**Triple is the story of the most successful espionage coup – and best-kept secret – of this century. This taut espionage thriller comes from master of the genre, Ken Follett. A Frightening Discovery 1968. The fledgling nation of Israel is threatened when the intelligence services find out that Egypt is only months away from developing nuclear weapons. An untimely end awaits the young nation unless a source of uranium for Israeli bombs can be obtained in complete secrecy. Impossible, of course, unless someone as improbable as the plan can be found to steal it. A Daring Mission Working alone, Israeli agent Nat Dickstein concocts an ingenious scenario for the biggest, and quietest, hijacking in history. A task made all the more difficult by the factions trying to stop him. Time is Running Out Dickstein plans to steal the uranium and fool the Russian KGB, Egyptian Intelligence and the Arab extremists, the Fedayeen. As the nuclear arms race in the Middle East escalates to frightening proportions, the fate of millions of lives hangs in the balance in this fictionalized account of one of the best-kept secrets of the twentieth century.**

***IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! UNDER THE EAGLE is the gripping first novel in Simon Scarrow's bestselling EAGLES OF THE EMPIRE series. A must read for fans of Bernard Cornwell and Conn Iggulden. Praise for Simon Scarrow's compelling novels: 'Gripping and moving' The Times AD 42, Germany. Tough, brutal and unforgiving. That's how new recruit Cato is finding life in the Roman Second Legion. He may have contacts in high places, but he could really use a friend amongst his fellow soldiers right now. Cato has been promoted above his comrades at the order of the Emperor and is deeply resented by the other men. But he quickly earns the respect of his Centurion, Macro, a battle-hardened veteran as rough and ready as Cato is quick-witted and well-educated. They are poles apart, but soon realise they have a lot to learn from one another. On a Land of utter barbarity – an enduring friendship begins. But as they undertake a special mission to thwart a conspiracy against the Emperor they rapidly find themselves in a desperate fight to survive. . . .***

**The Pillars of the Earth sweeps through 12th-century England in an era of raging civil war, telling of a group of men and women whose fates are linked to the building of a great cathedral, a site of bloodshed and treachery. A masterpiece of raw courage and passion from the author of Eye of the Needle. William Morrow.**

The gathering of the tribes of the Mongols has been a long time in coming but finally, triumphantly, Temujin of the Wolves, Genghis Khan, is given the full accolade of the overall leader and their oaths. Now he can begin to meld all the previously warring people into one army, one nation. But the task Genghis has set himself and them is formidable. He is determined to travel to the land of the long-time enemy, the Chin and attack them there. The distances and terrain-the wide deserts, the impenetrable mountains-make it a difficult venture even for the legendary Mongolian speed of movement, but the greatest problem is that of the complex fortifications, a way of fighting wars of a settled urban population which the nomadic Mongolians had never come across. Finding ways to tackle that and keeping his tribes together in a strange environment presents another new and exciting challenge for Genghis Khan.Not only must Genghis succeed in this incredible campaign, but he must also reconcile the restless factions among his own generals, mediate between his ambitious brothers and cope with his own reactions to his growing sons. The young warrior has become a notable and victorious military commander of thousands: he must now learn to become a great leader of peoples of many different races and religions.LORDS OF THE BOW is a deeply satisfying novel. It is epic in scope, convincing, and fascinating in the narration of an extraordinary story. Above all Genghis Khan continues to dominate the scene as he matures from the young boy of Wolf of the Plains to the great Conqueror.

A haunting and moving debut, *The Midwife* by Tricia Crosswell is perfect for fans of *The Familiars* and *The Binding*. 1838. After a violent storm, a woman is found alone, naked and near death, on the Northumberland moors. She has no memory of who she is or how she got there. But she can remember how to help a woman in labour and how to expertly dress a wound, and can speak fluent French. With the odds against her, a penniless single woman, she starts to build her life from scratch, using her skills to help other women around her. She finds a happy place in the world. Until tragedy strikes, and she must run for her life. . . .In London, Dr Borthwick lives a solitary life working as an accoucheur dealing with mothers and babies in the elegant homes of high society together with his midwife, Mrs Bates, and volunteering in the slums of the Devil's Acre alongside a young widow, Eleanor Johnson. His professional reputation is spotless and he keeps his private life just as clean, isolating himself from any new acquaintances. But he is harbouring a dark secret from his past – one that threatens to spill over everything.

