

## ***The Longest Kill: The Story Of Maverick 41, One Of The World's Greatest Snipers***

**The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.**

**A history of German women in the Holocaust reveals their roles as plunderers, witnesses, and actual executioners on the Eastern front, describing how nurses, teachers, secretaries, and wives responded to what they believed to be Nazi opportunities only to perform brutal duties.**

**THE SUNDAY TIMES BESTSELLER OLLIE OLLERTON CO-HOSTS SAS: WHO DARES WINS ALONGSIDE ANT MIDDLETON, JASON FOX and MARK BILLINGHAM. THIS IS HIS INCREDIBLE TRUE STORY**  
**Where is your break point? Is it here? Facing the gruelling SAS selection process on one leg, with a busted ankle and the finish line nowhere in sight? Or here? Under heavy fire from armed kidnapers while protecting journalists en route to Baghdad. Or is it here? At the bottom of a bottle, with a family in pieces, unable to adapt to a civilian lifestyle, yearning for a warzone? Ex-Special Forces soldier and star of TV's SAS: Who Dares Wins, Ollie Ollerton has faced many break points in his life and now he tells us the vital lessons he has learnt. His incredible story features hardened criminals, high-speed car chases, counter-terrorism and humanitarian heroics - freeing children from a trafficking ring in Thailand. Ollie has faced break points in his personal life too, surviving a freak childhood attack, run-ins with the law as a teenager rebelling against a broken home, his self-destructive battles with alcohol and drug addiction, and his struggles with anxiety and depression. His final redemption as an entrepreneur and mental health charity ambassador has seen him overcome adversity to build a new and better life. 'Everyone has the capacity for incredible achievement, because it's only when it's crunch time, when you're down to your last bullet - when you're at**

**break point - that you find out who you really are.'**

**Stephen King's apocalyptic vision of a world blasted by virus and tangled in an elemental struggle between good and evil remains as riveting and eerily plausible as when it was first published. Soon to be a television series. 'THE STAND is a masterpiece' (Guardian). Set in a virus-decimated US, King's thrilling American fantasy epic, is a Classic. First come the days of the virus. Then come the dreams. Dark dreams that warn of the coming of the dark man. The apostate of death, his worn-down boot heels tramping the night roads. The warlord of the charnel house and Prince of Evil. His time is at hand. His empire grows in the west and the Apocalypse looms. When a man crashes his car into a petrol station, he brings with him the foul corpses of his wife and daughter. He dies and it doesn't take long for the virus which killed him to spread across America and the world. **\*WINNER OF THE CWA GOLD DAGGER FOR BEST CRIME NOVEL OF THE YEAR\* A GUARDIAN BEST THRILLER OF THE YEAR An EXPRESS BEST THRILLER OF THE YEAR An i BEST THRILLER OF THE YEAR A MIRROR BEST BOOKS OF THE YEAR A WATERSTONES THRILLER OF THE MONTH READ THE BOOK EVERYONE IS CALLING A MASTERPIECE! 'A beautifully written mystery, packed with unforgettable characters' JANE HARPER 'An accomplished and moving story of crime, punishment, love and redemption' GUARDIAN For fans of Jane Harper's The Dry comes a powerful novel about the lengths we will go to keep our family safe. This is a story about good and evil and how life is lived somewhere in between. Thirty years ago, Vincent King became a killer. Now, he's been released from prison and is back in his hometown of Cape Haven, California. Not everyone is pleased to see him. Like Star Radley, his ex-girlfriend, and sister of the girl he killed. Duchess Radley, Star's thirteen-year-old daughter, is part-carer, part-protector to her younger brother, Robin - and to her deeply troubled mother. But in trying to protect Star, Duchess inadvertently sets off a chain of events that will have tragic consequences not only for her family, but also the whole town. Murder, revenge, retribution. How far can we run from the past, when the past seems doomed to repeat itself? WHAT PEOPLE ARE SAYING ABOUT WE BEGIN AT THE END: 'Magnificent . . . an instant classic, a West Coast Where the Crawdads Sing . . . a special, vital novel. This is a book to be read and re-read and an author to be celebrated' LOUISE PENNY 'A stunning and heartbreaking book - will keep you gripped until the last moving page' CLAIRE MCGOWAN 'An exceptionally beautiful and accomplished crime novel' ALI LAND 'One of the best books I've ever read' FIONA CUMMINS 'An absolute masterclass in crime writing and story-telling' JO SPAIN 'One of the year's best crime reads' VASEEM KHAN 'One of my favourite books of all time' M. W.**

