

### The Walking Dead Volume 1: Days Gone Bye (Walking Dead (6 Stories))

This deluxe hardcover features the first 24 issues of the hit series (complete with covers) all in one massive, oversized slip-cased volume. Perfect for longtime fans, new readers, and anyone needing a heavy object with which to fend off The Walking Dead!

Rick Grimes is not prepared for this. A couple months ago he was a small town cop who had never fired a shot and only ever saw one dead body. Separated from his family he must now sort through the death and confusion to try and find his wife and son. Collects issues # 1-6.

Trapped in a town surrounded by madmen, Rick must find a way out or die trying. Meanwhile, back at the prison, the rest of the survivors come to grips with the fact Rick may be dead. A major turning point in the series is reached. Collects issues #31-36.

As the survivors settle into their prison home something has drawn them out into the open... out of the prison... out of their sanctuary. This is a major turning point for the over-all story of THE WALKING DEAD and it sets the stage for years to come. Collects issues 25-30.

Andrew Podger's monograph, The Role of Departmental Secretaries, Personal reflections on the breadth of responsibilities today, is an important contribution to the broader public policy discourse in Australia. Andrew has been, at times, an unflinching commentator on issues of bureaucratic performance, accountability and responsiveness to government. Andrew's reflections are drawn from his own experiences within the inner circle of Australian policy-making. In this monograph, he presents a highly nuanced portrait of the role of Commonwealth departmental

secretaries. Although a 'player' himself at key moments in recent policy history, Andrew is a dispassionate and thoughtful observer of events. This is not merely a memoir: this work is rich in analysis and Andrew offers a number of 'lessons learned' to be heeded (or not) by the present and future generations of policy practitioners.

The Walking Dead Vol. 1

**A new threat has emerged from within the walker hordes, catching the communities off guard, and the time for peace and prosperity is over as a new fight for survival begins. Collects The Walking Dead issues #133-138.**

**Joe Hill, the horror mastermind behind NOS4A2 and Locke & Key, arrives at DC with the twisted tale of June Branch-trapped with four cunning criminals who have snatched her boyfriend for deranged reasons of their own. Now she must fight for her life with the help of an impossible 8th-century Viking axe that can pass through a man's neck in a single swipe-and leave the severed head still conscious and capable of supernatural speech. Each disembodied head has a malevolent story of its own to tell, and it isn't long before June finds herself in a desperate struggle to hack through their lies and manipulations...racing to save the man she loves before time runs out. But is June Branch a woman fighting for her life-or a deranged axe murderer with a basketful of paranoid fantasies? The truth is even more horrifying than a basketful of heads. Collects Basketful of Heads #1-7.**

**Chronicles the continuing story of Rick Grimes and his group of survivors, from their struggle to survive after a prison raid, to finding short solace in The Community, and the devastation that follows.**

**In the aftermath of The Whisperer War ALL IS LOST. Collects THE WALKING DEAD #163-168**

**Safety Behind Bars**

**The Walking Dead #192**

**The Walking Dead Vol. 24: Life And Death**

*Police officer Rick Grimes is shot on the job and wakes up to find that the world that he knows is gone. Zombies have taken over and are killing and eating those who are still alive. He sets out toward Atlanta in the hope that his family is still alive and endures many horrors along the way.*

*The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.*

*Read it again! It's time to revisit the historic independent series that took the entertainment world by storm 17 years ago! Follow Rick Grimes's journey again, from the very beginning, but this time in STUNNING FULL COLOR by the masterful DAVE MCCAIG. This deluxe version will feature a memorable array of variant covers commemorating major character introductions and the series' most memorable twists and turns. Each issue will include a new installment of "The Cutting Room Floor," featuring ROBERT KIRKMAN's original handwritten plots along with commentary on abandoned storylines and things that may have changed along the way. This deluxe, definitive presentation of the story in full color will NOT be collected any time soon, so these single issues will be the only way to experience this.*

*An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months, society has crumbled: There is no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally begin living. This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more deadly than zombies out there...each other. Collects issues 13-18.*

*Here We Remain*

*The Walking Dead Vol. 22*

*The Walking Dead Vol. 28: A Certain Doom*

*The Walking Dead #19*

**After reuniting with his family, Rick is welcomed into camp by his fellow survivors: Andrea, Dale, and Shane.**

**The issue that started it all. Rick Grimes, Sheriff of a small town in Kentucky awakes in a hospital. Comatose after being shot while on duty, Rick finds the world abandoned of all things living and is faced with walking undead, who attack him on sight. He returns home to find his family, son Carl and wife Lori, gone. He meets his new neighbor, who points him towards Atlanta. After retrieving supplies from the abandoned Police Station, Rick sets off to Atlanta to search for his family.**

**Lori's pregnancy has come to term - the birth is near. After everything they've been through, though, can anything prepare Rick and the other survivors for what they are about to experience? A major turning point in the series is reached. Collects issues #37-42.**

**It always comes down to this: At any moment, a zombie could leap out of the shadows and end your life. At last, it seems like there is a cause that unites mankind to end all our petty squabbles. But no. It's never that simple. Now Rick has a gun to his head.**