The Pillars of the EarthPan Macmillan

The first novel in New York Times bestselling author Anne Bishop's Tir Alainn Trilogy. The youngest in a long line of witches, Ari senses that things are changing—changing for the worse. For generations, her kin have tended the Old Places, keeping the land safe and fertile. But with the Summer Moon, the mood of her neighbors has soured. And Ari is no longer safe. The Fae have long ignored what occurs in the mortal world, passing through on their shadowy roads only long enough to amuse themselves. But the roads are slowly disappearing, leaving the Fae Clans isolated and alone. Where harmony between the spiritual and the natural has always reigned, a dissonant chord now rings in the ears of both Fae and mortal. And when murmurs of a witch-hunt hum through the town, some begin to wonder if the different omens are notes in the same tune. And all they have to guide them is a passing reference to something called the Pillars of the World...

*Summary Study Guide The Pillars of the Earth*

There are short stories, there are very short stories and then there is flash fiction: the delicate and often tricky art of telling a story in as few words as possible.The stories in this tiny little book (all originally published between 2015 and 2020 on the fiction blog, Penstricken) are deliberate exercises in brevity. In total, this book contains twelve flash fictions ranging from fifty to 2,000 words apiece, plus six collections of six word stories.While these stories vary in mood and genre, you will find in many that the author’s tongue was firmly entrenched in his cheek; whether it be in the brief tale of a Martian liberating his ‘kin’ from the deep fat fryer of a Glasgow chip shop or the nightmarish tragedy of Santa Claus’ true genesis, Penstricken: Collected Stories is a brief snapshot of one writer’s meandering imagination.

Visioryn in scale, and the first contemporary novel in over a decade from number one worldwide bestseller Ken Follett. Never imagines the unimaginable: the imminent threat of World War Three . . . Expertly researched and set against a global stage, Never will take you on a high-stakes journey from the heat of the Sahara Desert to the political arenas of North America, East Asia and beyond, and sees a world edging closer to an unprecedented global crisis. More than a thriller, this immersive tour de force from a world-renowned author at the top of his game imagines a scenario we all hope never comes true, and one which will keep you transfixed until the final page.

An epic novel steeped in action, intrigue, and romance. July 1187, the forces of the Muslim sultan known as Saladin have defeated the army of the Kingdom of Jerusalem, allowing Saladin to achieve his lifelong ambition of recapturing the Holy City for Islam. This sets the stage for the Third Crusade: the confrontation between Saladin and the legendary Christian warrior, Richard the Lionheart. Both men believe they are destined by God to lead their holy armies to complete victory. Richard, a legendary warrior with a keen military mind, finds his vow to retake Jerusalem complicated by infighting over succession to the British throne, a rivalry with the French king, and a choice between two potential queens. Meanwhile, Saladin struggles to keep his fractious forces together while remaining true to the noblest principles of Islam. These events are also portrayed through the eyes of two common men: Pierre of Botron is a Christian knight who is captured on the battlefield and subjected to the indignity of slavery. Rashid of Yenbo is a Muslim trader who finds prosperity in Saladin's triumphs. The relationship between Rashid and Pierre offers the possibility that people of good will can overcome polarizing conflicts. As events build toward the Battle of Jaffa, one of the most well-known conflicts of the Crusades, the fates of the characters depend on the choices they make between the compassionate and fanatical aspects of their faiths. The Swords of Faith offers an eye-opening comparison and contrast of the tenets of Christianity and Islam, insights that reverberate into the present day.