**CRAVEN**, winner of the CWA's Gold Dagger Award 'A masterpiece of storytelling with clever twists and an ending to knock you sideways' **CANDIS MAGAZINE** 'This heart-rending story . . . is among the most powerful and moving I have read in years' **DAILY MAIL** 'Cements Whitaker's status as one of the most talented authors writing today' **HEAT MAGAZINE** 'Masterly novel' **SUNDAY EXPRESS** 'A dark yet painfully human tale that is impossible to forget' **CRIME MONTHLY** 'Beautifully written and deeply moving' **SUNDAY TIMES CRIME CLUB** 'A gorgeous, crystalline novel' **JEANINE CUMMINS**, author of **AMERICAN DIRT** 'Heartbreaking and profound, this is my thriller of the year' **MIRROR**

When the doors of the lift crank open the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade — a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know how or why they came to be there — or what's happened to the world outside. All they know is that every morning when the walls slide back they will risk everything — even the Grievors; half-machine, half-animal horrors that patrol its corridors — to try to find the way out.

In the tradition of *Empire of the Summer Moon*, a stunningly vivid historical account of the manhunt for Geronimo and the 25-year Apache struggle for their homeland. They called him Mickey Free. His kidnapping started the longest war in American history, and both sides--the Apaches and the white invaders—blamed him for it. A mixed-blood warrior who moved uneasily between the worlds of the Apaches and the American soldiers, he was never trusted by either but desperately needed by both. He was the only man Geronimo ever feared. He played a pivotal role in this long war for the desert Southwest from its beginning in 1861 until its end in 1890 with his pursuit of the renegade scout, Apache Kid. In this sprawling, monumental work, Paul Hutton unfolds over two decades of the last war for the West through the eyes of the men and women who lived it. This is Mickey Free's story, but also the story of his contemporaries: the great Apache leaders Mangas Coloradas, Cochise, and Victorio; the soldiers Kit Carson, O. O. Howard, George Crook, and Nelson Miles; the scouts and frontiersmen Al Sieber, Tom Horn, Tom Jeffords, and Texas John Slaughter; the great White Mountain scout Alchesay and the Apache female warrior Lozen; the fierce Apache warrior Geronimo; and the Apache Kid. These lives shaped the violent history of the deserts and mountains of the Southwestern borderlands--a bleak and unforgiving world where a people would make a final, bloody stand against an American war machine bent on their destruction.

Over 100 combat missions, 24 years as a Green Beret—Full Battle Rattle tells the legend of a soldier who served America in every war since Vietnam. Master Sergeant Changiz Lahidji served on Special Forces A teams longer than anyone in history, completing over a hundred combat missions in Afghanistan. Changiz is a Special Forces legend. He also happens to be the first Muslim Green Beret. Changiz served this country starting with Operation Eagle Claw in 1980, when he entered Tehran on a one-man mission to spy on Iranian soldiers guarding the US Embassy where 52 US diplomats were being held hostage. Three years later, he was in Beirut, Lebanon when a suicide car bomb exploded in front of the US Embassy killing 83 people. Weeks after that, he was shot by Hezbollah terrorists on a night mission. In Operation Iraqi Freedom, he led a convoy that was ambushed on its way to Fallujah. He was clearing houses in Mogadishu, Somalia on October, 1993 when a US Black Hawk helicopter was shot down 50 feet away from him in the incident that inspired Black Hawk Down. In 2002, he dressed as a farmer and snuck into Eastern Afghanistan and located Osama Bin Laden for the CIA. Along the way, Changiz earned numerous commendations, including the Special Forces Legion of Merit, Purple Hearts, and many others. Last year he was nominated for induction in Military Intelligence Hall of Fame and cited as “the finest noncommissioned officer to ever serve in Special Forces.” His story is an amazing tale of perseverance and courage, of combat and one man’s love of his adopted country. **SAS: Who Dares Wins Host's Incredible True Story**

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

The Longest Kill The Story of Maverick 41, One of the World's Greatest Snipers Pan Macmillan

