

The Snowman: Harry Hole 7 (Film Tie In)

Smilla's Sense of Snow presents one of the toughest heroines in modern fiction. Smilla Qaavigaaq Jaspersen is part Eskimo but she lives in Copenhagen and keeps to herself. When her six-year old neighbor is killed, Smilla doesn't believe it was an accident and begins her own investigation of a case that even the police don't want to get involved in. A magical new classic in the making from the creator of the beloved favourite, The Tiger Who Came to Tea.

*A pulse-racing Harry Hole thriller that will keep you guessing till the finale page. 'This tale of revenge has twists galore' Time Out Harry can't trust his own memory A man is caught on CCTV, shooting dead a cashier at a bank. Detective Harry Hole begins his investigation, but after dinner with an old flame wakes up with no memory of the past 12 hours. Someone wants him out of this picture Then the girl is found dead in mysterious circumstances and he begins to receive threatening emails: is someone trying to frame him for her death? And they'll stop at nothing to fulfil their bloodlust... The Leopard

The Crocodile Under the Bed

The Snowman, The Leopard, Phantom

Mirror Man

The Bone Keeper

In this powerful psychological suspense debut, when a woman's life is shattered, she is faced with a devastating question: What if everything she thought was normal and good and true...wasn't? Clara Lawson is torn from her life in an instant. Without warning, her home is invaded by armed men, and she finds herself separated from her beloved husband and daughters. The last thing her husband yells to her is to say nothing. In chapters that alternate between past and present, the novel slowly unpeels the layers of Clara's fractured life. We see her growing up, raised with her sisters by the stern Mama and Papa G, becoming a poised and educated young woman, falling desperately in love with the forbidden son of her adoptive parents. We see her now, sequestered in an institution, questioned by men and women who call her a different name—Diana—and who accuse her husband of unspeakable crimes. As recollections of her past collide with new revelations, Clara must question everything she thought she knew, to come to terms with the truth of her history and to summon the strength to navigate her future.

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

The beloved author of the high fantasy works *The Hobbit* and *The Lord of the Rings* delves into the legend of King Arthur in an epic, but unfinished, poem written in Old English alliterative meter.

The highly anticipated new crime thriller in the DCI Jack Hawksworth series. 'There is a connection, Jack. Find it, or you'll never find him.' Police are baffled by several deaths, each unique and bizarre in their own way – and shockingly brutal. Scotland Yard sends in its crack DCI, the enigmatic Jack Hawksworth, who wastes no time in setting up Operation Mirror. His chief wants him to dismiss any plausibility of a serial killer before the media gets on the trail. With his best investigative team around him, Jack resorts to some unconventional methods to disprove or find a link between the gruesome deaths. One involves a notorious serial killer from his past, and the other, a smart and seductive young journalist who'll do anything to catch her big break. Discovering he's following the footsteps of a vigilante and in a race against time, Jack will do everything it takes to stop another killing – but at what personal cost for those he holds nearest and dearest? By the bestselling author of Bye Bye Baby and Beautiful Death comes this heart-stopping new thriller that questions whether one life is worth more than another. 'Mirror Man is a gritty, action-packed and heart-stopping thriller that will have you on the edge of your seat from beginning to end....a seriously addictive page-turner, and yet another standout read from the very talented Fiona McIntosh.' The next thrilling installment in the Harry Hole series. The night the first snow falls a young boy wakes to find his mother gone. He walks through the silent house, but finds only wet footprints on the stairs. In the garden looms a solitary figure: a snowman bathed in cold moonlight, its black eyes glaring up at the bedroom windows. Round its neck is his mother's pink scarf. Inspector Harry Hole is convinced there is a link between the disappearance and a menacing letter he received some months earlier. As Harry and his team delve into unsolved case files, they discover that an alarming number of wives and mothers have gone missing over the years. When a second woman disappears Harry's suspicions are confirmed: he is a pawn in a deadly game. For the first time in his career Harry finds himself confronted with a serial killer operating on his turf, a killer who will drive him to the brink of insanity. A brilliant thriller with a pace that never lets up, The Snowman confirms Jo Nesbø's position as an international star of crime fiction.