Ken Follett has 90 million readers worldwide. "The Pillars of the Earth" is his bestselling book of all time. Now, eighteen years after the publication of "The Pillars of the Earth," Ken Follett has written the most-anticipated sequel of the years"World Without End." In 1989 Ken Follett astonished the literary world with "The Pillars of the Earth," a sweeping epic novel set in twelfth-century England centered on the building of a cathedral and many of the hundreds of lives it affected. Critics were overwhelmedait will hold you, fascinate you, surround youa ("Chicago Tribune")and readers everywhere hoped for a sequel.

In the beginning were the Heavensies, and Their names were Truth, Life, Love, Mercy, Justice, Strength, Wisdom, and Beauty. They were not brought into being, and there is nothing that has been made which They did not create. They neither decrease nor increase. Nothing besides Them existed until They brought it into existence, according to Their own will. When the world as we know it was made, They came into agreement, saying, iLet Us make a world that will display Our glory and will return glory to Ourselves, i and it was so. Thus, not only was everything created by Them and through Them, but it was created for Them. Furthermore, They made man in Their image, giving him life and purpose. However, man became proud and considered himself to be the decider of his own destiny. Afterwards, he and his wife fought between themselves, and his children were caught in the crossfire. Then his children began to have their own wives and children, and family feuds erupted. Soon, the families became villages, the villages became tribes, the tribes became nations, and the nations became empires. Everyone was hating, neglecting, forsaking, disrespecting, mistreating, and abusing everyone and everything in the search for their own truth. Somewhere in the middle, the Heavensies divided the people into three separate nations: Terac (later Jorak), Sistanis, and Baior. Each of them has their own priorities and philosophies, and their stories are written by members within their own nation. Some writings are in first person, others in third, but all of it is true, or so they claim. On this epic journey, you will discover that Truth is not a principle or a perspective, but a person.

Not only is He a person, but He is the Author of the Universe.

The Evening and the Morning

I want to wish all of you joy-because there is no better gift. Two spiritual masters, the Dalai Lama and Archbishop Desmond Tutu, share their wisdom in this uplifting book. I promise you, it's the best \$26 you can spend." Oprah Winfrey Nobel Peace Prize Laureates His Holiness tthe Dalai Lama and Archbishop Desmond Tutu have survived more than fifty years of exile and the soul-crushing violence of oppression. Despite their hardships - or, as they would say, because of them - they are two of the most joyful people on the planet. In April 2015, Archbishop Tutu birthday and to create this book as a gift for others. They looked back on their long lives to answer a single burning question: how do we find joy in the face of life's inevitable suffering? They traded intimate stories, teased each other continually, and shared their spiritual practices. By the end of a week filled with laughter and punctuated with tears, these two global heroes had stared into the abyss and despair of our times and revealed how to live a life brimming with joy. This book offers us a rare opportunity to experience their astonishing and unprecedented David Gemmill was the UK's number one fantasy and historical novelist until his death in 2006. A regular Sunday Times bestseller, and international sensation, his legacy lives on through his novels, his influence on the genre, and through the David Gemmill Legend awards. Rhyming Rings is a never-before-seen Gemmill novel. An ambidextrous killer is raping and murdering women, leaving virtually no evidence behind, and struggling journalist Jeremy Miller wishes he was covering the case. Instead, he's stuck with heart-warming local stories about paraplegic teen

Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the id acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.

A missing canister containing a deadly virus forms the center of a storm that traps Stanley Owenford, director of a medical research firm, and a violent trio of thugs in a remote house during a Christmas Eve blizzard. Reprint.