Tim Moore, the author of the Sunday Times bestselling French Revolutions, completes his epic (and ill-advised) trilogy of cycling's Grand Tours. Julian Berrendero's victory in the 1941 Vuelta a Espana was an extraordinary exercise in sporting redemption: the Spanish cyclist had just spent 18 months in Franco's concentration camps, punishment for expressing Republican sympathies during the civil war. Seventy nine years later, perennially over-ambitious cyclo-adventurer Tim Moore developed a fascination with Berrendero's story, and having borrowed an old road bike with the great man's name plastered all over it, set off to retrace the 4,409km route of his 1941 triumph - in the midst of a global pandemic. What follows is a tale of brutal heat and lonely roads, of glory, humiliation, and then a bit more humiliation. Along the way Tim recounts the civil war's still-vivid tragedies, and finds the gregarious but impressively responsible locals torn between welcoming their nation's only foreign visitor, and bundling him and his filthy bike into a vat of antiviral gel. 'Bill Bryson on two wheels' Independent

The crews of Jean-Luc Picard, Benjamin Sisko, Ezri Dax, and William Riker unite to prevent a cosmic-level apocalypse—only to find that some fates really are inevitable. THEIR MOST DAUNTING MISSION WILL BE THEIR FINEST HOUR. The epic Star Trek: Coda trilogy comes to a shattering conclusion as the Temporal Apocalypse forces Starfleet 's greatest heroes to make the greatest sacrifices of their lives. ™, ®, & © 2021 CBS Studios, Inc. A Pulitzer Prize–winning reporter uncovers the story of the shocking rise and fall of a decorated Navy SEAL accused of war crimes, the fellow SEALs who turned him in, and the court martial that captivated the nation. After nearly twenty years of military service, Navy SEAL Eddie Gallagher, who was admirably described by those who served with him as ‘ aggressive ’, had risen in the elite command teams to the rank of chief petty officer. But one bright May morning in 2017, Gallagher ’ s trademark aggression culminated in the death of an unnamed ISIS fighter. Several men in Alpha platoon swore they saw their platoon chief murder the captive in cold blood that morning. Others said they saw no such thing. The revelations that followed when his fellow SEALs turned him in would result in a court martial that divided his platoon, then the SEALs, the Navy, the Pentagon, the White House, and ultimately the American public. This is a story about a commando who was inspired to serve his nation, who became addicted to combat, and whose need to prove himself among his peers pushed him to extremes — and about the handful of SEALs who decided that upholding their moral code was more important than perpetuating an insider ’ s code of silence. But it is also a starkly modern story — one that reveals how pop culture and social media shaped who the sailor was and how he acted, and how the persona he created ultimately found an ally in America ’ s first reality-television president, Donald Trump.

On the morning of Saturday 22nd April 1978, members of an Active Service Unit of the IRA hijacked a car and crossed the countryside to the town of Lisburn. Within an hour, they had killed an off-duty policeman in front of his young son. In *Anatomy of a Killing*, award-winning journalist Ian Cobain documents the hours leading up to the killing, and the months and years of violence, attrition and rebellion surrounding it. Drawing on interviews with those most closely involved, as well as court files, police notes, military intelligence reports, IRA strategy papers, memoirs and government records, this is a unique perspective on the Troubles, and a revelatory work of investigative journalism. Preorder *REAPER: GHOST TARGET* now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's *American Grit* and *Legendary Ranger* Nick Irving Groundbreaking, thrilling and revealing, *The Reaper* is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

The Sunday Times bestseller It takes a tough mindset to be a successful sniper, to be able to dig in for days on your own as you wait for your target, to stay calm on a battlefield when you yourself have become the target the enemy most want to take out. Craig Harrison has what it takes and in November 2009 in Afghanistan, under intense pressure, he saved the lives of his comrades with the longest confirmed sniper kill - 2,475 metres, the length of 25 football pitches. In this unflinching autobiography Craig catapults us into the heat of the action as he describes his active service in the Balkans, Iraq and Afghanistan, and gives heart-stopping accounts of his sniper ops as he fought for his life on the rooftops of Basra and the barren hills of Helmand province. Craig was blown up by an IED in Afghanistan and left battling severe PTSD. After his identity was revealed in the press he also had to cope with Al Qaeda threats against him and his family. For Craig, the price of heroism has been devastatingly high.

