Greg records his sixth grade experiences in a middle school where he and his best friend, Rowley, undersized weaklings amid boys who need to shave twice daily, hope just to survive, but when Rowley grows more popular, Greg must take drastic measures to save their friendship.

Thirteen-year-old Ivy North is an adventurer. She can pitch a tent in four minutes flat, knows the local landscape like the back of her hand, and she's an expert map reader. There's just one problem. She's afraid to go outside. But when her little brother is transformed into a kestrel by a powerful sorcerer, Ivy is the only one who can rescue him. Following him through a mysterious hole in the garden wall, she emerges in Underfell -- an enchanted realm that seems like the Lake District she knows, but is dangerously different.

Battling her dread of being out in the open, Ivy must gather all her courage to navigate a path across this extraordinary world, where powerful fairies with birds' wings fly through purple skies and a ghostly spectre haunts her every step. With the help of an unexpected new friend, can Ivy break the spell -- before her brother becomes a bird forever? An immersive and beautifully written fantasy adventure, The Sky Beneath the Stone is a soaring journey of family, friendship, overcoming fear -- and realising that we are never as lost as we think we are. Alex Mullarky's debut novel introduces a captivating new talent in children's fiction.

A Valentine's Day dance at Greg's middle school has turned his world upside down until an unexpected twist gives Greg a partner for the dance and leaves his best friend Rowley the odd man out.

Eric is eternally curious and effortlessly charming - a house guest whose approach to the world will capture your heart. This is a mini gift edition of one of the most loved stories from the multi-award-winning, internationally lauded masterpiece Tales from Outer Suburbia.

But when Rowley's star starts to rise, Greg tries to use his best friend's popularity to his own advantage.
