"The Wisest One in the Room combines rich science, compelling stories, and graceful prose to teach you more about other people and yourself than you ever thought you knew. Two of the world's greatest social psychologists will help you understand the sources of many of the world's greatest triumphs and most pressing problems—from racism to partisanship, from happiness to consumer behavior, from media biases to international conflicts, from persuasion to healthy eating, from knocking out ...

The Wisest One in the Room: How You Can Benefit from ...

A brilliant compendium of psychological discoveries that will truly make you wiser, The Wisest One in the Room is an accessible and pragmatic summary of how we perceive and misperceive the world around us, especially the world of other people. As a users' guide to living on earth, it is concise yet comprehensive, practical and inspiring, enabling us to better understand how to communicate with others and take steps to resolve conflicts both social and political.

The Wisest One in the Room: Amazon.co.uk: Thomas Gilovich ...

The wisest one in the room is the individual who has identified his circle of competence. Whenever he's faced with problems that fall within his domain, he rises up to the challenge and solves them. And when the problem is outside his reach, he is not afraid to defer them to others better suited to solve them.

The Wisest One in the Room

5.0 out of 5 stars The Wisest One in the Room. Reviewed in the United Kingdom on 7 July 2018. Anyone expecting an easy read, or the facile answers often found in the average self-help guru's manual is in for a surprise, and I mean that in a good way. This book is densely written and based on solid research with all the source papers referenced.