We Begin at the End

The Autobiography of the Most Lethal Sniper in U.S. Military History

A View to a Kill

German Women in the Nazi Killing Fields

Star Trek: Coda: Book 3: Oblivion's Gate

***Combining heart-stopping action with powerful insights into the reality of war, We Were Warriors is one man's journey from young commando to a captain with one of the most pressurized and skilled jobs in the army. A captain in 29 Commando, Johnny Mercer served in the army for twelve years. On his third tour of Afghanistan he was a Joint Fires Controller, with the pressurized job of bringing down artillery and air strikes in close proximity to his troops. Based in an area of northern Helmand riddled with Taliban leaders, he walked into danger with every patrol, determined to protect them. Then one morning, in brutal close quarter combat, everything changed. In this powerful memoir, Johnny takes us from his commando training to the heat, blood, and chaos of battle. With brutal honesty, he describes what it is like to risk your life every day, pushing through the fear that follows watching your friends die. He took the fight back to the enemy with a relentless efficiency that came at a high personal cost. Back in the UK, seeing the inadequate care available for veterans and their families, he was inspired to run for Parliament in the hope he could improve their plight. Unflinching, action-packed, and laced with wry humour, We Were Warriors is a compelling read. Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most dangerous thing you can do. You'll be challenged to become a more "careful student" of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America's core principles that present and future leadership should live up to and embrace. We can no longer measure a leader's worth by the***

*yardsticks provided by the left or the right. Instead, we must use an unchanging standard: the pure, unvarnished truth.*

*In September 2014, Azad Cudi became one of seventeen snipers deployed when ISIS, trying to shatter the Kurds in a decisive battle, besieged the northern city of Kobani. In LONG SHOT, he tells the inside story of how a group of activists and idealists withstood a ferocious assault and, street by street, house by house, took back their land in a victory that was to prove the turning point in the war against ISIS. By turns devastating, inspiring and lyrical, this is a unique account of modern war and of the incalculable price of victory as a few thousand men and women achieved the impossible and kept their dream of freedom alive.*

*The remarkable story of the Finnish marksman nicknamed "White Death" by the Red Army for his record number of confirmed kills. Simo Häyhä is the most famous sniper in the world. During the Winter War fought between Russia and Finland from 1939 to 1940, he had 542 confirmed kills with iron sights, a record that still stands today. A man of action who spoke very little, Simo Häyhä was hugely respected by his men and his superiors and given many difficult missions, including taking out specific targets. Able to move silently and swiftly through the landscape, melting into the snowbound surroundings in his white camouflage fatigues, his aim was deadly and his quarry rarely escaped. The Russians learned of his reputation as a marksman and tried several times to kill him by indirect fire. He was promoted from corporal to second lieutenant, and he was awarded the Cross of Kollaa. For sniping, Simo Häyhä only ever used his own M/28-30 rifle. Eventually, his luck ran out, and Simo received a serious head wound on March 6, 1940, though he subsequently recovered. The White Sniper fully explores Simo Häyhä's life, his exploits in the Winter War, the secrets behind his success, including character and technique, and also includes a detailed look at his rifle itself. There are appendices on the basics of shooting, the impact of fire on the battlefield, battles on the Kollaa Front during the Winter War, and a list of ranked snipers of the world. "No matter how many books on sniping you have read, this must be added to your list if you are serious about shooting." —GunMart*

This new edition of Frank Ledwidge's eye-opening analysis of British involvement in Iraq and Afghanistan unpicks the causes and enormous costs of military failure. Updated throughout, and with fresh chapters assessing and enumerating the overall military performance since 2011—including Libya, ISIS, and the Chilcot findings—Ledwidge shows how lessons continue to go unlearned. "A brave and important book; essential reading for anyone wanting insights into the dysfunction within the British military today, and the consequences this has on

the lives of innocent civilians caught up in war.”—Times Literary Supplement

Acclaimed New York Times journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies. • What are my chances of being wounded or killed if we go to war? • What does it feel like to get shot? • What do artillery shells do to you? • What is the most painful way to get wounded? • Will I be afraid? • What could happen to me in a nuclear attack? • What does it feel like to kill someone? • Can I withstand torture? • What are the long-term consequences of combat stress? • What will happen to my body after I die? This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity.