Harry Hole returns in a pulse-pounding thriller like no other. 'This book had my pulse in the red zone from start to finish' Michael Connelly A freezing December night Christmas shoppers have gathered to listen to a Salvation Army carol concert. Then a shot rings out and one of the singers falls to the floor, dead. A blood-curdling terror Detective Harry Hole and his team are called in to investigate but have little to work with - there is no immediate suspect, no weapon and no motive. But when the assassin discovers he's shot the wrong man, Harry finds his troubles have only just begun. Now the clock is ticking before he kills again *JO NESBO HAS SOLD 50 MILLION BOOKS WORLDWIDE* *Watch out for The Kingdom, the new Jo Nesbo thriller, out now*

New Jo Nesbo Thriller

A Harry Hole Novel

Smilla's Sense of Snow

An infamous reincarnation cult resurfaces in the wake of a deadly bombing, and it's up to an FBI novice to learn its true aim—and uncover its dark past before it consumes her. Special Agent Vera Taggart walked away from a promising career as an artist to join the FBI, and she impresses her new colleagues with her eerie ability to divine conclusions from the grisliest crime scenes. Taggart's first assignment is a decades-old cold case centered on a cult of suicide bombers known as the Sons of Elijah who believe they've been reborn hundreds of times, going back centuries. It seems like a low-risk assignment until a bomb tears apart a crowded Chicago restaurant. The Sons of Elijah have returned—and now it's up to Taggart to stop their modern-day reign of terror. Taggart's investigation begins with Dr. Seth Jacobson, a renowned psychiatrist who claims to help people remember past lives through hypnotherapy. Jacobson had treated two of the Sons of Elijah's founders before they'd gone on to commit a series of horrific murders. Desperate to understand how these ordinary patients could have taken such a violent path, Taggart agrees to undergo similar treatment with Jacobson. Through her hypnosis sessions, Taggart comes to suspect the Sons of Elijah are targeting a high-tech government laboratory that could expose the group's greatest secret with a controversial experiment. To save millions of innocent lives, Tag must come to grips with the shocking truth about the cult and her own puzzling role in its timeless mission. The fate of humanity rests on her ability to determine which threats are real and which exist only in her mind—and to decide whose side she's really fighting for.

The first snowfall in Oslo brings a series of gruesome murders, and Harry Hole is pitted against a brutal killer who will drive him to the edge.

A closed case that hides a terrible secret. Read a dark and gripping thriller in the 16-million-copy bestselling Department Q series, for a

special price - perfect for readers of Jo Nesbo . . . Detective Carl Mørck of Department Q, the cold cases division, has received a file concerning the brutal murder of a brother and sister twenty years earlier. The killer was quickly found - so why is the file of a closed case on Carl's desk? Who put it there? Who believes the case is not solved? Carl wants to talk to Kimmie, a homeless woman who seems to hold the key to the mystery. But he's not the only one asking questions about her. Someone knows Kimmie carries secrets certain powerful people want to stay buried deep. But little do they realise, Kimmie has a secret all of her own... With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo's Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him "the best investigator in the department and the worst public servant." First-class thrillers with high voltage suspense and complex plotting, The Snowman, The Leopard and Phantom are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. "Jo Nesbo is my favorite thriller writer and Harry Hole my new hero." —Michael Connelly "Exuberantly, ingeniously gruesome." —The Telegraph

The Gilded Stage is a comprehensive tour of the world of opera. From its origins in the courts of northern Italy, to its internationally recognised position in modern culture, Snowman explores the social history of opera houses and impresarios, composers and patrons, artists and audiences. Even the most flamboyant composers could scarcely have imagined the global reach of opera in our own times. More opera is performed, financed, seen, heard, filmed and broadcast than ever before, and the

world's leading performers are worshipped and paid like pop stars. Yet the art form is widely derided as 'elitist' and parts of the classical recording business appear close to bankruptcy. Pinpointing the scandals, forgotten history and key revolutions in the form with light erudition and a brilliant anecdotal eye, Daniel Snowman reveals that the world of opera has always known crisis and uncertainty - and the resulting struggles have often proved every bit as dramatic as those portrayed onstage. 'A fast-paced thriller that twists and twists again. Kyle Perry can sure spin a mighty tale.' - Chris Hammer On the Tasman Peninsula, nestled amidst the largest sea-cliffs in the southern hemisphere, is Shacktown. Here the Dempsey family have run a drug ring for generations, using the fishing industry and the deadly Black Wind as cover. But when thirteen-year-old Forest Dempsey walks out of the ocean, bruised and branded, everything is at risk - because Forest has been presumed dead for the last seven years. Mackerel Dempsey, out of jail on strict bail conditions, is trying to change his fate, doing his best to keep out of trouble before his next court date. His cousin Ahab has renounced the family altogether, in favour of working to keep the town and its fragile tourism economy safe. But in their search for answers about Forest, both Mackerel and Ahab can't help but be drawn back into the underworld. What happened to the boy all those years ago? And does it have anything to do with the infamous drug kingpin Blackbeard, who is rumoured to be moving in on Shacktown? When secrets long thought buried at sea wash up on shore, generations of the Dempsey family must stand up for what they believe in, even if it means sacrificing everything. But in the gritty fight between right and wrong, blood isn't always thicker than water, and everyone is at risk of being pulled under... From the bestselling breakout author of The Bluffs comes a heart-stopping new thriller set on the rugged coast of Tasmania about family bonds and betrayals, and the hidden dangers that lurk in the deep... Praise for Kyle Perry: 'The Bluffs establishes Perry as a fierce new talent.' Apple Books 'The narrative races along, pulling the reader from page to page with a freight-train momentum that starts with the first word and ends with the final full stop.' The Examiner 'A spine-tingling and absorbing crime thriller about small-town secrets and mythic bush tales. This atmospheric read will keep you turning the pages until the very end.' Who Weekly 'A riveting story that will give even a seasoned thriller reader goosebumps.' Better Reading