The Pillars of the Earth by Ken Follett (Book Analysis)

Pillars of the Earth TV Tie in

Lords of the Bow

***Pillars of the Earth Summary and Study Guide***Welsh writer Ken Follett begins his novel *The Pillars of the Earth* with the sinking of the *White Ship* in 1120 and ends it with the murder of Thomas Beckett in 1170.*The White Ship sinking in the English Channel resulted in the death of Henry I's only male heir. Subsequently, England descended into a period historians call the Anarchy, in which Henry's female heir Matilda (called Maud in Follett's book and in this summary) and his nephew Stephen went to war over succession from 1135 to 1153. Maud's son Henry II ascended to the throne in 1154. Henry II's feud with Thomas Beckett over ecclesiastical versus monarchic control of the English church eventually led him to attack and kill Beckett in Canterbury Cathedral in 1170, a shock that carried across Christendom, leading to Beckett's martyrdom.Though these real-life figures appear in Follett's bestselling work of historical fiction, the book mainly deals with the lives of ordinary people. It centers around the fictional town of Kingsbridge, and of Prior Philip's attempts to build a church worthy of his temperaments and beliefs. The book was first published in 1990, and this summary refers to the Penguin mass market paperback edition.*

Three classic historical spy thrillers from the master storyteller and bestselling author, Ken Follett. *Thundering Good Thrillers* is a great value eBook bundle including three heart-stopping thrillers all set during *World War II*; featuring female *Special Operations* agents going undercover behind German lines (jackdaws), Hitler's prize secret agent going behind Allied lines (*Eye of the Needle*) and an 18-year-old Dane who stumbles across a top secret German installation whose discovery could change the course of the war (*Hornet Flight*). *Essays discuss relativism, knowledge, creativity, progress, Aristotle, Galileo, cultural pluralism, and reason*

*New York Times* bestselling author Catherine Anderson lights up the Old West with a tale of love, danger, and redemption featuring the ancestors of her beloved Coulter family. *After breaking off their engagement, Eden Paxton's fiance spreads so many rumors about her that she is forced to leave San Francisco. Her pride bruised, an angry Eden heads for the wilds of Colorado to live with her half brothers. But murderous outlaws cut the trip short when they kidnap her, intending to send her across the Mexican border. Ever since a gang murdered his wife, Matthew Coulter cannot see a woman being mistreated without vowing to rescue her—and exacting vengeance against the evildoers. So when he spots Eden with the ruffians, Matthew takes fierce, focused action to save her. As Eden and Matthew run for their lives, she recognizes a kind heart beneath Matthew's rugged exterior. But she wonders which will win out: his obsession with revenge—or their growing passion for each other.*

Sexuality and Gender in Modern Mormonism

Edge of Eternity

The Pillars of the Earth

Farewell to Reason

Sarum

*As the decisions made in the corridors of power bring the world to the brink of oblivion, five families from across the globe are brought together in an unforgettable tale of passion and conflict during the Cold War. From the deep south of America to the vast expanses of Siberia, and from the shores of Cuba to the swinging streets of Sixties London, *Edge of Eternity* is a sweeping tale of the fight for individual freedom in a world gripped by the mightiest clash of superpowers anyone has ever known.*

*This report takes a broad view of the link between work and human development. Work is a critical tool for economic growth and security, poverty reduction and gender equality. It enables full participation in society while affording people a sense of dignity and worth. Humans working together not only increase their material well-being, they also accumulate a wide body of knowledge that serves as the basis for cultures and civilizations. The report finds that work enhances human development when policies are taken to expand productive, remunerative and satisfying work opportunities. Workers' skills and potentials are enhanced, their well-being in terms of rights, safety and benefits are ensured with targeted interventions, and an agenda incorporating decent work, a new Social Contract and a Global Deal is pursued.*

*At the gateway to the Mediterranean lie the two Pillars of Hercules: Gibraltar and Ceuta, in Morocco. Paul Theroux decided to travel from one to the other – but taking the long way round. His grand tour of the Mediterranean begins in Gibraltar and takes him through Spain, the French Riviera, Italy, Greece, Istanbul and beyond. He travels by any means necessary - including dilapidated taxi, smoke-filled bus, bicycle and even a cruise-liner. And he encounters bullfights, bazaars and British tourists, discovers pockets of humanity in war-torn Slovenia and Croatia, is astounded by the urban developments on the Costa del Sol and marvels at the ancient wonders of Delphi. Told with Theroux's inimitable wit and style, this lively and eventful tour evokes the essence of Mediterranean life.*