Sniper One is the gritty, awe-inspiring true story that takes you right into the heart of the Iraq war from Sunday Times No.1 bestseller Sgt. Dan Mills. At this special price NOW . . . 'One of the best first-hand accounts of combat that I've ever read' Andy McNab We all saw it at once. Half a dozen voices screamed 'Grenade!' simultaneously. Then everything went into slow motion. The grenade took an age to travel through its 20 metre arc. A dark, small oval-shaped package of misery the size of a peach ... April 2004: Dan Mills and his platoon of snipers fly into southern Iraq, part of an infantry battalion sent to win hearts and minds. They were soon fighting for their lives. Back home we were told they were peacekeeping. But there was no peace to keep. Because within days of arriving in theatre, Mills and his men were caught up in the longest, most sustained fire fight British troops had faced for over fifty years. This awe-inspiring account tells of total war in throat-burning winds and fifty-degree heat, blasted by mortars and surrounded by heavily armed militias. For six

months, they fought alone: isolated, besieged and under constant enemy fire. Their heroic stand a modern-day Rorke's Drift. \*\*\*\*\* Dan Mills served for 24 years as an Infantry Soldier reaching the rank of Warrant Officer Class 2. During his long military career he served on operations in Northern Ireland, Bosnia, Kosovo, Iraq and Afghanistan. Dan was awarded a 'Mention In Despatches' for Gallantry for his services during The Iraq War. Since leaving the Army in 2010, he has forged a career as a writer and security consultant, amongst other things. Sniper One is his first book.

When British troops first deployed to Northern Ireland in 1969, to halt the threat of a new rising force - the Provisional Irish Republican Army - they could not have known that the longest campaign in the British Army's history was beginning. While patrols, vehicle bombs and incendiary speeches are the defining memories of the Troubles, the real war was fought out of sight and out of mind. For thirty years, Britain's Special Forces waged a ferocious, secretive struggle against a ruthless and implacable enemy. Harry McCallion offers a unique insight into nearly every major military action and operation in the Province, having served seven tours with the Parachute Regiment, passed selection for 14 Intelligence Company, completed six years with the SAS anti-terrorism team, and joined the Royal Ulster Constabulary, receiving two commendations for bravery during his service. This book is his blistering account of the history of Britain's war against the IRA between 1970 and 1988 - the most murderous years of the conflict - drawn from his own operational experience and backed by first-hand accounts and unpublished documents. From new insights into high-profile killings and riveting accounts of enemy contact, to revelations about clandestine missions and strategies in combating a merciless enemy, Undercover War is the definitive inside story of the battle against the IRA, one of the most dangerous and effective terrorist organisations in recent history.

*An exploration of how technology and best intentions collide in the heat of war A New York Times Book Review Editors' Choice In The Bomber Mafia, Malcolm Gladwell weaves together the stories of a Dutch genius and his homemade computer, a band of brothers in central Alabama, a British psychopath, and pyromaniacal chemists at Harvard to examine one of the greatest moral challenges in modern American history. Most military thinkers in the years leading up to World War II saw the airplane as an afterthought. But a small band of idealistic strategists, the "Bomber Mafia," asked: What if precision bombing could cripple the enemy and make war far less lethal? In contrast, the bombing of Tokyo on the deadliest night of the war was the brainchild of General Curtis LeMay, whose brutal pragmatism and scorched-earth tactics in Japan cost thousands of civilian lives, but may have spared even more by averting a planned US invasion. In The Bomber Mafia, Gladwell asks, "Was it worth it?" Things might have gone differently had LeMay's predecessor, General Haywood Hansell, remained in charge. Hansell believed in precision bombing, but when he and Curtis*

Level 2 in the Longman Movieword series, this is supported by colour photographs from the film of the same title. The series aims to bring the drama and stars to the English language teaching classroom. All texts are simplified to elementary level and comprehension questions are included.

