Carter writes books about spies, thieves, and teenagers. She is the New York Times best-selling author of the hugely popular Gallagher Girls series, including I'd Tell You I Love You but Then I'd Have to Kill You, Cross My Heart and Hope to Spy, Don't Judge a Girl by Her Cover, and Only the Good Spy Young. She lives in the Midwest where her life is either very ordinary or the best deep-cover legend ever. She'd tell you more, but...well...you know.

IN NEW YORK, IF YOU HAVE A PROBLEM NO ONE ELSE CAN SOLVE, YOU CALL LEONID MCGILL Ex-boxer, hard drinker, in a business that trades in cash and favours, McGill's an old-school P.I. working a city that's got fancy all around him. When McGill is approached by a small-time office manager to track down his long lost cousin, he declines the case. He can almost smell the desperation on the man. But then McGill's office is broken into, and his potential client is found dead. Soon, McGill finds himself drawn into the underbelly of an establishment family, and a Pandora's box of secrets and lies. Taking you from the moneyed haunts of Uptown to the shady streets of Downtown, Mosley is the Chandler of Obama's America, and one of the finest crime writers in the world.

The first in Ken Follett's bestselling Century Trilogy, *Fall of Giants* is a captivating novel that follows five families through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for votes for women. A world in chaos. 1911, a thirteen-year-old boy, Billy Williams, begins working down the mines as George V is crowned king. The escalating arms race between the empire nations will put not only the king but this young boy in grave danger. A terrible war. Billy's family is inextricably linked with the Fitzherberts, the aristocratic owners of the coal mine where he works. And when Maud Fitzherbert falls in love with Walter von Ulrich, a spy at the German embassy in London, their destiny also becomes entangled with that of Gus Dewar, an ambitious young aide to Woodrow Wilson, and two orphaned Russian brothers, the Peshkovs, whose plan to emigrate to America falls foul of conscription, revolution and imminent war. A revolution that will change everything. When Russia convulses in bloody revolution and the Great War unfolds, the five families' futures are entwined forever, love bringing them closer even as conflict takes them further apart. What seeds will be sown for further tragedy in the twentieth century and what role will each play in what is to come?

and unborn child in retirement, an event he didn't think would ever happen. It's a cause for celebration, and all that's left is the ride home. Unfortunately for Cole, the world has other plans. When an unknown phenomenon strikes the planet, man becomes its own worst enemy, transforming into rabid crazies that strike out at the nearest victim, seemingly driven by a single urge: Kill. Cole and a handful of individuals were left mysteriously unaffected. They don't know why, but more importantly, they don't care—because right now, it's all about staying alive. The city streets run red with blood as those infected by the mysterious plague seek out more victims, forcing Cole to reawaken dormant skills from a past life in order to get through the day. Then he has to do it all over again the day after that...and the one after that... Cole only knows one thing: He will get home to his wife and unborn child, and God help anyone that stands in his way. Book 1 in the Fall of Man saga, a new take on post-apocalyptic horror. Are you ready? Don't be so sure.
