

## The Off Season: A Washington Rampage Sports Romance

Washington Senators All-time Greats is one of the first books covering the first 101-year history of the Senators/Nationals before they were reborn with the transfer of the Montreal Expos to Washington in 2005. Hundreds of players appeared in Washington uniforms over the years and from these Mr. Willis selected an all-time team. In addition, all-star teams from five eras were chosen. Career highlights and statistics are included in each of the sixty-seven mini-biographies; photographs and anecdotes bring the players to life. The author also presents team records and summaries for each year and era, and for the entire 101-history covered. The last chapter of the book honors the best of Senators managers and owners, and the best Washington play-by-play announcer and sportswriter. Readers are invited to compare their selections with the authors. The book contains a foreword by Senators great, Frank Howard and is recommended by former Washington stars and managers, Mickey Vernon and Jim Lemon.

The New York Yankees are baseball's most storied team. They first played at Hilltop Park, then moved to the Polo Grounds, then Yankee Stadium, Shea Stadium, back to the renovated Yankee Stadium, and now in the new Yankee Stadium. They also frequently opened the season in Boston's historic Fenway Park, fondly remembered Shibe Park in Philadelphia, Griffith Stadium in Washington, and all around the expanded leagues after 1961. This book details every opening-day celebration and game from 1903 to 2017, while noting how each was affected by war, the economy, political and social protest, and population shifts. We see presidents and politicians, entertainers, celebrities, and fans, owners, managers, and most of all, the players.

Examines the history, players, and future of the Washington Nationals baseball team.

From the Olympic Peninsula to Puget Sound, the Emerald State offers a wealth of camping oportunities. This expert guide profiles 50 of the state's best campsites, using a handy star system to rank everything from beauty, privacy, and spaciousness to quiet, security, and cleanliness. Each site is accessible by automobile but not overrun by RVs, offers great scenery, and is as close to a wilder covers reservations, fees, and restrictions. Clear maps show campground layout, individual sites, and key facilities. Driving directions supplemented with GPS-based coordinates for each site entrance make getting there a snap.

Out of the hundreds of players that have toiled at Metropolitan Stadium and the Metrodome, this collection celebrates only the 50 greatest—the Minnesota Vikings who stood head and shoulders above their peers. Interviews with superstars such as Ron Yary, Paul Krause, Fran Tarkenton, Randy Moss, Adrian Peterson, and more are featured along with authentic accounts from their teammates beginnings as well as his greatest moments on the gridiron, concluding with what he has been doing since his playing days ended. Featuring a compilation of action photographs in addition to personal images, this reflection reveals the never-before-told stories of these elite heroes, making it the perfect companion for devoted Vikings fans of all ages.

The Adventure Guide to the Chesapeake Bay - Including Maryland and Washington DC

From in-town urban hikes and walks to scenic suburban forays to world-class area wilderness hikes, Washington, D.C. offers great opportunities for nature-lovers. This book guides locals and visitors to the wealth of possibilities here for every season, including a ridgetop trek on Massanutten Mountain, a leisurely walk through Prince William Forest Park, and a breathtaking tour of the 7.5-mile U.S. National Arboretum with its dwarf conifer forests, dawn redwoods, and Fern Valley. Detailed profiles of each site help readers determine the best hike according to length, time needed, difficulty, and scenery. The book covers special interests too -- hikes that are sure to please children, wildlife enthusiasts, history buffs, waterfall watchers, and much more.

More than 70 percent of dog owners take their four-legged pals on the road. Washington State hosts millions of visitors each year, and for travelers and residents alike, "Canine Washington" may just be the only guidebook they'll need. The detailed information on hikes, lodging, and other activities takes the special interests of both dog and caretaker into account.

Paddle the Capitall 30 Kayaking Tours within One Hour of Washington, DC, catalogs the incredible diversity of waterways ideal for short to medium-length paddles just a short distance from the nation's capital—from the Potomac, Patuxent, and Anacostia rivers to lakes, reservoirs, and small tributaries. Perfect for city dwellers with limited free time, these are all half-day to full-day trips, including the short drives from the city, covering nearby Virginia and Maryland paddles as well as some within the District itself. With special focus on tides, time of day, and season, Smolinski helps enhance the reader's chances of observing the wildlife that is so unexpectedly plentiful here. Smolinski is not only an avid kayaker but also a builder of wooden kayaks, and he devotes sections to the immense satisfaction of being on the water in a craft made from scratch—a Zen experience, he says.This guide is your first choice for launching your DC paddling adventures. Longtime paddler and wooden kayak builder Steve Smolinski has written for Sports Focus Magazine. This is his first book. He and his wife paddle their hand-built kayaks in and near DC, as well as elsewhere, whenever they possibly can.

Final Report

Canoe and Kayak Routes of Northwest Oregon and Southwest Washington

Heading into their ninth season, the expansion Washington Senators had never won more than 76 games in a season. New Senators owner Bob Short hired Hall of Famer Ted Williams to manage the team. Williams sparked the Senators to their only winning record for a Washington team since 1952. This book recounts that 1969 season in-depth.