*The thrilling novel from the No.1 Internationally bestselling author Ken Follett. An epic, addictive historical masterpiece that begins in 997 CE and is set against the background of the medieval church and one man's ambition to make his abbey a centre of learning.*

The Pillars of the Earth - Book 1 - Pillars of the Earth

**Set during the outbreak of the Second World War, *Night Over Water* is about a perilous journey across the Atlantic to escape Britain, from the number one bestseller and master of the historical thriller, Ken Follett. The Eve of War Britain has just declared war against Nazi Germany. In Southampton, the world's most luxurious airliner, the Pan American Clipper, takes off on its final flight to neutral New York - a haven for those fleeing the conflict. A Disparate Group Flees The passengers aboard the plane each have their own reasons for leaving Britain. Amongst them are an English aristocrat fleeing with his family and a fortune in jewels; a German scientist running away from the Nazis; a murderer returning under FBI escort; a wife escaping her controlling husband; and a devious thief determined to keep his spoils. A Journey into Danger Trapped on the plane, with only their fellow passengers for company, their journey over the Atlantic becomes increasingly fraught. Especially when it becomes apparent a plot is unfolding that may endanger all of their lives. . . .**

**'Two days after Notre Dame burned, I flew to Paris to appear on the TV programme La Grande Librairie for a discussion about cathedrals. The following morning I had breakfast at the Hotel Bristol with my French publisher and she asked me to write a short book about Notre Dame and what it means to all of us. She said she would donate the publisher's profits to the rebuilding fund and, if I wished, I could do the same with my royalties. Yes, I said; of course, I'd love to.' Ken Follett In aid of the crucial restoration work to restore Paris's great cathedral, Notre-Dame: A Short History of the Meaning of Cathedrals is a moving, short piece of non-fiction celebrating the stunning history of this beloved building, from Ken Follett, author of the multi-million copy selling Kingsbridge series. This edition contains an exclusive extract from The Evening and the Morning, a prequel to The Pillars of the Earth, publishing**

**Autumn 2020. A minimum of 50p per copy on each sale of this book will go to the charity La Fondation du Patrimoine.**

**Byggingen af en katedral i Kingsbridge i 1100-tallets kaotiske England danner ramme om skildringen af en lang række af tidens mennesketyper, de spændende historiske begivenheder, samfundns- og klosterliv samt arkitektur og byggeteknik**

**Ken Follett is known worldwide as the master of split-second suspense, but his most beloved and bestselling book tells the magnificent tale of a twelfth-century monk driven to do the seemingly impossible: build the greatest Gothic cathedral the world has ever known. Everything readers expect from Follett is here: intrigue, fast-paced action, and passionate romance. But what makes "The Pillars of the Earth" extraordinary is the time--the twelfth century; the place--feudal England; and the subject--the building of a glorious cathedral. Follett has re-created the crude, flamboyant England of the Middle Ages in every detail. The vast forests, the walled towns, the castles, and the monasteries become a familiar landscape. Against this richly imagined and intricately interwoven backdrop, filled with the ravages of war and the rhythms of daily life, the master storyteller draws the reader irresistibly into the intertwined lives of his characters--into their dreams, their labors, and their loves: Tom, the master builder; Aliena, the ravishly beautiful noblewoman; Phillip, the prior of Kingsbridge; Jack, the artist in stone; and Ellen, the woman of the forest who casts a terrifying curse. From humble stonemason to imperious monarch, each character is brought vividly to life. The building of the cathedral, with the almost eerie artistry of the unschooled stonemasons, is the center of the drama. Around the site of the construction, Follett weaves a story of betrayal, revenge, and love, which begins with the public hanging of an innocent man and ends with the humiliation of a king. At once a sensuous and endearing love story and an epic that shines with the fierce spirit of a passionate age, "The Pillars of the Earth" is without a doubt Ken Follett's masterpiece.**