SHORTLISTED for the CILIP Carnegie Medal, WINNER of the UKLA 'A masterpiece from beginning to end.' Angie Thomas, author of *The Hate U Give* AND THEN THERE WERE SHOTS Everybody ran, ducked, hid, tucked themselves tight. Pressed our lips to the pavement and prayed the boom, followed by the buzz of a bullet, didn't meet us. After Will's brother is shot in a gang crime, he knows the next steps. Don't cry. Don't snitch. Get revenge. So he gets in the lift with Shawn's gun, determined to follow The Rules. Only when the lift door opens, Buck walks in, Will's friend who died years ago. And Dani, who was shot years before that. As more people from his past arrive, Will has to ask himself if he really knows what he's doing. This haunting, lyrical, powerful verse novel will blow you away. 'A heartrending and convincing blank verse narrative.' Sunday Times, BOOKS OF THE YEAR 'Astonishing.' Kirkus Reviews 'A tour de force.' Publishers Weekly 'Will attract teenagers who don't consider themselves 'readers'.' The Inis Reading Guide

Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Unlike the wars in Vietnam and Iraq, the US invasion of Afghanistan in 2001 had near-unanimous public support. At first, the goals were straightforward and clear: to defeat al-Qaeda and prevent a repeat of 9/11. Yet soon after the United States and its allies removed the Taliban from power, the mission veered off course and US officials lost sight of their original objectives

*'Fiercely immersive. Truly heroic.'* Tom Marcus, bestselling author of *Soldier Spy* *'Vivid and brilliantly written: a pulsating account of the battle for Musa Qala, the Rorke's Drift of our times.'* Martin Bell, OBE, war reporter *In Helmand province in July 2006, Major Adam Jowett was given command of Easy Company, a hastily assembled and under-strength unit of Paras and Royal Irish rangers. Their mission was to hold the District Centre of Musa Qala at any cost. Easy Company found themselves in a ramshackle compound, cut off and heavily outnumbered by the Taliban in the town. In No Way Out, Adam evokes the heat and chaos of battle as the Taliban hit Easy Company with wave after wave of brutal attack. He describes what it was like to have responsibility for the lives of his men as they fought back heroically over twenty-one days and nights of relentless, nerve-shredding combat. Finally, as they came down to their last rounds and death stared Easy Company in the face, the siege took an extraordinary turn . . . Powerful, highly-charged and moving, No Way Out is Adam's tribute to the men of Easy Company who paid a heavy price for serving their country.*

*A New York Times Bestseller This was one of my most anticipated 2018 books and I was not disappointed. A must read." -Angie Thomas, author of The Hate U Give 'tender, timely ... surprising and hopeful' - Observer A heartbreaking and powerful story about a black boy killed by a white police officer, drawing connections with real-life, from award-winning author Jewell Parker Rhodes. ALIVE Twelve-year-old Jerome doesn't get into trouble. He goes to school. He does his homework. He takes care of his little sister. Then Jerome is shot by a police officer who mistakes his toy gun for a real threat. DEAD As a ghost, watching his family trying to cope with his death, Jerome begins to notice other ghost boys. Each boy has a story and they all have something in common... Bit by bit, Jerome begins to understand what really happened - not just to him, but to all of the ghost boys. A poignant and gripping story about how children and families face the complexities of race and racism in today's world.*

*What makes an ordinary but highly educated Englishman, with no previous military training, decide to travel and fight in one of the most brutal conflicts on the planet? Desert Sniper is an extraordinary, true account of one man's journey from well-meaning volunteer to battle-scarred combat sniper, placing himself daily in the line of fire to fight one of the greatest evils of this new century. Ed Nash has travelled across the globe, and is working with refugees in Burma, when he first becomes aware of the terrible atrocities being committed under ISIS's newly established 'Caliphate', covering vast tracts of Iraq and Syria. In June 2015, he chooses to undertake the hazardous journey, via Northern Iraq, to Syria, to join ill-equipped and poorly trained but battle-hardened Kurdish forces as they attempt to halt Daesh's relentless advance. Nash is an articulate, insightful and refreshingly honest companion as he unpacks the shifting complexities of the political and military situation in which he finds himself. As one of a motley band of foreign volunteer fighters - veterans of other conflicts, adventurers and misfits, from many different countries - we follow him through his rudimentary*

*training and early combat operations as he and his companions slowly gain the trust and respect of their Kurdish colleagues. Nash shows us the realities of the war on the ground in Syria in fascinating detail; the privations of the ordinary Kurdish soldiers, the terrible price paid by civilians caught in the cross-fire, the ever-present danger of lethal suicide bombers and occasional moments of striking beauty in amongst the carnage. A modern classic in the making, Desert Sniper will prove to be one of the most unforgettable accounts to emerge from the war against ISIS.*