The two pennant winners in 1926, the National League's Cardinals and the American League's Yankees, were a study in contrasts. The Yankees were heavily composed of first- and second-generation Americans and based in New York, the epicenter of baseball; the Cardinals, on the other hand, were mostly a collection of farm boys playing at the western fringe of the major leagues. But both teams arrived battle-tested, as St. Louis had fought a long, close race with Cincinnati and New York had survived a dramatic late-season run by Cleveland. Their classic World Series meeting went seven games and produced one of the legendary pitcher-batter confrontations of baseball history.

Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Washington, D.C. digs deeper and offers more than any other guide. The Unofficial Guide to Washington, D.C. is the insider's guide to Washington at its best with more than 75 restaurants reviewed and hotels reviewed and ranked for value and quality-plus secrets for getting the lowest rates. Who would imagine how meeting a stranger would lead to the writing of this book. Walking the scenic hills in Palos Verdes Estates, California Kermit met and began a conversation with Eddie Jordan. Their friendship developed into the idea to record Kermit's numerous adventures in Africa and his life. Some information included has been publicly noted and is well-known. However, additional accounts add details and more accurately explain challenges and obstacles Kermit had to overcome. This

This new guide to hiking the fire lookouts of Washington's Cascades and Olympics is the quintessential Northwest guide and will appeal to a wide range of hikers. Features of Hiking Washington's Fire Lookouts include: 44 fire lookouts(those that feature access by trail All lookouts are accessible during the typical summer season Only lookouts that are still standing=no hiking up to a barren mound of broken concrete! Routes are not technical|hikers just need boots, trekking poles, and, probably, lunch Lookout history, anecdotes, and full-color photos throughout Each lookout description features the year it was constructed; access details, including overnight stays and winter access; location and land manager; roundtrip distance on trail; trail elevation gain; lookout's elevation; map info; trailhead GPS coordinates; information about any permits or fees; and driving directions to the trailhead. Introductory chapters provide an overview of Washington State's lookouts, as well as information about their upkeep, lookout architectural types, and general hiking tips, while an appendix provides an overview to a handful of additional lookouts in the state that are not hikable.

From established ice areas such as Alpental andLeavenworth to routes being developed (or rediscovered)around Coulee City and Wenatchee, the word is finallyout: There are ample opportunities for quality iceclimbing in Washington state! Arctic Grail, The Drip,and Hanging Curtain are just a few of the hottest iceroutes that await you. ....

**George Washington—a man of honor, bravery and leadership. He is known as America's first President, a great general, and a humble gentleman, but how did he become this man of stature? The Education of George Washington answers this question with a new discovery about his past and the surprising book that shaped him. Who better to unearth them than George Washington's great-nephew, Austin Washington? Most Washington fans have heard of "The Rules of Civility" and learned that this guided our first President. But that's not the book that truly made George Washington who he was. In The Education of George Washington, Austin Washington reveals the secret that he discovered about Washington's past that explains his true model for conduct, honor, and leadership—an example that we could all use. The Education of George Washington also includes a complete facsimile of the forgotten book that changed George Washington's life.**

**Discover the best segments of the Pacific Crest Trail in Washington with this succinct and portable guide. Instead of guiding hikers through the arduous task of hiking the entire Pacific Crest Trail, this guide helps travelers plan trips that incorporate hiking on the PCT. From the mighty waters of the Columbia River to the majestic peaks of the North Cascades, the hikes collected in this book represent a culmination of the author's experiences along a trail full of culture, history, and breathtaking scenery. Carefully edited maps and elevation graphs generated with GPS data collected by the author on the trail will help make any trip a success. This cargo-pocket guide offers author-tested advice to help hikers make the most of their time away from civilization.**

**From the central city through the suburbs to the foothills and mountains in the west and the lowlands in the east, this portable guide introduces 20 of the best easy day hikes in Washington, D.C. Filled with detailed descriptions, clear maps, and GPS coordinates, Easy Hikes Close to Home: Washington, D.C. contains a wealth of at-a-glance information, including length, configuration, water required, scenery, exposure, hiking time, facilities, special comments, and more.**

**The Last Winning Season**

**How a forgotten book shaped the character of a hero**

**Defending Wild Washington**

**The Cardinals and the Yankees, 1926**

**The Education of George Washington**

“First in War, First in Peace . . . and Last in the American League.” Expressions such as this characterized the legend and lore of baseball in the nation's capital, from the pioneering Washington Nationals of 1859 to the Washington Senators, whose ignominious departure in 1971 left Washingtonians bereft of the national pastime for thirty-three years. This reflective book gives the complete history of the game in the D.C. area, including the 1924 World Series championship team and the Homestead Grays, the perennial Negro League pennant winners from the late 1930s to the mid-1940s who consistently outplayed the Senators. New chapters describe the present-day Nationals, who, in 2012, won the National League East led by the arms of Gio Gonzalez and Stephen Strasburg and the bats of Ryan Zimmerman, Adam LaRoche and rookie Bryce Harper. The book is filled with the voices of current and former players, along with presidents, senators, and political commentators who call the team their own.

We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Travel Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnival or join a local cycling club and tackle some of the most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. This guide focuses on Curaçao primarily and is based on material found in our larger book, Aruba, Bonaire & Curacao Pocket Adventures.