Seated at nearby table, reporter Nick Daniels accidentally captures a key piece of evidence that lands him in the middle of an all-out war between Italian and Russian mafia forces

'The Bone Keeper will corrupt your days and shatter your nights' Val McDermid

'A dark and brilliant thriller from a writer who just gets better and better. The Bone Keeper is tense, chilling and HUGELY scary' Mark Billingham 'Luca Veste proves you don't need to go to the Bayou or the Everglades to find something terrifying in the deep, dark woods. Sometimes evil is lurking just around the corner. An entertainingly nasty piece of work' Christopher Brookmyre What if the figure that haunted your nightmares as child, the myth of the man in the woods, was He'll slice your flesh. Your bones he'll keep. Twenty years ago, four teenagers were exploring in the local woods, trying to find the supposed home of The Bone Keeper. Only three returned. Now, a woman is found wandering the streets of Liverpool, horrifically injured, claiming to have fled the Bone Keeper. Investigating officer DC Louise Henderson must convince sceptical colleagues that this urban myth might be flesh and blood. But when a body is unearthed in the woodland the woman has fled from, the case takes on a much darker tone. The disappeared has been found. And their killer is watching every move the police make. 'Candyman meets The Silence of the Lambs' Eva Dolan 'Possibly the finest serial killer novel since Red Dragon' Steve Cavanagh 'A chillingcrime read. Full of tension and with a sinister undercurrent, it will definitely get under your skin' Bibliophile bookclub 'A sinuous and compelling tale of the power of a monstrous past, with a real sense of evil and the insidious influence of urban myth' Ramsey Campbell 'A chilling twist on a modern day myth this story had me hooked: eerie, terrifying and masterfully suspenseful' Stephanie Marland 'Absolutely chilling. Don't read it at night, but make sure you do read it' Jenny Blackhurst 'Terrifying, gasp-out-loud, totally compelling and twisted... I loved it!" Miranda Dickinson 'Seriously creepy with a killer twist - Luca Veste goes from strength to strength' Mark Edwards 'Creepy and compelling. The serial killer thriller of the year' Mason Cross 'Urban legend meets serial killer thriller - a terrifying book that walks the line between crime and horror, not unlike Thomas Harris's best work' Stuart Neville 'The Bone Keeper is everything you want in a killer thriller. Creepy, addictive and guaranteed to make you think twice before walking into the woods. Perfectly terrifying' Amanda Jennings 'One to watch for 2018. A terrific and terrifying serial killer thriller that will keep you up all night - you'll be gripped by the storyline and too scared to go to sleep' Daily Record

The Son

From the phenomenal Sunday Times bestselling author of The Kingdom

The twelfth Harry Hole novel from The Sunday Times bestselling author of The Kingdom

The Winter's Tale Retold (Hogarth Shakespeare)

Macbeth

The Kingdom

'A shining delight of a novel' New York Times 'Clever and beautiful...it soars' Financial Times A baby girl is abandoned, banished from London to the storm-ravaged American city of New Bohemia. Her father has been driven mad by jealousy, her mother to grief. Seventeen years later, Perdita doesn't know a lot about who she is or where she came from - but she's about to find out. Jeanette Winterson's cover version of The Winter's Tale vibrates with echoes of Shakespeare's original and tells a story of broken hearts and hearts healed, a story of revenge and forgiveness, a story that shows whatever is lost shall be found. 'Emotionally wrought and profoundly intelligent...supremely clever, compelling and emotionally affecting novel that deserves multiple readings to appreciate its many layers' Mail on Sunday 'There are passages here so concisely beautiful they give you goosebumps' Observer 'Pulsates with such authority and imaginative generosity that I defy you not to engage with it' Independent
